ATHE & CO., GENE: I feel it my duy to acknowl-edge what your Sarsaparilla has done for me. Having Inberited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms y sometimes it burst out in Ulcers on my hands and arms y sometimes it burst out in ward and distressed me at the stomach. Two years ward and distressed me at the stomach. Two years with one sore, which was painful and leathsome beyond description. I tred many medicines and serveral hybsi-chans, but without muob relief from any thorg. In lat, the disorder grew worse. At length I was rejoced to read in the Gospel Messenger that you had prepared an alteraalive (Barsaparilla,) for I knew from your rep-mistion that anything you mais for a traspontu over a menth, and used almost three bottles. New and heithy skin soon began to form under the scab, which after a while fell off, my skin is now clear, and likos by my faelings that the disease has gone from my system I vali you, that I hold you to be one of the an oalles of the age, and remain ever gratefully. Yours, ALFRED B. TALLEY. St. Anthony's Fire, Rose or Ervsinelas Blains, and all Skin Diseases. THE BEST GLUE IN THE WORLD. Save the pieces of that expensive Cut Glass Bottle DARLING'S LIFE BITTERS [FROM OFFICIAL HOSPITAL REFORM.] [FROM OFFICIAL HOSPITAL REFORM.] MAT 19, 1860.—Elles S., st., 28, single, naver was very strong. Two years ago she had an attack of acute rhemma-itsm, from which she was couldned to her bed for two weeks and subsequety from arciapse for four more. She has been well since then till last Satur day, while engaged in house cleaning, abe took cold, had pain in her back, felt cold, hot had no.decided chill. Two days later her ankies be-gan so swell, which was followed by swelling of the imme joints and of the hands. She has now dull pain in her shoulders, and her knuckles are very tender, red and painful; both hands are affected, but the right is most so. This, then, is a case of acute rheumalism, or, as it is now fashionably called, rheumatic fever. It is a well remarked typical case. We will carefully watch the case, and from time to time call your attention to the vari-cos symptoms which present themselves. My ohief object in bringing her before you now, is to call attention to a remedy which has recounty been recommended in the ireatment of rheumatism. I mean propylamsize. Dr Avenarius, of St. Petersburg, recommendes it in the highest terms, having derived great benefit from its use in 260 cases which came under his care. Various com-tral. I must confess I am always moreduous as to the worth of new remedies, which are vaunted as specifies; but this comes to us recommended is a highly, that we are bound to give it a trial. DESTROYS DESTANTLY Is a superior tonic and diuretic ; excellent in cases o ioss of appetite, flatuleney, female weakness, irregulari-ties, pain, in the side and bowels, blind, protruding and ploeding piles, and general debility.
