# HELMBOLD'S GENUINE PREPARATION

"HIG "LY CONCENTRATED" COMP. UND FLUID EXTRACT BUCHU, A Positive and Specific Remedy and DROPEICAL SWELLINGE. This Medicine increases the power of Digestion, and excites the ABGURBENTS int: healty action, by which the WATERY OR CALCAREOUS depositions, and all UN-NATURAL ENLARGE VIENTS are reduced, as well as PAIN AND INFLAMATION, and is good for MEN, WOMEN OR CHILDREN.

HELMBOLD'S EXTRACT BUCHU,	
For Weaknesses	
Artsing from Excesses, Habits of Dissipation, Early in discretion or Abuse.	
ATTENDED WITH THE FOLLOWING SYMPTOMS	
Indisposition to Exertion, Loss of Power	
Loss of Memory, Difficulty of Breathing,	
Weak Nerves, Trembling,	
Horror of Disease, Wakefulness,	
Dimness of Vision, Pain in the Back	
Universal Lessitude of the Muscular System.	
Hot Hauds, Flushing of the Body	
Dryness of the Skin. Eruntions on the Face	
PALLID COUNTENANCE.	
These symptoms, if allowed to go on, which this med	
icine invariably removes, soon follows	
INPOUENCY, FATULTY, EPILEPTIC FITS.	
IN ONE OF WHICH THE PATIENT MAY EXPIRE.	
Who can say that they are not frequectly followed by	
those "DIREFUL DISEASES,"	
"INSANITY AND CONSUMPTION."	
Many are aware of the cause of their suffering.	

Many are awaro of the cause of their suffering, BUT NONE WILL CONFRES. THE RECORDS OF THE INSANE ASYLUMS, And the Melanchely Deaths by Consumption, BERA ANTLE WINESS TO THE TABLET OF THE ASSENTION, THE CONSTITUTION ONCE AFFECTED WITH ORGANIC WHARNESS, Requires the aid of medicine to strengthen and Invigorat- the Syste Which HELMBOLD'S EXTRACT BUCHU (weardably d A TRIAL WILL CONVICE THE MOST SKEPTICAL.

DR. JOHNSON BALTIMORE LOCK HOSPITAL AS discovered the most certain, speedy and effotoual remady in the most of the ual temedy in the world for DISEASES OF IMPRUDENCE. RELIEF IN SIX TO TWELVE HOURS.

Aledical

No Mercury or Noxious Drugs. Cure Warranted, or no Charge, in from one to Two Days.

to Two Days. Weskness of the Back or Limbs, Strictures, Affections of the hindrys and Bisder, Involuntary discharges, Im-potency, Generid Debility, Nervousness, Dyspepsy, 1 an-zor, Low Spiritz, Contustion of Idens, Palpitation of the Heart, Thirdity, Trembilang, Dinness of Sight or Siddi-ness, Discass of the Head, Throat, Nose or Skin, Affec-tions of the Liver, Lungs, Stomach or Bowels-thome ter-rible disorders arising from the Solitary Habits of Youth --those skousr and solitary procloss more istal to the ir victims than the song of yrens to the Mariners of Ulys-ses, blighting their most brilliant hopes or anticipations, rendering marriage, Su., impossible.

**Young Men By and the set of t** who might otherwise have entranced listening; Benates with the thunders of eloquence or waked to costasy the living lyre, may call with full confidence. Marriage.

Married Persons, or Young Mea: contemplating mar-riage, being aware of physical weakness, organic debili-ty, deformities, &c., speediy cured. He who places himself under the care of Dr. J. may religiously confide in his honor as a geniteman, and con-fidently rely upon his skill as a Physician.

## Organic Weakness

Organic Weakness Immediately Cured, and full vigor Restored. This distressing Affection—which renders i ifo misera-ble and marriage impossiblo— is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being sware of the dreadful consequences that may onsue. New, who that understands the subject will preiend to deay that the poin-er of proor action is lost sconer by those failing into im-proper habits than by the prudent Besides being de-prived the pleasures of healthy offspring, the most se-rious and destructive symptoms to both body and mind arise. The system becomes deranged, the 'Physical and Mental Functions Weakened, Loss of Procreative Power, Nervious Irratibility, Dyspecia, Palpitation of the Heart, Indigestion, Constitution 1 Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death. Office, No. 7 South Frederick Street, Leit hand side going from Baltimore street, a low door. Letters must be paid and contain a stamp. The Doc tor's Diplomas hang in his office. A Cure Warranted in Two Days. No Mercury or Nautous Drugs, Dr. Johnson,

Dr. Johnson, Member of the Royal College of surgeons, London, Grad-uate from oue of the most eminent colleges in the United States, and the greater part of whose life has been spent in the bospitals.of London, Paris, Philadoiphia and else-where, has effected some of the most astonishing ources that were ever known; many troubled with ringing in the bead and ears when asleep, great nervourness, being alarmed at sudden sounds, bashfuiness, with frequent blushing, attended sometimes with derangement of mind ware cured immediately. cured immediately.

