Has discovered the most certain, speedy, and effectual remedy in the world for

DISEASES OF IMPRUDENCE,

RELIEF IN SIX TO TWELVE HOURS

CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS.

Pains in the Back or Limbs, Strictures, Pains in Making Water, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Faculties, Pollutions, Impotency, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight, Giddiness, Disease of the Stomach, Affections of the Head, Throat, Nose or Skin—those terrible disorders arising from the indiscretion or Solitary Habits of youth, those dreadful and destructive practises which ruin the constitutional debility, render marriage impossible, and destroy both body and mind.

YOUNG MEN.

Young men especially who have become the victims of that dreadful and destructive habit which annually sweeps to an untimely grave thousands of the most exalted talent and brilliant intellect, who might otherwise have entranced listening senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Persons contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health.

ORGANIC WEAKNESS

Immediately cured and full vigor restored.

He who places himself under the care of Dr. J., may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

DR. JOHNSTON,

A common member of the Royal College of Surgeons, England, graduate from one of the most eminent Colleges in the United States, and the greatest part of whose life was spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, palpitation of the heart, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

This addresses all those who having injured themselves by certain improper indulgencies, that secret habit which ruins both body and mind, unfits them for either business or society.

There are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY,

The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil effects

Thousands of persons of all ages, can now judge what is the cause of their decline in health, losing their vigor, becoming weak and nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of consumption.

YOUNG MEN

Who have injured themselves by a certain practice, indulged in alone—a habit frequently learned from evil companions or at school, the effects of which are destructive even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hopes of his country, the darling of his parents, should be snatched from all prospect and enjoyment of life by the consequences of vicious indulgence. Let the truth of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the fearful reflection that the happiness of another becomes blighted with our own.

DR. JOHNSON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, Weakness of the Organs are speedily cured, and full vigor restored.

Even those the most nervous and debilitated who have no hope, have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualification, Nervous, Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured.

TO STRANGERS.

The many thousands cured at this Institution within the last seven years, and the numerous important Surgical operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, his standing as a *gentleman of character and responsibility*, is a sufficient guarantee to the afflicted.

DISEASES OF IMPRUDENCE.—When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that a false sense of shame or dread of discovery deters him from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, &c., destroying on with frightful rapidity, till death puts a period to his dreadful sufferings by sending him to that bourne from whence no traveler returns. It is a melancholy fact that thousands fall victims to this terrible disease owing to the unskillfulness of ignorant pretenders, who, by the use of that *deadly poison*, mercury, ruin the constitution and make the residue of life miserable.

BEWARE.—The Doctor's Diplomas, hang in his office.

All letters must contain a Stamp to pay on the reply. Medicines sent by Mail.

PTERYGIUM, a red skin growing from the corner of the eye, over the sight, eventually producing blindness, removed by Dr. Jones in a half minute. *Opacities of the cornea, or specs* on the eye, removed by operation or medicine. Watery eye cured, or gold or silver stylettoes inserted where the lachrymal canal is closed, by Dr. Jones, of New York, at Herr's Hotel, in this city, where he will remain till next Monday noon, when he goes to Lancaster, and takes an office at the City Hotel a couple of weeks.

NEW PETTICOATS.—A novelty in petticoats has recently been adopted among fashionables. For all but dress, the white petticoat has been discarded for one of alapaca; and they have a great advantage over the linen or cotton ones, inasmuch as they are lighter and do not lose their stiffness. Of course, if the dress be grenadine, barege or other clear texture, the petticoats must be of the same color. They are made very full and gored, and have a broad black ribbon or velvet above the hem; sometimes there is a trimming of gathered ribbon put on the vandykes. The dresses are invariably caught up at the sides to show this under petticoat. When it is not necessary to match the tint of the dress, a stone color is the best shade to wear.
