The WEATHER.-For the last few days the

"Some queer "transpirations" take place in ing, and that everything passed off in an Old Virginia now-a-days, and a sense of truth irable manner. The programme for the compels me to say that even printers are not sion was excellent, embracing a number of Very best dialogues and declamations.— Ault Schule-Hause on der Krik," was en by Master Samuel Kurtzman, and was worth the price of admission. Among the diagues, we may note "The Tea Party" "Tattleville Sewing Society"--both very other back and call for a relief guard. In a spirit of esting and amusing. Mr. Laverty has it this school for a number of years to the e satisfaction of all who placed children this charge. The exercises were inter- and in two minutes the brigade was in arms. ed with music by the Baumbach Brass having done my duty as a soldier, I had laid

down in my tear, and was about to extend a cordial invitation to "nature's sweet restorer" ber has been delightful, and we have insinuated himself between the folds of the at forgotten the blustery snow storm of canvass, and peremptorily demanded to see the day and indicately, which has been dis-strict d by the warm, bright sun of better days, it with conscious dignity, I rose before him, and saluting after the most approved fachion, begged him to do me the honor, to be seated on my knapsack. "Do you know, sir, that the clouds and gloom which overhang our what you have been doing ?" he demanded, in p litical sky may soon be dispelled by the bright a tone that indicated that he knew what he sun of hope and peace. God speed the day when this wicked rebellion shall be crushed out, appointed by the United States for that purwas trying to do. I replied that having underthe traitors punished, the authority of the pose, and having been informed by said board doard forment fully vindicated, and the ever that it was sound; and further, that my physical and mental organs were perfect in the land more honored lower the land, more honored, loved and venerated not been accused of insanity on any abstract the ever by all the people, because of tue very struggle which we have made to maintain its supremacy. But what are we doing? We stated to write about the weather, but our thoughts have unconscioualy led us into polition. thoughts have unconsciously led us into politics. To resume: to-day was one of the most de nake the matter more interesting, the negative was declared to be death. Imagine a lightful days of the season. The air was soft man of my undoubted soldierly appearance in hightful days of the season. The air was soft and balmy, and the snow disappeared rapidly before a blazing sun. The Capitol Park was bariged by crowds of visitors, who either trod its graveled walks or scated themselves beneath the trees. Birds were singing from the branches of the leafless trees, children trundled their hoops over the ground, and the grass is already becoming verdant by the genial breath of sping. The principal thoroughfares were filled sping. The principal thorough fares were filled and again I strode around the camp, fully sat-with pedestrians, and everybody seemed to partake of the influences of the bright and ehearful weather.