Take Particular Notice. Dr. J. addresses all those who have injured themselves y improper indulge ce and solitary habits, which roln oth body and mind, unfitting them for either business, both body and mind, unfitting them for either business, study, society or marrise. These are think of the sad and melancholy effect, by Back and Limber Philis in the Head, Dinness of Sight, Loss of Muscular Power, Palitation of the heart, Dya pepsy, Nervous Irratibility, Deradgement of the Digestivi Functions, General Debility, Symptoms of Consumption fac.

to be dreaded-Loss of Memory, Conjusion of Ideas, De-pression of Spirits, Lvii Forbodings, Avers on to society, Seif Datrust, Love of solitude, Timidity, Sc., are some of the cult. Seif Distruit, Love of Solitude, Timidity, Wc., are some of the evils produced. THOURANDS of persons of all ages can now judge what is the cause of their declaing health, losing their vigor, becoming weak; pais, hervous and emachated, having a singular appearance about the eyes, cough and symptoms of concernition.

B. J. Wallace, D. D., whose death we have recently recorded. Dr. Wallace, though not a native of Harrisburg, was brought here by his parents at two years of age, and resided here through his youth, acquiring in this place much of that elegant scholarship for which he was afterwards distinguished; and ever cheitahed, as for a home of the heart, the precious memories of our almost unequalled beauties of location and to reach to the bostom, and show you use per-our almost unequalled beauties of location and scenary. Our readers, we are certain, will appreciate ing to the fevered heart; but alas i powerless ing to the fevered heart; but alas i powerless

Otsego lake, where the great American novel-ist has described it in language that will never cease to be read; along by its lovely windings where the Chemung intersects the North Branch, whose beauty has been embalined by one of our most graceful poet; by the Valley of Wyoming, which lives forever in the imagi-nation of Camphell, but which is fairer even than the semi-tropical fancy of which he was enamored; or by the bold scenery of the most ing of its water at Northumberlind in the From Gen. Pope's Army. Gen. Buford's Cavalry Expedition.

PARTICULARS OF ITS OPERATIONS.

of graudeur, the Susquehaona has every form of beauty or sublimity that belongs to rivers. We have seen them all: Councetiout, Hud-son, Delaware, Ohio, Missi-sippi, and Mis-eouri. There is nothing like the Susque-haona on this continent. Its peculiar character depends upon its origin in the New York meadows, its passage through the magnificent Pennsylvania Highlands, and the richness of the valleys that lie betw en the mountains. Everywhere its course is deficient, it begins a wooded lake; it winds a limpid brook by meadows and over silver pebbles; it it makes its way through mountains; it loiters, it makes its way through mountains; it loiters,

brook by meadows and over surver peoples; in it makes its way through mountains; it loiters, restingly, by their base; it sweeps in broad courses by the valleys. Its vast width in its. ind spring freshess, when swollen by the melt-ed snows; it rushes from the hills with irrests On the next day the First Maryland had another skirmish on the Orange Court House ited, in which they lost 5 killed and 4 wounded and about a dozen taken prisoners. Being reinforced by the First Michigan, the Rebell were driven to the Rapidan.

A strong reconnoisance was made on the same evening to the Rapidan on the Orange road

A strong reconnoisance was made on the same evening to the Rapidan on the Orange road and a skirmish was going on without loss, when an order came from Gen. Baford to re-turn to Madison Court House. The Suggachanna, makes the grandest of these passages just below the mouth of the Juniats. Its course there is several miles long before, it entirely disengages itself from the rapids, called Hunter's Falls, which are the re-mains of the rocky barriar which once resisted its way. Entirely at liberty, it pours if sare the re-tare source of this brigade is considered amost miraculous, as they were surrounded on almost miraculous, as they were surrounded on every side, and all gave the party up as 1 al Gen. Buford deserves great praise for the able manner in which he extricated his command from such a forlorn position.

