NO PASSES TO YORKTOWN.

Washington, April 18. The Select Committee to inquire into the surrender of the Norfolk Navy Yard made a

They censure the Buchanan Administration severely for its neglect, and say that the present Administration cannot be held blameles for suffering thirty-seven days to elapse, after it came into power, before making a movement for the defence of the yard.

The Committee censures Commodore Pauld ing and Captains Pendergrass and McCauley, and say, in conclusion, that "the nation should learn that pusillanimity in the defence of our rights may be as injurious as the as saults of our enemies."
