cotton gloves, and his sho blacked and his Samuel Taylor and James Rupley. They are both convalescent and will be fit for duty in a few days.

suspension of payments by the relief committee of Harrisburg is reported here. This has caused much anxiety among the men, as many of them have families depending upon them for down they went, to the number of a score or support. Five months pay is now due Captain Waterbury's men, of which they will doubtless receive four months shortly, most of which will reached the bottom in a "mass of confusion" be sent home. Use your endeavors to keep up more easily imagined than described. Nobody the relief tund during the winter at least. The was hure however, and all hands greatly en men who are battling for their country in the far south may not need it, but their wives and joyed the sport. children demand it from those at home whose duty it is to protect them from suffering and

foulest libels, the most scandalous rumors and

the vilest insinuations. It is astonishing how

many thoughtless persons there are to seize the

petty scandal or m licious insinuation, and give

some heartless utterance, exaggerated by repe-

tition, and to be traced in its origin only to the

ubiquitous "They Say ?" This fiend is ever busy scarring the reputation, magnifying the

frailties, and torturing the most innocent con-

duct and actions of men. Private reputation is

a priceless jewel, and we envy no man's or wo-

man's heart who will lightly trifle with it, by

needing or giving currency to "They Say" ru-mors, affecting the character of a neighbor.

How much more wicked it is when it assails the

PENNSYLVANIA TROOPS IN BATTLE.-The only Pennsylvania regiment that participated in the recent battle at Roanoke Island was the Fiftyfirst, under the command of Col. Hartranft. We find the following allusion to the regiment in the special correspondence of the New York Tribune.

want.

"Gen Reno now came up with his brigade, consisting of the 21st Ma-sachusetts, 51st New York, 51st Pennsylvania and 9th New Jersey, and pushing through the swamps and tangled it currency, without pausing to consider its undergrowth, took up a position on the right, with the view of turning the enemy. This was done with the greatest alacrity. Meanwhile the contest raged hotly in front, our men be-having galantly, not wavering for a moment. Description of the consequences of promoting its circulation. "They Say" is a demon who spreads a moral malaria that invades every cir-cle, destroys the peace of families, blasts repu-The Mussuchusetts men vied with the men of Connecticut; those of New York and New Jersey coursgeously supporting their brethren of Pennsylvania. Our troops were gradually tain of love, and even desecrates the altar. The overcoming the difficulties which impeded their approach, and though fighting at great with the least indulgence, and produces results disadvantage, and suffering severely, were making a steady advance. Regulars were never more steady.

The following is a correct list of the field, staff and line officers of this gallant regiment, the slanders thus germinated live to injure the as we we find it on the files of the TELEGRAPH, good name and fame of many for years after. published directly after the departure of the Who has escaped its baleful influence? How regiment from Camp Curtin : many can trace their most poignant sorrow to
