THE ARREST OF COL. JENNISON

GEN. STURGIS' CIRCULAR ON THE SUBJECT.

LEAVENWORTH, April 29.

A circular just published by Gen. Sturgis says that the arrest of Col. Jennison was the result of representations made by Lieut. Col. D. R. Anthony, of his own regiment, and Col. G. W. Deitzler, his immediate commanding It was made at the earnest solicitation of this latter officer, who, in his appeal to me of the 15th inst., demands his immediate arrest, and charges him with the most grave and serious crimes known to military law.

Affairs on the Mississippi.

A correspondent of the Cincinnatti Commercial, writing from Island 34, gives the following interesting intelligence :

Our gunboats are lying off quietly, like Micawber, "waiting for something to turn up," while the mortars wake up the enemy across Craighead's Point, by tossing over an occasional shell. The enemy always respond, however, and fire accurately indeed. Since slightly wounding one of the seamen on the gunboat St. Louis, a day or two ago, by the bursting of a rebel shell, nothing of special interest has

ORGANIZATION OF A BOARD OF CONTROLLERS. Agreeably to the provisions of the second section of the general school law of this Commonwealth, the Board of Directors of the North and South ward school districts met in convention last evening, in the Girls' school house, Walnut street. Hon. Val. Hummel was chosen President, and Rev. Dr. Hay, Secretary. After an interchange of opinion relative to the duties, etc., of a Board of Control, it was unanimously agreed that the convention organize themselves into a Board by the election of permanent officers, as follows: Judge Hummel declining the permanent Presidency of the Board, Jacob Houser, Esq., Fresident; Rev. Chas. A. Hay, Secretary; John Till, Esq., Treasurer. A committee, consisting of the President and Secretary of each district and Board, with Mr. Till, were appointed to ascertain the amount of money required to pay the teachers in each district, PLARS.—A stated meeting of the above Lodge the amount of taxables, and the rate necessary will be held at the hall, Sons of Temperance to be levied; said committee to report at the next meeting. After some further interchange of opinion, and a request that the State Superintendent be notified of the organization of the Board of School Controllers, the meeting adjourned. Our readers will no doubt be grati fied that a solution of the difficulties heretofore encountered in the attempt to fulfil the requirements of the school law have been effected, and it is to be hoped that much good will inure to the rising generation by the important step just taken by those in whose hands our citizens have committed the educational welfare of their children. The perfect unanimity existing between the two districts will no doubt give us a uniformity of text books, a proper individuals in this city, who, in the garb and grading of schools, a high school, etc. These measures, it is true, cannot all be taken up at once, but where the beginning is right, ought we not hopefully look to some bright result in the future? We trust so. Let the Board of Controllers manifest the same zeal, jointly as they do separately, and we know full well that the leg. Fears were entertained at first that city could not be confided to more faithful guardians.
