SENATOR SUMMER'S RESOLUTIONS.

The United States Treasury Note Bill. Correspondence Relative to the Pre-

protected government at the constitution and when substitution, while the constitution, while the treaton which it is better to constitution, while the constitution and when substitution, while the constitution while the constitution and when substitution, while the treaton which it is the constitution.

still (urther works an instant forfeiture of all those flinctions and powers essential to the continued existence of the State as a body period, so that from that time forward the lies.

The gun-boats which were sent up the Tentory falls, under the exclusive jurisdiction of Cangress as other territory; and the State being according to the language of the law, (fall it as)

according to the language of the law, (fall it as)

according to the language of the termination of the enemy's gun boats, and have decrease to exist. That the termination of the sample. The river now is clear as far up as Florence, Alabama. causes the termination of those peculiar local localing the solution of the constitution, are upheld by the solution exclusive authority of the State Total slavery being a peculiar local institution derived from local laws, without any origin in derived from local laws, without any origin in the constitution or in natural rights, is up held by the creditive authority of the State, and four to be thirteen million, three hundred and must cease to exist legally or constitutionally when the State on which it depends no longer, seven bushels. Corn, five million, eight hundred and the thousand, seven hundred and the practically that on the exercise of its exclusive in the states, it is the duty of congress to see that the apprendict of the Constitution is maintained to the expension of the everywhere in the extensive territory shavery shall class to the states of the constitution is maintained to the extensive territory shavery shall class to the states of the constitution of the everywhere in the extensive territory shavery shall class to the extensive territory shavery shall class to the extensive territory of case to the extensive territory, or case the extensive territory of the extensive territory, or case the extensive territory of the extensive territory, or case the extensive territory of the extensive territory, or case the extensive territory or longer the extensive territory or constitution of the pretended shave the extensive territory or surrender of pretended shaves besides being a recognition of the pretended of the extensive territory or surrender of pretended shaves besides being a recognition of the pretended of the extensive territory or surrender of pretended the extensive territory or surrender o That staying being a peculiar local institution derived from local laws, without any origin in the constitution or in natural rights, is up held in

tended government's giving them aid and com fort, is a denial of the rights of persons who by the extinction of the States have become free so that under the constitution they cannot again be enslaved; that allegiance for the in-habitant and protection from the government are corresponding obligations dependant upon each other, so that while the allegiance of every inhabitant of this territory, without distinction of color or class, is due to the are corresponding obligations dependant upon each other, so that while the allegiance of United States and cannot in any way be defeated by the action of any pretended government, or States to every such inhabitant, without distinction of color or class, and it follows that inhabitants held as slaves, whose paramount allegiance is due to the United States, may justly look to the National Government for protection. That, in pursuance of the Constitution, Congress will then assume Constitution, Congress will then assume a complete jurisdiction of such vacated territory where such unconstitutional and illegal things have been attempted, and will pro

Government under the constitution, and in the execution of this trust will provide carefully for the protection of all the inhabitants thereof; for the security of familles, the or-ganization of labor, the encouragement of industry, and the welfare of society, and will in every way discharge the duties of a just, mercitul and paternal Government. The Senate Finance Committee has agreed pon sundry amendments to the House United States note bill, among which are the following: To strike out the declaration that the authorization to issue one hundred and fitty millions Treasury notes is to meet the necessi-ties of the treasury, and provide a currency receivable for public dues, and to insert that the notes shall be receiveable in payment of all public dues and demands of every description and of all claims and demands against th United States, of every kind whatsoever, excepfor interest upon bonds and notes, which shall be paid in coin, and shall be lawful money

ed to establish therein republican forms of

and a legal tender in the payment of all debta public and private, within the United States except interest as aforesaid: The committee also proposes a new section authorizing the Secretary to receive from any person or corporation, United States notes on deposit, for not less than thirty days, in sums not less than five hundred dollars, which any of the assistant treasurers or designated depos itors, authorized by the Secretary to receive them, who shall issue therefor certificates of depesit bearing interest at the rate of five per centum per annum, the interest to cease at the pleasure of the Secretary, and the aggregate of such deposits shall at no time exceed the amount of twenty-five million dollars, provided that all duties on imported goods, the pro-ceeds of the sale of public lands, and the pro-ceeds of the property seized and sold under the laws of the United States, as property of rebels, shall be set apart as a special fund, to be applied, first, to payment, in coin, of interest of the debt of the United States: second! to purchase or payment of one per centum of the ntire deht to be made within each fiscal year. after the 1st of July, 1862, and to be set apart as a sinking fund, the interest of which shall be applied to the purchase or payment of the publie debt, as the Secretary shall from time to time direct; third, the residue thereof shall be paid into the Treasury of the United States. The President to day transmitted to Congress the correspondence between Mr. Seward and Dayton, relative to the presentation of Ameri-

in all cases give the occupation or profession of any person who wishes such a presentation, according to the conditions prescribed by the imperial court. The secretary concludes his in-structions in the following caustic language— "It is peculiarly uncomfortable at this moment to find American citizens leaving their country a prey to faction and civil war, disturbing the SENATOR SUMMER'S RESOLUTIONS.

The Vice President announced that he had appointed Mr. Cowan on the Fnance Committee

in place of Bright, expelled.

Mr. HENDERSON (Md.,) on the Committee on Post Offices in place of Bright, and Mr. Wilson (Mo.,) on the Committee on Indian Affairs in place of Mr. Cowan.

On motion of Mr. FESSENDRY (Maine,) the

press it to a speedy passage.

The amendment of the committee making by the action of any pretended government, or by any pretence of property or claim to ser-vice. The corresponding obligation of protec-thousand dollars for the haroors of maine, in tion is at the same time due by the United case of a war being imminent with a mailtime Mr. Dixon, (Cons.) was in favor of the

> leave the time of constructing fortifica-tions to the judgment of the President. The amendment was so modified and adopted. Mr. Nasmire, (Oregen,) offered an amendment to appropriate \$100,000 for the construction of a fort at the mouth of the Columbia

> river. He said there was not a fortification on the whole coast, and something of the kind was needed at the mouth of the Columbia river. We were finding new gold mines in that region, and it was expected next year to ship a million dollars per week from the mouth Mr. Freenden, (Me.,) said this bill was entirelyfor repair of old fortifications and proposed. no new ones. If the amendment of the tor was modified, however, so as to require the

fort to be constructed if, in the judgment of the President, it. was necessary, he would not object. The amendment was so modified and adopt-

Mr. Sherman (Ohio) moved to strike out the whole, and insert instead thereof "for repairs to such fortifications as the public service may require, one million dollars, and for the con-struction of such new works as the public service may require one million of dollars." Re

Mr. SHERMAN (Ohio) moved, as a substitute for the bill, to appropriate one million of dollars for the repairs of the existing fortifications, and two millions for works of defence on the northera frontier. In case of emergency he thought that making large appropriations for fortifica tions at this time would only have a tendency to provoke hostilities with England or France

when now we are at peace. After a discussion a vote was taken on the amendment, when it was found that no quorum Adiourned.

was present. HOUSE OF REPRESENTATIVES. The House resumed the consideration of the the Segar election case.

Messis. MAYNARD, CRITTENDEN, WHALEY and MARKORY spoke in favor of Mr. Segar.
Mr. Dawss (Mass.) concluded the debate, replying to the remarks which were made in Mr.

Segar's behalf.
The vote was then taken, which resulted in the House refusing to allow Mr. Segar to take his seat. The House agreed to the Senate's amendment to the bill authorizing the construction of
