Our old secesh neighbor never lets an oppor-

eroment in putting down tue slave holder. talks of cheerfulness and courage. rebellion, and that it may be successful in these efforts, it is as willing to use a falsehood manuyears ago, declared on the floor of the American the Picayune, to its falsehoods. Senate, that the aggregate worth of any man's labor, per day, should not exceed ten cents per truth, and we lodge the responsibility of this ten utterly bankrupting the treasury.

James Buchanan and the Democracy who stood by and made him the traitor that he was and is, have lived to see their policy of reducing and degrading labor become a tangible and absolute success. Have we not a right to suppose purpose? Such a supposition is as fair, as it is that rebellion was encouraged for this very to believe that all the sympathies of the Patriot years, which we trust will never be forgotten on believe too, that the results of this rebellion, for years the secret object of the Democratic party, are the achievements on which that late the Constitution of the country, to secure party bases its action for future success. That the Union of the States, to enforce the laws of the land, and subjugate the traitors of this unlits leaders struck at the permanency and existence of the government. That party frustrated fellow citizens, are invited to meet in Mass Convention at the Court House in Harrisburg, demonstration of rebellion, by refusing to lend its sanction to an armed resistance of treason; M., for the sole purpose of selecting one Sena-torial and two Representative delegates to the crowd on the north, and northern labor is supthe fugitives of the south, we have another From a report made to Gov. Curtin, by the realization of Democratic policy, in the threatmed reduction of labor to the Buchanan standared of ten cents per day. It would be well for Governor in reference to these soldiers, we the Patriot to abstain from reviving all such recollections as this ten cent business. It would be well, too, for all those who, like the Patriot, gave the first encouragement to treason, to organized rebellion, or to please the dough- lorgo all allusions to the business of this rebelface sympathisers in the north, we will write lion, so far as its results may be injurious to if the southern gentry had organized revolu northern labor, because as God is just, the re tion for the establishment of a better govern- sponsibility of all the disasters, misery and inment than the one under which their institu- debtedness of this rebel ion will be sternly tions had been protected, we might be induced to laid to the charge of the dough-face Demopause in our opposition to their efforts and en- cracy. A year of calm and peace will exhibit deavor to discover whether we were justifiable the fact of this responsibility. And when the in using force to frustrate their designs. But record is exposed, a development will be made. facts and circumstances are all opposed to such at once proving that the first object of southsuppositions The proposition on which rebel- ern aftachment to the Democratic party, was not lion rests, is of a character to banish all hope only to reduce labor to a reward of ten cents a that the rebellion in the south has any other day, but also to degrade that labor and this object in view than that which seeks the im- Union to the principle which enslaves one class mediate and the perpetual degredation of la- that another may live in endless idleness and

WHAT HOPE FOR THE REBELS?

The telegraph a day or two ago stated on the When we remember that there is a principle authority of "two persons," one directly from in force in the decision of a master's claim to Charleston," that the rebels are entirely cheerhis slave, which sets forth that if such property ful and confident of ultimate victory. A blesclaimed was born of a slave mother, no mat- sed faculty to the possessor, no doubt, is that of ter how white the mother or her offspring, the being jolly in circumstances the most adverse title to the flesh is valid, and there is no law and hopeless. Hope springs eternal in the huin the south to deprive a master of such prop- man breast, but what its support can be in the erty. How long will it be considered politic, bosom of a rebel, gifted with common sense, we ask, to abstain from applying the same rule is hard to see. Turn which way he will, he to labor, enslaving all who thus labor, without can see no rational ground for encouragement regard to colors. If the fact of being born Every stronghold falls before the Federal arms: from a slave mother constitutes such offspring the best appointed armies that can be raised also a slave, we know of no principle in skedaddle and evade pursuit. The most santhe same code to prevent its upholders, when guine of those who set on foot this wicked enthey have the power, from enslaving all men terprise, can now discover none of the grounds who labor, without regard to their color. It of hope he reckoned on, mon which to base the is for this power that the south is now battling faintest expectation of success. What utter The leaders of rebellion are not struggling to hopelessness must possess the minds of the advance the welfare of the white man. The arch conspirators, Davis, Toombs, Benjamin, rebellion was not organized to vindicate any Floyd! The debate of the fiends, represented doubted or omitted right of free labor. It was in the Paradise Lost, might well stand as the not alleged, when Senators and Representa- delineation of their hate, no less than of their tives retired from their seats in Congress, that despair. Hope for them, there can be none. the south had lost a single political right - A survey of the field must carry the conviction that the white man had suffered a single insult, to every mind, that the rebellion is broken and or that the federal government was inadequate discomfitted beyond the possibility of recovery. to protect all and every right with which the If the blockade was severe, what must be to white man is invested. The white man is a them the occupation of every principal city of secondary consideration in this rebellion, so far the seaboard? We possess the Mississppi river, as the traitors are concerned. White men are which cuts their territory in twain. We occuforced to fight the battles of treason, because py the coast of the Carolinas, of Florida, Ala. the loss of such flesh cannot effect the assessed bama, Mississippi and Louisiana. New Orleans or estimated value of southern property. White is ours, and Nashville and Memphis; Norfolk. men are expected to pay the rebel debt, but if Fredericksburg, Newberne, Port Royal, Mobile rebellion should succeed, its first official act will Savannah, Charleston and Richmond, will, past assuredly be the disfranchisement of all labor, all rational doubt, be occapied by our troops ranking the white man below the negro, be- before the first of the coming month. Gaunt cause there is no property in the white man famine is at the doors of tens of thousands of unless it can be established that he was from a rebel families. The wants of to-day are most slave mother. Power, however, will not long pressing and keen, and to-morrow has no promdeter the men who lead in treason, from en- ise to them of relief, but only of sharpen needs

