# Baily Telegraph

HARRISBURG, PA. Tuesday Afternoon, March 11, 1862.

The FIREMAN who threw his coat to a by stander at the fire last night, can get it by calling at Brant's Hall.

THE PENNSYLVANIA CANAL.—The water will be let into the Pennsylvania canal next Monday. The Eastern division is in a state of thorough repair.

New Music. - "Castles in the Air," a favorite Scotch song; "I'm coming home to die "God and our Native Land;" "Brinly Richard's Album," and "Trab Trab." a popular gallop, are among the new pieces o music lately received at Knoche's music store 93 Market street.

Big Light.—The light from the fire last night was plainly visible at Middletown, Hummelstown, and at a point fifteen miles northeast of this city. The tumpike and shore, on a lurid light in the southern horizon, which ilthe opposite side of the river was brilliantly il- lumined the lower section of the city, indicatluminated, rendering objects as distinctly visi ble as in the broad open light of day.

ARREST FOR PASSING COUNTERFEIT MONEY .-Officers Fleck and Cole, of the consolidated police, this morning arrested a German Jew named Henry Hoffman, charged with passing counterfeit money. He was taken before Jus tice Beader and searched, when the sum of to the di tance and scarcity of water, the exforty-eight dollars in counterfeit notes, most tensive building was almost enveloped in of which were two dollar bills on the Columbia flames before the fire apparatus could be put in Bank, were found in his possession. He was motion. sent to prison to answer.

the conflict, by citizens, and deposited by them, of which was entirely consumed. at the Mayor's office, where the owners can get them by calling personally.

A HARRISBURGER PROMOTED .- First Lieutenant Henry Porter: U. S. Army, has now the exclusive charge of the "Pass Department" of ity. Lieutenant Porter is a son of ex-Governor Porter, of this city, and a gentlem in tion to which he has been appointed. A younger brother of Lieutenant Porter, is also a Lieutenant in the regular army, and connected with the Ordnance Department of the army now operating on the coast of South Carolina.

ing piles of lumber and out-buildings, were still portion of the fire apparatus to extinguish the contents. spreading flames. The burned district presents only enabled to form a correct idea of the great emphatically the largest and most destructive and grand conflagration we have had in this city since the memorable fires of 1838, at the corner of Market and Fourth streets.

list of Lectures to be delivered in this city, under the auspicious of the Young Men's Christian Association, commencing this evening with that by the Rev. Franklin Moore: 1st. Lecturer-Rev. Franklin Moore. Time-

Visit to Germany. Price—Single tickets, 25 cents. Family tickets, 50 cents. Single tickets to course, 75 cents. Family tickets to course, \$1,50.

NARROW ESCAPE -During the fire last night a voung man named George Brown fell into an ice vault in the stable of Mr. Sawbee. Fortu nately the accident was perceived by a boy; who gave the alarm when several of the firemen, procuring a light and a ladder, descended only to the amount of \$7,000, two thousand of into the vault, and succeeded, with considera ble difficulty, in bringing young Brown to the with the view of aiding to save its contents, when he stepped into the vault, which was uncovered, and fell bead foremost to the bottom, where, stunned by the fall, he lay in au ver coin. He is partially insured. tremely dangerous, was the fact that at the estimated at about \$200. We do not know if moment of his fall the upper end of the stable he is insured. was on fire, and the entire building was threatened with speedy destruction by the devouring entirely consumed, whose owners bames we

element.

PROVERBIAL PHILOSOPHY—BY MARTIN FARQUE-HER TUPPER.—Well begun is half don J: so saith the Proverb; and it is a wise law which the lumber shed at the western corner of the is capable of many applications. We intend, lot, and as no fire is used within two hundred however, at present to make but one, and then feet of that locality, the presumption is that it to give an example by way of illustration. Our was the work of an incendiary. application is this: we hold that the Proverb may be thus interpreted: When one is about to deliver a lecture, his work is already half done sable in this climate to health as well as comwhen he has chosen a good subject. Next comes our fort, as an umbrella, weight is a most imporexample by way of illustration. The Rev. tant consideration. Since their first introduc-Franklin Moore has chosen as the subject of his tion into this country, about the year 1780, lecture to be delivered this evening, at seven until the Paragon frame was invented by Mr. and a half o'clock, P. M., in the Presbyterian Fox, and patened by him, the Paragon frame church, corner of Third and Pine streets, on is proved to be the lightest ever made, being behalf of the Young Men's Christian Associa- less than half the weight of whalebone, altion. ACTION THE LAW OF LIFE. Our practical though considerably stronger; the rice are imremark is that when this subject was chosen, ported and made up for sale at Mr. H. Lee's the work was half done, and that we shall have establishment, 69 Market street below Third. He has also a large assortment of gold and silver head walking canes, together with fancy Family tickets 50 cents. For sale at the book canes, suitable for presents. Call and examine the door.

MI-GRACIOUS! - Yesterday afternoon numbers | Pennsylvania Legislature. of wild geese passed over the city in a northward direction. The presence of these fowls indicate that the winter has passed, and they are now returning to the great lakes at the north, where they spend the summer and rear their young. The ducks are generally earlier than the geese in their migrations northward, as they are earlier coming southward.

