THE CASE OF GEN. CAMERON.

When the secessionists and supporters of Breck enridge in Philadelphia pushed Pierce Butler forward to attack General Cameron, by instituting a suit against him for damages alleged to have been incurred by the arrest of Butler, as a suspected aid and abetter of treason, they would arouse, or perhaps they would have been frustrate and rebuke Butler and his backers in Heaven. this new scheme to embarrass the government. The writ is returnable on the first Monday in May, 1862, and is for the trespass vi et armis assault and battery and false impris-

The cause of action is no doubt founded upor the supposed misconduct of Gen. Cameron in causing the arrest of the plaintiff, Mr. Pierce
Buller, and placing him in Fort Warren, or
some other public fortification, without authority of the law, while he, Gen. Cameron, was
Secretary of War.

As I am instructed, the act was not the act of Gen. Cemeron, and was done by those who commanded it to be done for just reasons and for the public good. You will please commune been no less successful than he was when he nicate the fact of this suit to the President, and such other official persons as should properly be advised of it, and have such action taken as shall relieve the defendant, Simon Cameron, from the burden, cost, and responsibility of this suit. By the directions of Gen. Cameron, I have, as his private counsel, ordered my ap pearance for him, while I also invite and re quest the intervention of the proper authorities in his behalf, and for his protection.
