Baily Telegraph

HARRISBURG, PA

Tuesday Afternoon, February 4, 1862.

THE CITY LOOK-UP contained only three tenants last night-all "drunks"-who, upon being brought before the Mayor this morning were properly disposed of.

SLEIGHING - The sleighing has been excellent in and about our city for the last few days, and every available sled and sleigh has been brought into requisition to supply the popular demand for this delightful recreation.

INSPECTORS OF THE COUNTY PRISON. - The Board of Inspectors of the Dauphin County Prison has been organized by the election of D. W. Gross, President, and Henry Peffer, Secretary. The Board now consists of the following named gentlemen: Daniel Snyder, D. W. Gross, George Berguer, Jacob D. Hoffman, Henry Peffer and Daniel Shellenberger.

THE MILITARY HOSPITAL.—We understand that several Sisters of Charity are now officiating as nurses to the sick soldiers in the military hospital at Camp Curtin. Their modest deportment, and strict attention to their humane duties, does much to alleviate the sufferings of the soldiers, who treat them with the respect due their heavenly mission.

SANFORD'S OPERA HOUSE. -The Bordwells, not. withstanding the inclemency of the weather, were greeted with a full house, at Sanford's Opera House last night. Their performances were of the most entertaining character, and pleased the audience exceedingly. They will appearagain this evening in parlor opera, which in connection with an excellent programme of entertainment by Sanford's troupe, will no doubt attract another crowded house.

Dog TAX —Petitions for a dog tax of not less than one dollar are in circulation in various parts of the State. They pray the legislature to impose this tax for the purpose of aiding in the support of the poor in such locations where there are no poor houses, and in every instance where the tax thus raised is not absorbed for the support of paupers, it shall be devoted to school and road purposes. The idea may be a good one, but the petitioners will find all taxation, hereafter, sufficiently high without the necessity of creating any new taxes.

CITIZEN FIRE COMPANY .- A stated meeting of the Citizen Fire Company was held at the Company's house, in Fourth street, last evening, when the following officers were elected for the ensuing term:

President-Dr. C. Seiler. Vice President—C. M. Shell. Treasurer-Joseph Montgomery. Secretary-Daniel Kramer. Assistant Secretary—M Cash. House Committee—J. C. Eckert, Jacob Fleck,

Jacob Vance. Engineer—George C. Fager. Assistant Engineer-Frank Mathers, Captain of Hose-Samuel Swiler.

THE EIGHTEENTH REGIMENT U. S. INFANTRY. Read the advertisement of Capt. J. M. Eyster in another column of this evening's Telegraph. The Eighteenth Regiment of regular infantry, to which the captain's company is attached, has already distinguished itself in the field, and promises to perform still greater deeds in the war and intact as when first organized, affording for the preservation of our glorious Union. — not only a noble example of individual fealty The recruiting station of the captain, is in the to a good cause, but showing conclusively the Exchange, Walnut street, to which place we superior character of the organization itself. refer all active young men who desire to serve their country under a gallant and efficient

LECTURE BY DR. CHEEVER. -This distinguished divine has received and accepted an invitation from the members of the Pennsylvania Legislature to deliver a l-cture in the Hall of the House of Representatives next Wedmesday evening "On the Necessity of Immediate Emancipation, for the crushing of the Rabellion and the Salvation of our Country.' Dr. Cheever's reputation, as a divine, and brilliant and polished orator, will no doubt draw together one of the largest and most intelligent audiences that has ever assembled on any similar occasion in this city. The following is a copy of the correspondence which passed between the members of the Legislature and Dr. Cheever in reference to the lecture: Harrisburg, January 17, 1862.

REV. GEORGE B. CHERVER,
Pastor of the Church of the Puritans,
No. 21, East Fifteenth street, New York:

Dear Sir-The undersigned, members of the Senate and House of Representatives of Pennsylvania, anxious for a thorough understanding in the public mind of the cause and cure of our National difficulties, confiding in your wisdom and patriotism, and desiring to hear your views upon such subjects as you may deem of the greatest importance to the Government in the exigencies of the present time, respectfully invite you to lecture before us and the public of Harrisburg at the earliest day that may suit

your convenience.

Very respectfully yours,

SENATORS. J. H. Robinson, J. E Meredith, A. K. M'Clure, George Connell,
D. L. Imbrie,
Winthrop W. Ketcham, Henry Johnson. Franklin Bound. George Landon, John A. Hiestand. Isaac Benson, MEMBERS HOUSE OF REPRESENTATIVES.

E. M. Schrock, H. W. Tracy, Thomas Williams, Nathan Worley, B. B. Strang, E. Cowan, James C Brown S. Y. Bates. William Hutchman, Thomas Cochran, Lewis C. Dougherty, John P. Vincent. W. F. Smith,

New York, January 27, 1862. To Messrs. M. B. Lowry, George Landon, Isaac Benson, Thomas Williams and H. W. Tracy, and others, members of the General Assembly of Pennsylvania:

GENTLEMEN-I am very greatly obliged for the honor of the invitation you have so kindly Ever since Jennee made his great discovery, given me, and shall be most happy to accept it for a lecture on the evening of the fifth of February, if this be agreeable, on the necessity of doubt entertained by interesting the interesti immediate emancipation for the crushing of the rebellion and the salvation of our country.

Most respectfully yours, GEORGE B. CHEEVER.

ALL should read Prof. Wood's advertisement in another column.

