EDGEHILL SCHOOL PRINCETON, N. J.

Rev. James P. Hughes, A. M., Rev. Thos. W. Cattell, A. M., THIS Institution, founded in 1829. is

From the Rev. Dr. Hodge and the Rev. Dr. McGill. Professors in the I heological Seninary, Princeton, N. J.

I have for several years been intimately acquainted with the kev. Thomas W. Cattell. He has had charge of two of my sons, and I can safely say I have never known any one in whose fidelity and devotion to his pupils; I have equal confidence. He is a good scholar and a successful teacher. I know no one who has a greater facility in gaining the love of his scholars or who exerts over them a better influence. I am aware of the responsibility in spocking in such terms of commendation of a teacher, but I am sittled I am doing nothing but simple just et on a excellent man, in using the language which I have here employed.

I have great confidence in the Rev. Jas. P. Hughes, as a teacher, both n his apiness to give instruction, and his tart in the administration of discipline. I have had two sons under his care, and from the most careful observa-tion I am free to recommend the adgehill school as one of fale and thorough instruction.