plea for his enslavement. On this ground the leaders of the conspiracy, and they had some southern confederacy rests. With the full good re-son to count on such aid. But that knowledge of these facts, it has its sympathisers has now failed them; hope of such help from to the north. Who is most to be despised, the any power is unterly exploded. With their own traitor who strikes the blow in support of such resources exhausted, their wives and children rage to smulate his example, but who con- pect of assistance from any quarter, how ridicsoles himself by giving such a cause all the ulous the pretense of cheeffulness and hope! was, when the report was written, but it is

XXXVIIth Congress—First Session.

WASHINGTON, June 19.

The Senate met at 11 o'clock, and the Vice President being absent, Mr. Foote was chose

President, pro tem.
On motion of Mr. Charder, (Mich.,) the bill from the House to charge the port of entry of Brunswick, Georgia, was taken up and

Mr. SAULSBURY, (Del.,) moved to take up the resolution fixing the time of adjournment.— Negatived—yeas 14, nays 22.

egatived—yeas 14, nays 22.

On motion of Mr. Wilson, (Mass.,) the bill all United States troops or wind defining the pay and emoluments of officers of the army, was taken up.

On the question of concurring in the amendment of the House striking out the section deducting 10 per cent. from the pay of the officers of the government, civil and military, during the present rebellion, and reducing the mileage of members of Congress 50 per cent.
Mr. Sherman was opposed to the Senate concurring in the amendment. He thought this slight attempt at reform ought to be perserved

The amendment of the House was concurred in, yeas, Messrs. Browning, Carlile, Clark Cowan, Davis, Dixon, Foote, Foster, Grimes Hale, Harlam, Henderson, Howard, Hower Kennedy, Lane (Kaness,) Latham, McDougal, Morrili, Nesmith, Pomeroy, Powell, (Mass., Stark, Sunner, Tromboll, Wilkinson, Wilson,

Wilmot, Wilson, (Mo.,)—29.

Navs—Messrs Anthony, Chandler, Callamer,
Doolittie, King, Lane, (Ind.,) Saulsberry, Sherman, TenEyck, Wade, Willey and Wright—12. So the section was stricken out.

HOUSE OF REPRESENTATIVES. Mr. LEMAN, (Pa.,) presented the tender of the Philadelphia municipality of League Island for a navy yard, and said that the city had pur-chased it for \$810,000, and offered the land as a free gift to the government.

Referred to Committee on Naval Affairs.

Mr MALLORY, (Ky.,) offered a resolution, which was adopted by a vote of 103 yeas to 28 nays, proposing with the concurrence of the Senate the adjournment of Congress on the 80th instant.

Mr. Arnour, (Ill.,) from select committee on 28 nays, proposing with the concurrence of the

30th instant. From Jefferson City. the defene of northern lakes, reported a bill establishing at Chicago a national foundry for the manufacture and repair of oidnance and THE MISSOURI STATE EMANCIPATION CON-for the purpose; also, establishing naval depots and navy yards on Lakes Erie, Michigan and Ontario, and appropriating \$250,000 for the purpose. Referred to the committee of the whole on the State of the Union.

Mr. Walton, (Vt.,) from the Committee on Printing, reported a resolution directing the clerk of the House to pay out of the contingent fund about \$850,000 to carry into effect the resolution of May last for the purproceedings were harmonious, and there was a Gales & Seaton, the order for the books having firm determination evinced to energetically been filled by them before the rescinding resolution was passed.

Mr. Roscon Conking moved to table the esolution. - Negatived by three majority.

MARKETS BY TELEGRAPH.

PHILADELPHIA. June 19.

Breadstuffs are very quiet, but without change in prices. Flour of good quality is held firmly, but inferior rules low and is much neglected; 1,000 bbls. fair Ohio extra, fair Ohio tiour at \$3 25, and corn meal at \$2 621. Wheat and its officers and soldiers for their aid and is rather quiet; sales red at \$1 22@1 23, and condemning Gov. Gamble, but it was finally low and 60c. for white. Oats dull at 40c.; in groceries not much doing. Coffee quiet; sales rio at 181@21c., and Laguyra at 201@21c.— Provisions are quiet; 1,500 tcs. lard sold at 81 @81c., and kegs at 81@9c. Whisky steady, at 261 for Ohio. and 281 for drudge.

New York, June 18. Flour unchanged-sales of 7,500 barrels. Wheat dull—sales unimportant. Corn firmsales small. Provisions quiet. Lard steady at 71 @81. Whisky steady at 26@261.
Baltimore, June 19.

Flour dull-Ohio \$5@5 12. Wheat active —red firmer. Corn heavy—1800 bus. sold white 58@59; yellow 56@58c. Oats firmer.— Whisky advancing—sales at 27½. Provisioned dull and unchanged—coffee quies at 20@21.

Married.

In Philadelphia on the 9th of March, 1862, by the Rev. H. A. Thomas, Mr. Wn. A. Thomas, of Philade phia, and Miss Enma P. RITTENHGUSE, of Harrisburg.
