HARRISBURG. PA. Monday Morning, June 16, 1862.

A STATED meeting of the Friendship Fire company will be held in their hall this Monday

FINE STRAWBERRIES .- We had the pleasure of tasting some fine very strawberries raised by Mr. Geo. Rodfong, of Middletown. In richness of flavor, size and beauty of shape, they were unsurpassed.

A cornespondent in another part of this morning's Telegraph, writing from Tennessee, highly compliments the bravery and military skill of Captain C. C. Davis and other Harrisburgers of the 7th Pennsylvania cavalry regiment, attached to the army in that State.

THE BALTIMORE MUNICIPALS.—The Baltimore municipal authorities who passed through this city last week on a visit north and west, are having a high old time generally among the western officials. The last heard from them they were stirring up the elephant in the "smokey city."

RENDEZVOUS FOR MOUNTED TROOPS .- Orders quarters and riding school, at Carlisle, to have a battery ready for the road at a moment's notice. All recruiting officers for the dragoon whatever men they may have enlisted.

A RELIC OF THE BATTLE OF PITTSBURG LANDING. We saw at the bar of the Jones' House Saturday morning an immense bowie knife, picked up on the battle field at Pittsburg Landing by Capt. Phillips of the 77th Pennsylvania regiment. The weapon formerly belonged to a member of the famous Mississippi Tiger regiment, and is altogether a formidable looking affair.

Prof. Hegman has opened a German and English school in the basement of the German Lather in church, where all the branches of a good English education, together with the German, French and Latin languages are taught. He also gives private lessons. Apply at the office of the German Democrat, opposite this office.

NATIONAL HORSE FAIR .- It is not generally known that the great National Horse Fair will be held at the Keystone Park, Williamsport, Pa., September 2d to the 5th. inclusive. Arrangements have been made to secure the finest assemblage of imported, blooded and native breed of horses that has been collected in this country. The list of premiums will be large, ranging as high as \$200. Liberal arrangements have been and will be made with the different railroads. Williamsport is situated in the beautiful valley of the Susquehanna, and accessible by railroad from all parts of the United States, and is eminently well suited for

ARRIVAL OF MORTANS .- Two large mortars passed through this city on Wednesday last, from the Fort Pitt works, Pittsburg. They are on the way to New York, via the Pennsylvania Central, and Camden and Amboy Raitroad. They are each thirteen inches in the bore, and weigh respectively 17,196 pounds.

NEW MARBLE AND STONE YARD -Mr. Henry Brown, by his card in our advertising columns, announces to the public that he has opened a new Marble and Stone yard on Meadow Lane, between Market and Chestnut streets, where he excelled in this city, any orders that the public may give him.

CITY TAX.-The County Commissioners anrequested as business of importance will be an abatement of five per cent on the amount total for each of the prisoners of \$247 09. of their respective city taxes, on payment of the same to John T. Wilson, Esq., city Treasurer, (at his office in the new Court House,) on or before the 20th day of June 1862.

> HAY MAKING .- Our farmers are directing their attention to gathering the crop of hay, which will produce an average yield, notwithstanding the grass was short and looked indifferent a few weeks since. The recent rains have effected a wonderful change in clover and timothy. The storm which prevailed last week lodged much grain, some of which will not recover. With this exception the wheat and rve are promising.

FLAG PRESENTATION TO THE ONE HUNDRED AND FIFTEENTH REGIMENT .- A very handsom silk American flag is shortly to be presented to the One-hundred-and fifteenth Fennsylvania Regiment, Colonel ROBERT E. PATTRESON, n w at Camp Curtin by the numerous friends of this military organization, in Philadelphia The have been received at the mounted troops' head ling is to be five feet by eight in size. Yellow trimmings and tassals, composed of sewing silk, will adorn the flag. A gilt eagle surmounts the pole, with the motto 'No retreat from sword or bayonet."

THE PIO-NIC of the "Tycoons" in Haehnlen's grove yesterday, was a very pleasant affair. A very large number of the lads and lassies from the upper portion of the city were in attendance, all of whom entered into the enjoyment with hearty zest. It would puzzle any association to turn out a more gallant and jovial set of fellows than the Hope Fire company, and the attractions of a pic-nic could bring forth from their homes, no more lovely ladies, and more beautifully attired than were present yesterday. An excellent dinner was served at noon, to which all did ample justice. Dancing and social and innocent pastimes were then re commenced, and kept up STRAWBERRIES. -- We are now in the midst of till the "shades of night" commenced to fall. All present had a happy time.

FROM THE 7th PENNSYLVANIA CAVALRY

Correspondence of the Telerraph. HEAD QUARTERS, 1ST BATTALLION, PENNA.

CAVALEY, CAMP MOREHEAD, COLUMBUS, TEN.

June 7, 1862.

GEO. BERGNER, DEAR SIR:—Knowing that you have ever felt a lively interest in the welhave of all Pennsylvanians engaged in fighting for freedom in this unholy rebellion, I think a few lines to your valuable journal may not prove uninteresting to your many readers. The TELEGRAPH is frequently received in our camp and greatly sought aft.r, containing, as it does the latest reliable information. Our First battalion of Col. Geo. C. Wyn

koop's Seventh Cavaly, is commanded by Maj. Jno. E. Wynkoop, and is composed of two com-panies from Schuylkill county, one from Northumberland county, and one from Dauphir county, and commanded respectively by Capt. Jennings of company A, Capt. C. C. Davis of company I, Capt, Newlin of company F, Capt. Newcomer of company D. The battalion has been very actively employed since their advent iuto Tennessee, capturing a large number of prisoners and an immense amount of confed erate stores, with a comparatively small expense to the Government. One squadron of the battalion has been in Alabama twice, doing excellent service and bringing back to Colum bia two hundred prisoners at one trip. The second squadron, under command of Capt. C. C. Davis, was detached to Col. Starkweather's A B G command, and his command gave to the acting General the very best satisfaction.— Whilst detached under Starkweather we captured in three weeks eighty rebels, about elever thousand dollars worth of provisions, beside

number of horses and mules, and drove a mau-rauding band of Cavalry out of Maury and Lewis counties. The General at our parting gave to us a very flattering testimonial, which we have duly preserved. Capt. Davis is from your own city, and the most of his boys are Harrisburgers. His command is as good a one as can be found anywhere. A few weeks ago orders came for a march everything was in readiness, Morgan was near us; we went in pursuit of him as far as Pulaski, Tenn., and drove him and his band from that neighborhood. He heard of our coming and left ten lours in advance of us. Morgan is a shrewd scoundrel. After remaining in Pu

laski several days we returned. Shortly after, we, in company with Gen. Neglev's whole com mand, made a forced march to Pulaski, and from Pulaski to Rogersville, Ala., where we had a mall skirmish with the rebels. The Harris-YANKEE CONTRIVANCES IN THE CHURCHES OF BOSTON.—If the organ blower's occupation is not already gone, there appears a fair prospect nobly. The whole command, save a very few,