LIGHT .-- A superior article of burning oil, warranted non explosive, is for sale at greatly osite the Court House.

Notice.-A stated meeting of the Paxton Hose company will be held at their room this Tuesday evening, (Feb. 4th, 1862,) at seven o'clock. Punctual attendance of every member is requested, as business of importance will be brought before the meeting.

A HUMAN MONSTROSITY.-We learn from a private letter, that the wife of a respectable citizen of Shippensburg, Cumberland county, recently gave birth to a child which had four ears, four legs and four arms-all, with the rest of its body, singularly well developed. The child lived only a short time after its birth.

SHOT DEAD BY HER BROTHER. -On Tuesday last a young woman by the name of Pyr. liv. ing midway between Shippensburg and New burg, Cumberland county, was shot dead by her brother, a lad of some ten or twelve years of age. We are told that the boy took a gun which guaranteed to fit and to give entire satisfaction had been standing in a lower room of his fathers house and was conveying it up stairs when he observed his sister engaged in making a bed, and raising it up told her he was "going to shoot her." Pulling the trigger the gun went off, the load lodging in the head of the unfortunate girl and killing her instantly. The b. y states that he was unconscious of there being a load in the gun, and had no intention of committing the murderous act.

MONTHLY REPORT OF THE COUNTY SCHOOL SU-PERINTENDENT.—The following is the report of

One teacher was examined, and one certificate approved, to supply a vacancy caused by resignation.

Forty-six schools were visited in Middle Paxton, West Hanover, South Hanover, East Hanover, borough of Millersburg, Upper Paxton and Mifflin. One hundred and three and a half hours were

spent in the schools of this District, making an average duration of time in each school of 2 hours and 15 minutes. Attended 1 District Institute, and spent two

days at Lebanon county Teacher's Institute. Traveled 218 miles, of which, walked 1092by railroad 91-in other conveyances, 171

miles. Schools generally doing very well-very little complaint.

The citizens of Millersburg have a school house they may well be proud of. The furniture, best style, is being made as fast as pos

LODGE VISITATION.—The members of Advance Lodge, No. 39, I. O. of Good Templars are to visit their co-laborers of Washington Lodge No. 1, this evening at 7 o'clock. The re-union, from the peculiar circumstances connected with it, promises to be of unusual interest; and from the mutual interchange of sentiment and friendly greetings between the members good impressions will be formed, and a unanimity of feeling established that will be productive of much good to the temperance interest in our city. Washington Lodge is the pieneer of the order in this region, and while almost every other organization formed for similar purposes have either been dissolved entirely, or eke out a sickly existence, it has nobly buffeted the waves of adversity, and stands to-day as firm (ts daughter, Advance Lodge, although only 🗪 tablished a little over two months ago, has acquired a strength in membership, and a financial basis that renders its stability no longer a Harrisb matter of doubt, while it affords to its parent Lodge a support and co-operation in the great work of temperance reform, which, although the effects may not be apparent to the public in general, are still of a character to gratify every friend of humanity. We repeat that the re-union of the two lodges—this social meeting of the parent and child-will be an occasion of more than ordinary interest, and productive o the most beneficial results, in binding the brotherhood in closer bonds of friendship, and inciting them to still greater perseverance in the glorious work in which they are engaged.

THE PREVALENCE of small-pox generally throughout the country, is awakening renewed attention to the subject of vaccination. Dr. Bell, of the Brooklyn City Hospital, has pre. sented a paper on this theme to the Kings County Medical Society, in which it is stated that during 1861 there were not far from \$,000 SHELLENBERGER & BROTHER, cases of the disease, and from 700 to 800 deaths from it. It is astonishing that, when this sickness and death might be almost entirely avoided by vaccination, (which is performed free in nearly all our public hospitals,) so many become its victims. Among the conclusions at which Dr. Bell arrives is the very important one, that proper vaccination not only prevents small-pox, but very many scrofulous diseases. He urges especially the great importance o vaccination to infants, and the making its performance one of the qualifications for entrance into every school or asylum for children. He dwells also on the importance of repeating the operation through life as an extra safeguard, the virtue of the vaccine matter being lost partiality, if not wholly, in the course of a few years.

While the medical profession, without exception, we believe, insist upon the expediency and necessity of vaccination, it cannot be denied that there is a deep-seated prejudice against it among a considerable class of the community, founded on these lamentable cases where terrible diseases have been in troduced into the system of a healthy child from the vaccine matter having been impure. doubt entertained by intelligent persons of its simple and harmless, but wonderfully beneficial effects. Parents should straightway have the operation performed on their children lby a family physician in whom they can place im-

plicit confidence.

ADMITTED.-Mr. John H. Wright, assistant sergeant-at-arms of the House of Representaeduced prices, at Gilbert's Hardware Store, op- tives, was, on motion of R. A. Lamberton, Esq. this day admitted to the bar to practice law in the several courts of Dauphin county. We have been informed that Mr. Wright passed a very creditable examination by a committee of the first lawyers of the State of Pennsylvania, in presence of his Honor, Jno. J. Pearson. We predict for Mr. Wright a brilliant future.

> SOMETHING NEW .- There lived at one time in the history of the world a great man, whose constant study was to procure something new; treading lightly upon the greatness of this in-dividual we will direct your attention to the fact that Mr. Usich, of our firm, has just returned from the seabord with some choice styles of new dry goods, which will be op ned during the day at the south-east corner of Front and Market streets.
