It was therefore stoadily given in three grain doses every two hours for four days. The patient has got along very nicely, and is now able to walk about, as you see. I do not hesistate to say that I have neves seen as severe a case of acute rhoumatism so soon restored to health as this man has been, and without being prepared to decide positive by as to the val-ue of the remedy we have used. I feel bound to state that in the cases in which we have tried the Chinride o Propylamino, the patients have rogained their health much carlier than under the treatment ordinarily pur-sued. I wish gentlemen, you would yourselves try it, and report the results.
