OR. JOHNSTON

Dr. Johnson member of the Royal College of Surgeona, condon, graduals from one of the most ominent Colleges of the United States, and the greatest part of whose lift has been spont in the Hospitals of London, Paris, Philadelphia and chewbers, has effected some of the most astonishing ourse that were ever known. Many troubled with ringing in the care and head when asleep, great nervousness, being alarmed at suddon sounds, bashfulness, with frequent blushing, attended sometimes with derangement, of mind were oursed immediately.

TAKE PARTICULLAR NOTICE.

Dr. ... cresses all these who having injured them selves by rivate and improper indulgencies, that secret and solitary abit which rulus both body and mind, unfitting them for either businessor society.

These are some of the sed and melancholy checks produced by early habits of youth, viz: Weakness of the Eack and Limbs, Pains in the Head, Dimnoss of Sight, Loss of Muscular Power, Palpitation of the Heart, Dynospia, Nervous Irritability, Derangement of the Digestiva functions, General Debility, Bymptoms of Canzumption, &c.

effect that a sound wind and body are the most necessary requisites to promote contained in appiness. Indeed without those, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and failed with the melancholy reflection that the happiness of another becomes blighted with our own.

TO STRANGERS.

The many thousands cured at this Institution within to

The many thousands cured at this institution within the last twelve years, and the aumorous important Surgics operations porformed by Dr. J., witnessed by the reporters of the papers, and many other persons, cotices of which have appeared again and again before the public, besides his standing as a genileman of character and responsibility, is a sufficient guarantee to the afflicted.

DISEASES OF IMPRUDENCE.—When the misquided and imprudent votary of pleasure finds he has imbibed the seeds of this patient disease, it too often happear that an ill-timed sense of shame or dread of discovery daters him from applying to those who, from education and respectability can alsone befriend him, delaying till the contitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, £c., progressing on with frightful rapidity, till death puts a poriod to his dreadful sufferings by sending him to "tinst bourne from whence we travelor returns." It is a macholy fact that thousands fall victims to this terribid disease, owing to the unskilfulness of Ignorant pretenders who by the use of that deadly notion. \*\*American\*\*. successive the section of the miserable.

XXXVIIth Congress--First Session.

· Washington, April 1.

SENATE. The bill for the abolition of slavery in the District of Columbia was taken up.

Mr. WRIGHT spoke against, and Mr. FESSEN-

DEN favored its passage.
Various amendments were made, but without a vote on its final passage, the Senate went into executive session and subsequently ad-

HOUSE OF REPRESENTATIVES. The House then went into committee of the whole on the state of the Union, and took up the tax bill.

An amendment was adopted exempting from

journed.

taxation, under the railroad, omnibus and steamboat section, all foreign emigrants traveling at a required rate of fare into the interior of the country.

During the proceedings the House found it-

self without a quorum and much time was consumed in securing one. Several amendments were made to the above sectiont including a tax of one and a half per cent. on the gross receipt of bridge corpora-

An amendment was adopted including trust Passed finally.
Senate bill No. 431, an act to incorporate the **The Rebels Make No Reply.**| Companies with the canks, savings make &c., paying the duty of three per cent.
| A new section was added that on an companies with the banks, savings institutions. A new section was added that on and after May next there shall be paid for and in respect to every insurance policy which may be made, renewed or continued, or every endorsement on an open policy a duty of ten cents for every hundred dollars insured for one year, &c.

Mr. Colfax, (Ind.,) moved to strike out the section levying a duty on advertisements. Mr. WRIGHT, (Pa.,) thought the press ought

to come up to the mark.

Mr. Colfax was of the same opinion, but he several inches to day. The rebels have erected Mr. Colfax was of the same opinion, but he a large entrenched camp in the bend of the river thought that by this bill without taxing the directly in front of our gunboats. As enbank-ment half a mile long has been thrown up on shore, behind which guns are mounted. Large taxed for paper, telegraphic messages, gas light, &c. We might as well impose a tax on

> Mr. WRIGHT said that persons engaged in every branch of business, merchants as well as mechanics, were not taxed less than newspapers which ought to bear their just proportion.

Mr. STEVENS replied that in England a large are fired every fifteen minutes, but with what effect we are unable to decide. The shells are all thrown upon the Island. The rebels make income was derived from the tax on advertisements as well as the newspaper stamp. The committee he thought had already made large no answer except an occasional shot at the concessions by reducing the tax on printing paper and striking out that on ink. Occasional firing is heard in the direction of

Mr. Colfax said that experience had shown

had demanded and secured a reform in this par ticular. The committee disagreed to the motion of Mr. Colfax to strike out the advertisement section, which was finally amended as follows, and then retained in the bill: The tax is to be assessed only on the amount received, not on that charged, and is reduced from 5 per cent.
to 3 per cent. Newspapers with less than two
thousand circulation or with less than one thousand dollars receipts from advertisements, are

exempted from paying any advertising tax.

The committee then rose and the House
