

Daily Telegraph

HARRISBURG, PA. Tuesday Afternoon, January 21, 1862.

CONVALESCING.—We are pleased to learn that Lieut. Col. Wm. B. Sipes, of the Seventh Pennsylvania Cavalry, who has been lying ill in Philadelphia for many weeks, of typhoid fever, is now recovering.

A SELL.—The arrival of Anna Bishop at Melbourne is announced in the Australian papers. It is stated that "lady's" at a very low pecuniary value. "Somebody" is "doing" the Australians.

MORE LAMB PORKERS.—Mr. Benjamin Erb, of Hampden township, Cumberland county, raised and recently slaughtered four hogs, weighing respectively 502, 511, 572 and 609 pounds—making a total of two thousand one hundred and ninety-four pounds of pork!

GERMAN BALL.—A grand soiree danse will be given at Brant's Hall, on Thursday evening, January 30. It is got up under the auspices of several of our prominent citizens, and for the arrangements making, we have no doubt it will be one of the most brilliant affairs of the season.

SANFORD'S OPERA HOUSE.—The "Seven Sisters," at Sanford's Opera House, last night, were greeted with a large, fashionable and appreciative audience. It is decidedly one of the most stirring plays yet produced by Manager Sanford, and promises to have a successful run.

CAMP WAYNE.—The recent attempt to set fire to Camp Wayne, and the fear that it will be burned down by the enemies of the Government, has induced Governor Curtin to order it to be taken down. The work of demolition will be at once commenced.

WAR MATERIAL.—A large number of thirteen inch mortars have been passing for the last few days through this city on the Pennsylvania Railroad to Philadelphia, en route for New York. They were cast in the Fort Pitt Foundry, near Pittsburgh, which establishment has turned out some of the heaviest ordnance in the service.

SHARPING AFRAY.—Two colored men in Columbia had a difficulty a few days ago, with quite a serious result. One of them named Johnson, supposed to be from York county, stabbed his comrade several times, cutting him severely in the abdomen and in the lungs.

THE STATE AGRICULTURAL SOCIETY.—The annual meeting of the State Agricultural Society commenced at the society's rooms, in Second street, this city, at 2 o'clock this afternoon. The attendance is unusually small, yet there seems to be much interest manifested in the proceedings by those present.

IT IS ROMANTICALLY, and we hope truthfully, told, that a young lady, now an operative at a shoe factory at Lynn, Mass., was formerly one of the "upper ten" in Central Europe.

COURT PROCEEDINGS.—The following cases have been disposed of since the issue of last evening's edition of the TELEGRAPH: Com. vs. Patrick Moore; indictment of keeping a disorderly tipping house; verdict guilty.

MADAME BISHOP'S CONCERT.—Quite a number of seats have been taken at Knoche's music store for the concert of Madame Bishop on Wednesday evening, and the audience promises to be large and fashionable.

ALL should read Prof. Wood's advertisement in another column.

THE RIVER.—The recent mild weather and heavy rains has produced quite a flood in the river. This morning the water was several feet above low water mark, and still rising.

THE "GROTTOS."—From seven o'clock in the evening until eleven, the management of this snug place of amusement presents a rapid succession of performances—the best of their kind—so that the audience never grows weary.

SUPERINTENDENT OF THE PUBLIC GROUNDS.—The committee of both Houses on public buildings and grounds met this morning and appointed Mr. JOHN B. WEALAND, of this city, Superintendent of the Public Grounds for the next year, in the room of Mr. GEO. W. BOYD.

DIED IN CONSEQUENCE OF INHALING THEIR OWN BREATH.—Police reports are made in Philadelphia occasionally of infants smothered in bed, in consequence of inhaling their own breath.

ANOTHER EXPEDITION CONTEMPLATED.—It is stated that another expedition will shortly be despatched from Philadelphia for some point on the Southern coast, and that the troops intended for it will include a full brigade from this State.

CONFEDERATE "SHINPLASTERS."—One Captain Brooks, of the Verbeke Rifles, now stationed with the army at Hancock, Md., has sent to a gentleman connected with this office, a sample of "Shinplasters" issued by the various towns, borough and city corporations in "Dixie," for the purpose of keeping the "machinery in motion."

THOMAS WILLIAMS ON THE REBELLION.—Copies of the London American, brought over by the last steamer, have been passing about the House of Representatives in this city, and have been very eagerly read. They contain a letter written by Thomas Williams, one of the Representatives from Allegheny county, to Captain Schenley, of the English army.

HE COME ON HORSE BACK.—The susceptibility of the American people, to run wild in their homage to human nature in the shape of things called Princes, Lords, Actresses and English Poets, who have visited these United States, called forth the gratitude in pamphlet form a few years since, of Dickens and Fanny Kemble, but all that folly can be safely passed, compared with the Fakir of Avasa Brant's Hall, a few nights since.
