PEOPLE'S UNION STATE TICKET.

AUDITOR GENERAL: THOMAS E. COCHRAN, of York County.

SURVEYOR GENERAL: WILLIAM S. ROSS, of Luzerne County.

HARRISBURG, PA.

Wednesday Morning, July 30, 1862.

WHO STAND FAST TO THE GOVERNMENT?

The Missouri Democrat accuses a dough-face editor in Illinois, with having once declared that "his party was on the verge of a precipice," but in the same sentence exhorted his party to go "steadily ahead."

As no parent who truly loves his child will see it going wrong without giving it timely admonition and warning, so no true lover of his country will see it on the verge of a precipice and exhort those in power to go "steadily ahead."

The administration has confessed itself mistaken in conducting the first year of this war, or it would not have changed its policy.

Among the speakers at the mass meeting, which assembled in this city on the evening of the 17th inst., for the purpose of ratifying the nominations of the Union State Convention, was the gentleman whose name heads this article.

THE WAR FEELING AND ITS RESPONSES.

The movement inaugurated in this city, and the example of liberality set to the people of the state, by the citizens of the capital, have had a happy influence all over the commonwealth.

Out of these practical illustrations of the high estimate which the people place upon the government, we can realize how long the war will be prolonged, and how persistently the struggle will be waged until the rebellion is crushed out.

Our crops are magnificent and people are busily engaged cutting grain. Go where you will, except in the mountains, you can hear the click of the reaper—almost half the grain is cut by reaping machines now.

A people imbued with such a spirit, and men who can make such suggestions for the writer has interests in agriculture will not be easily persuaded from prosecuting this war to the bitter end.

Men of America, awake! arise from your sleep, and avert the impending doom. Let the craven who talks of peace—the wretch who prates of party—the fiends who coin money from their country's, or speak encouragement to her foes, be anathema!

HON. HENRY D. MOORE.

A PATRIOTIC SPEECH.

We print to-day the speech of Daniel Dougherty, delivered at the monster mass meeting held in the metropolis on Saturday last.

AN INCREASE OF THE PREMIUM ON ENLISTMENTS.

The great object of the War Department is to secure first of all the filling up of the regiments which have been reduced by the various casualties of battle and the ravages of disease.

to promote the public weal by protecting the rights of the people.

The speech of Mr. Dougherty on the occasion referred to, was indeed a masterly effort. We had the pleasure of being present during its delivery, and though the sketch we print to-day is very meagre, it still conveys an idea of the commanding eloquence with which one of the nation's most accomplished orators urged and defended the cause of his country.

SPEECH OF DANIEL DOUGHERTY.

Delivered at the Great War Meeting, convened in Independence Square, Philadelphia, on Saturday, July 26.

We are assembled, Americans, to decide whether our country shall live or die, whether we shall be free men or slaves; whether peace shall here again permanently dwell, or this become a land of dead men's skulls; whether the fires of freedom shall blaze in beauty until all the earth shall enjoy the perfect day of constitutional liberty, or the eternal night of despotism shall in our time descend upon the world!

To address you, Americans, on such a theme, fills me with awe, and makes me bow in humble application to the All-perfect One, praying His omnipotent aid to inspire me for the cause!

It is in vain to dwell upon the past. Behold the awful present! The traitors of the South, with fiendlike fury, are striving to wrest from us three-fourths of the republic, our most sacred localities, the battle fields of the Revolution, the graves of the immortal dead, the cities built by Northern hands, and beautified by Northern taste and wealth—aye, the capital, with its unnumbered millions of property, the statues of our benefactors, the priceless memorials of the past, the trophies of glorious wars, the heroisms and archives of the nation.

What will ye all combine to do, ye sons of God! shall it be, that the people, crushed since creation, when at last the priceless boon of liberty was their own, by their own supine neglect permitted it to be wrested from their grasp forever? Shall the fruits of the Revolution wither in our keeping?

Let our rulers remember that on the fidelity is staked the fortunes of a hundred generations. Let those who can, fly to the field! Let those who remain, with a generous hand, give to the glorious cause!

Let our rulers remember that on the fidelity is staked the fortunes of a hundred generations. Let those who can, fly to the field! Let those who remain, with a generous hand, give to the glorious cause!

SUBSCRIPTIONS IN MONTGOMERY COUNTY.

Strange Action by the Democratic County Commission.

At a meeting of the citizens of Montgomery county, on Saturday, resolutions were adopted requesting the County Commissioners to appropriate \$25,000 to pay bounty to the volunteers for the call of 800,000, and a subscription was started to the amount to loan the county as once, conditionally, that if the loan was not legalized by Legislature, the money was to be a gift to the country.

FROM NEW BRUNSWICK.

A Newspaper Mobbed for its Union Sentiments.

The office of the St. Croix Herald in St. Stephens, N. B., was again visited by a mob last night. The work of destruction this time was complete. Most of the type was pried, and the press injured and much of the material scattered outside of the building and thrown into the river.