CARRIAGES AT AUCTION. -Attention is directed to the advertisement, in this evening's Tele GRAPH, of the thirty-second trade sale of carriages at auction, on Wednesday, April 2, at the Bazaar, corner of Ninth and Sansom street, Philadelphia. It will be the largest sale of carriages ever held in Philadelphia, and our readers in want of vehicles of this kind should endeavor to be present.

## [From our Morning Edition.]

DESTRUCTIVE CONFLAGRATION .- Trullinger & Pancake's Plaining Mill and Sash Manufactory in Ruins.—About 8 o'clock last night our citizens were startled by the thrilling cry of "fire!" "fire!" quickly followed by the deep tolling of the church and fire bells, and the appearance of ing an extensive conflagration, which was soon discovered to be caused by the burning of the large two-story frame building occupied as a planing mill and sash manufactory by Mesars. Trullinger & Pancake, situated in Race street, a short distance below Paxton.

Our noble firemen were quickly in motion, and quickly arrived upon the ground, but owing

The manufactory stood within an euclosure fronting on Race street about two hundred and DISGRACEFUL FIGHT. - During the progress of ten feet, and extended back about one hundred the fire last night, a party of soldiers got into and five feet to Water street. On its north and a dispute, which terminated in a disgraceful west sides were long ranges of sheds, shaped fight, to the great prejudice of the faces, eyes, like the letter L, extending to an equal length and noses of several of the combatants, which and width with the manufactory. These conwere seriously battered. No arrests were tained about five hundred thousand feet of panmade; but several trophies in the shape of nel lumber, a great part of which had been soldiers' caps were picked up at the scene of worked up into window sashes, doors, &c., all

On the southern side of the burning manufactory were piles of lumber in process of seasoning, and adjoining these on Water street, was a large two story frame building, owned by Mr. Saubee, which were also destroyed.

A two story frame building belonging to Mr. the Provost Marshall's office at Washington Waltmeyer, also on Water street, a short distance below the property of Mr. Saubee, was ern district, or if that is not done that both considerably purned, and only saved from every way qualified for the responsible posi- complete destruction by the almost superhuman efforts of the firemen.

Mr. Saubee's stables and a number of sheds and other out-buildings, on the lots east of the manufactory, as far as Race street, were also consumed.

The manufactory itself burned with frightful STILL BURNING.—The ruins of the Planing violence and rapidity, and within half an hour Mill and Sash Manufactory, with the surround- from the time of its first discovery, the fire had entirely consumed the immense structure, with burning this morning, requiring the use of a nearly all its machinery and other valuable

At one time the flames from the burning a dessolating scene, and the visitor is now buildings covered over two acres of ground, brilliantly illuminating the river and its disextent of the conflagration last night. It was tant shore, presenting a scene at once awful

The intense heat of the flames greatly endangered the Black Horse tavern, its extensive stabling, the buildings on Race street, opposite THE COURSE OF LECTURES.—The following is a the manufactory, and even buildings several hundred feet distant.

During the progress of the fire a brisk wind violence of the flames in an easterly direction. Fortunately, however, by this time, the fire-Tues lay, March 11th. Place - Presbyterian men were well supplied with water, and by concentrating their efforts in this direction, they finally succeeded in arresting the progress of the devouring element

Of course, amid the bustle and confusion upon the ground last night, it was utterly impossible for us to ascertain with any degree of correctness, the extent of the loss by the fire. and therefore contentourselves by enumerating the buildings destroyed, adding such estimates as we heard made upon the spot.

The plaining mill and sash manufactory with neary all its machinery, and a great quantity of worked up lumber. The sheds filled with panel lumber, a great part worked up. Several smaller out-buildings, and a large quantity of piled up lumber in process of seasoning. The above belonged to Messrs. Trullinger & Pancake. Loss estimated at \$30,000. It is stated that they are secured

which is in the Lycoming Mutual. A two story frame house and stable, owned top. He stated that he had gone into the stable by Mr. Saubee. Totally destroyed. Loss estimated at \$1,800. A large portion of Mr. Saubee's furniture was consumed, and between

see above indicated, beg to call the attention of the public to the following:

THE RESTAURANT, on the first floor, with a uning room attached, is fitted up in first class style, and it will at all times be sipplied with the best OYSTERS to be had in the Atlantic cities, together with terrapia, tash, and all kinds of game in season. Oysters served up in every style, and meals to be had at all bours. The Ales of all the celebrated broweries in the country constantly on band.

The Ter-pin Alley, or Sowling Saloon, is in the rear, and contains three alleys of modern construction, where the lovers of this healthy exercise can only them released the lovers of this healthy exercise can only them released the Billiard Saloon is the stairs—elegated the them and contains three marble top a mbination cushion tables, equal to any made.

Harrisburg has one felt the want of a grand combination of this kind, and as the proprietors are determined to conduct it in a quiet and orderly manner, and do everything in their power to make it a fasementhe report, they hope to receive a liberal share of public patronage ja3-dtf William C. MGPADDEN & CO.
