Its provisions in brief are published in his sharp vision never extended to the cause another column. to which we invite the atten that made this recruiting necessary, a cause tion of the reader. which is traced to such leaders of his own party ONE YEAR ago Abraham Lincoln was inaugu as John C. Breckinridge, Jesse D. Bright, James rated President. One year ago, to day, the Buchanan, and other luminaries of the Demopeople of the south were inflated with the idea cratic creed. "Argus" never entered his protest against Bright drawing his pay when he was and conviction that they had the power to disorganize this government, destroy its authorexpelled from the Senate as a traitor, nor did ity, and bring the great free states of the Union, he protest against a certain Lieutenant-Colonel each of itself an empire, down to the feet of drawing his pay also, while he was lounging the slave power, in abject submission and cowthrough the streets of Huntingdon and Harrisardice. One year ago, to-day, the boast was burg, as useless then as he is now. This see ing, the most in ones neighbor's eve and failing openly made in the streets of Washington, that to extract the beam from ones own eye, is a pecultarity of those who delight to find fault with the efforts of loyal men to crush this rebellion. at the head of the War Department, visted the Department of the West, Capital, and that the free states, beaten, conand one of the first conclusions he then arrived quered and humiliated, would acknowledge the at was the unnecessary delay in the operations of our troops in Kentucky. He had no faith in the boasted superiority of the rebel see fit to make on them, either for the right to force, and then at once favored and advocated extend the operations or increase the franchizes an immediate advance in that State. But he of slavery. These were the boastings of the was over-ruled. The border states Union men claimed that there was an immense force in Kentucky. Gen Cameron denied the claim, and adduced indisputable facts to show that an that power, and the opportunity among the advance or a demonstration would prove that dough faces in the north, was even more greedthe rebels were in greatly exaggerated numbers, and that their force could not withstand come the usurpation of the traitor chief, and the attack of the army of the Department of signatize with rejoicing the downfall of the G. the West. Late events have shown that Gen. rightful authority of the land. Cameron was correct. Since we have obtained possession of Bowling Green, it has been ascertained by careful inquiry on the spot, that learned to estimate their own power less, and the rebel force there at no time exceeded have become convinced that the people of the thirty thousand men, and that the extent and loyal states are not the cowards which they beefficiency of their fortifications have been lieved them to be, to become intimidated by a greatly, exaggerated. With this comparatively small force the rebels held in check, for dreary of traitors. The great truth has been estabmonths, our immense armies in Kentucky .-We had eighty thousand men on the single line from Louisville to Bowling Green, but their paralysis seemed to be chronic. When the war is ended, and victory crowns the banners of our armies, the people will be better able to judge, than now, whose policy was most productive of success, and whose dis-discussion in the people will be potent of itself as a belligerant, and unable to postpone the motion of Mr. Howens to reconwas most productive of success, and whose dis- give force to any claim which it has made, in sider, cernment and vigor could best estimate the a fair, fearless and manly contest of arms. It extent and surget crush the violence of rebel- is the meanest of all the mean rebellions which lion. HELANE NEWS FROM THE SOUTH exhibits another humiliating fact with regard to our blockade, which as the revolution, which its adherents claim reconsider. isting fact with regard to out investigation and if true, demands searching investigation and the most severe punishment. It is stated that the rebel steamer Nashville had run the block-it will not require another year still further it will not require another year still further investigation of those who seek the investigation of the severe precipitated for slavery. It will not require another year still further investigation of the severe precipitated for slavery. It will not require another year still further investigation of the severe precipitated for slavery. English government lately expended so much of their neutral care and attention, permitting; it to sail from one of their ports, while a United States war vessel was detained until the pirate tion ! could escape. That fact aroused our indignation and cemented our hatred for the British. What will the fact of the Nashville running the Democratic (?) leaders have pursued a straight-ington,) was adopted. Mr. VINCENT moved to amend by striking tion and cemented our hatred for the British.