The Herald is the only newspaper in New Brunswick that has supported the Union cause, and hence the wrath of the provincials against it. The publication of the Herald will be delayed for several weeks in consequence.

ENLISTMENTS IN PENNSYLVANIA.

WAR DEPARTMENT, Washington, July 28, 1862.

His Excellency, A. G. CURTIN, Governor of Pennsylvania.

SIR:—I have been directed to advise you that the system of enlisting recruits for nine and twelve months, adopted in Pennsylvania, has produced great dissatisfaction in other States, which have confined themselves to enlistments for three years or the war.

This system, as you are aware, was adopted without any intention on the part of your Excellency or of the General Government to make an unfair distinction between the States.

The War Department entertains an earnest desire to act in entire harmony with the State Governments, and a strong sense of the earnest and efficient aid which it has always promptly received from your Excellency; and it is only because the Department is fully satisfied of the expediency of short enlistments; and the impossibility of extending the system to other States, and the justice of the complaints already advanced, that a change is proposed in Pennsylvania.

Hence the Secretary of War is compelled to ask your Excellency to change your system of recruiting and let your recruits go to the field in full numbers, in every respect, with those from other States.

The mustering officer will continue to muster into service recruits enlisted for nine and twelve months, until the tenth day of August next, at which time it is supposed the change suggested will have been completed.

By order of the Secretary of War, C. P. BUCKINGHAM, Brigadier General and A. A. G.

GENERAL ORDER No. 81.

HEADQUARTERS, PENN'A MILITIA, Harrisburg, July 29, 1862.

I. In pursuance of the foregoing communication from the War Department, no more authorities to recruit men for the nine months term of service will be issued from these Headquarters.

II. All persons now engaged in recruiting squads for that term of service, under General Orders Nos. 28 and 30, of this series, are ordered to report their squads, whether complete or incomplete, to Captain William B. Lane, U. S. A., mustering and disbursing officer at Harrisburg, before the 10th day of August next, that they may be mustered into the service of the United States, for the nine months term for which they have been enlisted, and receive the advanced months pay, premium and bounty to which they will be entitled. After that date all enlistments for new recruits under the late call of the President, will be for three years or during the war.

III. Authorities to recruit for three years or during the war will be issued under General Order No. 80 of these Headquarters, and all persons to whom authority has already been granted, can continue to enlist men for the three years or war term of service.

IV. Persons enlisted for nine months may change their term of enlistment for that of three years or during the war, at any time before they are organized into companies.

By order of A. G. CURTIN, Governor and Commander-in-Chief.

WAR DEPARTMENT, ADJUTANT GENERAL'S OFFICE, Washington, June 5, 1862.

GENERAL ORDERS, NO. 60.

I. A large number of volunteers are absent from their regiment, who are now fit for duty. To enable them to return, the Governors of the States are authorized to give them certificates of passes, which will entitle them to transportation to the station of the nearest United States mustering officer or Quartermaster, who will pay the cost of transportation on such certificate of pass, and provide transportation for the soldier to his regiment or station.

WAR DEPARTMENT, ADJUTANT GENERAL'S OFFICE, Washington, June 28, 1862.

GENERAL ORDER, NO. 72.

III. No more furloughs will be granted to persons prisoners. All furloughs heretofore given to persons hereby revoked; and all prisoners, now at large on their parole, or who may hereafter be paroled by the rebel authorities, will immediately re-enlist in the regiments to which they belong, if belonging to regiments raised in the States of New England and Middle States, to the Camp of Instruction, established near Annapolis, Md.; if belonging to regiments raised in the States of Virginia, Tennessee, Kentucky, Indiana and Michigan, to Camp Chase, near Columbus, Ohio; if belonging to regiments raised in the States of Illinois, Wisconsin, Minnesota, Iowa, and Missouri, to the camp near Jefferson Barracks, Mo.; and report for such duty, complete with their parole, as may be assigned to them by the officers in command of said camps. And all, whether officers or soldiers, who fail to comply with this order, within the space of time necessary for them to do so, will be accounted deserters and dealt with accordingly.

IV. The transportation necessary to a compliance with this order, can, on application, be procured from the Governors of the several States, or from the United States mustering or commanding officers in the various cities within them.

That the Governor of Pennsylvania may, under the provisions of the paragraphs above quoted, materially assist in bringing about a compliance, the following circular is published.

CIRCULAR.

I. Transportation, upon application in form to this Department, will be forwarded by mail or telegraph to soldiers and officers coming under the provisions of the above named General Orders, either to Harrisburg or the point at which the nearest Quartermaster, Mustering or Commanding officer is stationed.

II. The form required for such application is the certificate of two responsible citizens of the place in which the soldier or officer may then be residing, that his statement as to being a paroled prisoner now at large is correct; that he is a volunteer absent from his regiment, and now fit to return. By order of GOV. A. G. CURTIN.
