The Rebels Expected to Attack Yorktown.

FORTRESS MONROE, Feb. 1.

The National Zouave Lodge of Free Masons, celebrated St. John's day by a brilliant festival last evening, inside the Fortress. A bountiful suprer was partaken of, and the dancing and music continued until a very late hour. In consequence of the foggy and stormy weather, no flag of truce was sent to Craney island to-

day.

The Colonel of the Espennel Zonaves denies positively the statements of the commander of the Erricson, that the captain of the John Trucks was sent forward by that officer, and that he, the colonel, took command of the vessel. The John Trucks and the Erricson are expected to leave for Annapolis to-morrow

morning.
Contrabands who have recently come on board the Young Rover, stationed off York river, report that about fifteen hundred troops are at Gloucester Point, and six or seven thouand at Vorktown

An attack is constantly expected from General Wool, in the rear of Yorktown. The Constitution is to day taking coal. Col. Shepley who returned from Wishington yesterday morning, brought orders to sail as soon as possible for Ship Island, her original destination.