than that where the men of Paxton selected, we have never seen it. From its source in Otsego lake, where the great American novel

ing of its waters at Northumberland, to its broad glory celebrated in the New Pastoral

Other rivers have their points of loveliness or of graudeur, the Susquehaons has every form

hanna. A hundred and forty years ago, an enter-prising young man from Yorkshire, in Rug-land, by descent, probably one of those Scandi and, by descent, proveny one of those Scann-aaviaas who, under the great! Cannte, held goes alon of the north of Eugland, and gave its main character to it, made his way to Phila-delphis. He matried here a lady who came over with a well known Yorkshire family of Lisentirely vegetable in its composition, has been employed with wondertail success for many years in the ours of diseases for the AIR PASSAGES and LUNGS. For any form of the disease such as COUCH, TICKLING of the THEOAT, SEPTTLING OF BLOOD, DIFFI-CULT BREATHING, HOARSENESS, LOSS OF be attended with the happiest results. It is one of the best and safest medicines for all forms of BRONCHIITS and CONSUMPTION. No landaugn of preparation of Opiesm in any shape in this symp. by the Concy or Gawanese Indians. But he was not satisfied with this location. Exploring upwards along the eastern banks of the Susqueanna, he advanced until, instead of the Cone wago hills at his back, and on the opposite side of the river, he found the entrance opposite to him of that most beautiful valley, already de-scilbed, with two fine streams flowing into the river about five miles apart, and on the eastern Major Kennedy, with two small companies ade an elevated plateau unsurpassed in lovel-of the First Kentucky Cavalry, encountered

> white child born west of the Conewago hills, subsequently laid out a town on the sput, and with slogular forethought set apart six acres on a noble hill which rises on the north-weat; which he conveyed to the State for public pur-poses. The capitol of Penney Vania is now built upon it, and the city of Harrisburg bears his name. (Pres. Quar. Review, April, 1860, pp.

640-648.) advantage of being accurately and elegantly described, as it appears at its "parent lake," by Cooper, of being the source from which an imaginary river has sprung in the favor of Campbell; of filling one of the pictureque lines of Marmion, and of having been chosen by Coleridge, Southey and Lovell as the seat of Difference of Marmion, and of having been chosen by Coleridge, Southey and Lovell as the seat of The pools, or style ware of the purpose, we are now pre-by CLARIFIED New Utleans sugar, a cheap Used boundary activity of the purpose, we are now pre-by conserving the sugar, a cheap inter and boundary of the purpose, we are now pre-by conserving the purpose, we are now pre-by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of by Coloridge, Southey and Lovella st the seat of their experiment of human perfectibility, which and be in prosted at Arabics there are and the present to construct the best hands employed. Repairing present of carry into execution. There is, in fact, in the beautiful name of this river and in the in-be is present to construct the best hands are seen at the beautiful name of this river and in the in-be is present to construct the best hands are the most present to construct we present to construct the best hands are the most present to the most present to construct the beautiful name of this river and in the in-ter the sector of its granteur and lovelinest

FORTRES MOMEOF, Aug. 11. Commodore Porter's fleet still remains at an chor in Hampton Boads, and is not at Harri-son's Landing, as has been published.

Son's Landing, as has been published. Much satisfaction has been lately created in Norfolk, Suffolk and vicinity by the late de-termination of the United States Generals in command there to compel every citizen to take the oath of allegiance to the Government, or at once leave and seek protection under the so-called "Confederate" Government, which "ppears to be more congenial to their rebellio nature.

nature. The mail boat John Tucker came down this alternon but brings no definite news. Fome rumors have been set affinat since the arityed, but they all appear to be unfound d: The Elm City and Rensebee came down the river to day with sick soldiers from the army boadiate to go North.

hospitals to go North. The mail boat was completely loaded with

passengers, discharged coloiers, recruiting offi-cers and some 400 musicians, who have been mustered out of service

# FROM TENNESSEE. GUERILLAS ROUTED.

COLUMBIA, Tenn., Aug. 12.

Secretary Stanton received the following dra-patch from Columbia, Teun., to-d.y :

and an elevated placed unsurpassed in lovel-ness in the wide world, with the little Paxton the guerilles in greatly superior numbers ex-of land. Here he settled, and the ferry across below Williamsport, detesting the enemy in the river at the entrance of the Cumberland each effort with considerable loss. Our loss was
