FROM WASHINGTON. ARMY ORDERS

Beady for Service.

WASHINGTON, July 20.

Lieut. Kenaston of the Eleventh W. S., having been relieved from duty in the U.S. Mustering office in New York, will report for duty to the Supt., of Eleventh Infantry recruiting service at Fort Independence, Boston Har-

bor. Lieutenant Causten, of the Nineteenth Infantry will proceed to Utica, N. Y., and there relieve Capt. Pease of the Seventh Intantry, in the duties of mustering and disbursing officer. Capt. Pease, on being relieved, has leave of absence until further orders, to command a regi

ment of N. Y. Volunteers. Brigade Surgeon Leconde has been ordered to repair to Chester, Pennsylvania, to take charge

The General Hospital at that place. Brigade Surgeon C. Allen, is ordered to re-

teers.

Second Lieutenant Edwin A. Newbury, of the Twenty-eighth New York volunteers, being but's supernumary officer, is discharged from the service.

The following named officers are dismissed:

L. Davis; midshipman, as Acting Master, F. J. Higgmon ; Acting Assistant Surgeon, Passmore Tredwell; Assistant Paymaster, Henry A.

Tanner. The new Ironsides will soon be ready forduty.

In addition to the principal officers heretofore mentioned, the following named have been

The ten iron-clad gunboats will all be put in commission in the course of three months .--Their armament is already being prepared. The captured rebel steamer Teaser is undergoing theorough repairs at the Washington Navy

making a permanent arrangement for an ex-change of prisoners. The interview was highly satisfactory, but no conclusion being arrived at the flag of truce will return to-day, when Gen. Lee will be present.

New Iron-Olad Gun Boats Nearly headquarters a few days since, under suspicious the rebel Gen. Pryor during the recent battle of seven days. He has been sent North.

twelve of which were in the air at the same Brigade Surgeon C. Allen, is ordered to re time, and their frequent explosion above the port to the Surgeon General as a member of the tree on the peninsula opposite the city, not

the limits of the city, immediately over the principal buildings; but we were unable to de-

the batteries instead of the structures of the town.

twn. Rev. Labon O. Cheny, Chaplain of the 4th regiment, Ohio volunteers; Cavalry Surgeon, J. A. Bates, 16th regiment, Massachusetts vol-inteers, and Capt. Joseph J. Vaughan, of the 106th regiment, Pennsylvania volunteers. The following named naval officers have been detailed: Lieutenant Commanding, John L. Davis; midshipman, as Acting Master, F. J. our land forces.

REPORTED LOSS OF THE ENEMY IN VICESBURG.

Vicksburg presents no appearance of having been injured by our firing thus far, though it was reported on the fleet vesterday that three of the fomale citizens of the town had been killed by the explosion of a bomb, while walk-ing along Washington street. The story is entirely untrue, I think; but if it is correct, the vicking have been with the protection of Mc-Clellan.

the victims have no one but themselves to blame. Who ever heard of women remaining in a besieged city, and pursuing the avocations usual to peace?

In regard to the loss of the rebels since the tenement house, in Third street above North. commencement of the siege we have various owned by Daniel Best. The house was up reports. It has been stated several times that a great many were killed and wounded in the town on "Saturday when Farragut ran the blockade:" His shots told, we are informed, the work of an incendiary.

The Yankees promised to return the negroes as soon as they had finished their canal. The the flag of truce will return to day, when Gen. Lee will be present. The Richmond papers of the 18th (to-day) contain an account of the death of Gen. Twiggs, who died at Augusta, July 16th. An Englishman who represented himself as who died at Augusta, July 15th. An Englishman, who represented himself as the son of the Duke of Somerset, was found at beadmarters a few days since, under suspicious with the loss of thirteen killed and a mage number wounded. Had our batteries restrain-ed their fire a little longer it is believed the whole force could have been captured. The anemy fired fifteen inch shell at the town

The enemy fired fifteen inch shell at the town of seven days. He has been sent North. The Siege of Vicksburg. These, where they struck the ground in different places, had made holes ful-ly twelve feet deep. Our troops, undor Van Dorn, are worked up to the highest pitch of enthusiasm, and are extremely eager for a fight. The army was very healthy, the positions around Vicksburg being a succession of hills, afording fine army in the first provide the second state. affording fine campaign ground with excellent water. Provisions were also coming in plentifully. The people are burning their cotton almost

Letters from before Vicksburg to the 10th everywhere along the river, and far back in the The night was very bright and beautinl, the

atmosphere softly voluptuous and deliciously as in having it around her. Even in Texas enervating, though, far too warm for comfort-able repose; and we sat or strolled listlessly on able to apply the torch when necessary. Some deck, watching the course of the bombs, ten or thad their bales piled on foundations of light

wood. The grain crop in Texes, from the Rio Grando to Red river, this year, is the largest one ever known in that State. Occasionally small patchwithout a large degree of martial satisfaction. known in that State. Occasionally small patch-Many of the shells seemed to burst within es of cotton are seen, but this is planted for home use.

The conscript law was being fully enforced termine whether they did or not. It is hardly in Texas, and the Government had summoned probable they did, however, as the purpose of every man between 35 and 45 to organize for our commanders is to destroy the efficacy of the defence of the State.

And order has been extended for every famly to leave Galveston, it having been deter-mined, as in the case of Vicksburg, to defend it to the last. This order has been complied with, except by some seven families. The par-

We learn from a gentleman who crossed the Chowan in the vicinity of the federal strong-

FIRE --- The alarm of fire about 1 o'clock yesterday morning, was occasioned by the partial burning of a small one story and half frame
