A MODEL RETABLISHMENT.—Among the many improvements lately made in our city, to which we can point with pride as an evidence of prosperity and as a determination on the part of our business men, no longer to remain behind the "light house," is the completion of Eby & Kunkle's large brick building at the corner of Market and Fifth streets, which is alike creditable to the owners and ornamental to that part of our city.

WHIS Institution, founded in 1829, is designed to prepare boys thoroughly for college or for a business lies. He is not buildings are large and commodius, and the grounds embrace more than thereon acres. Both of the Principals devote their whole time to the reboot, aided in the department of Instruction by competent teachers. The military instruction and drill, (under the charge of an experienced Instructor,) is arranged so as not to interfer with the regular stadies, occupying a part of the time appropriated to exercise and recreation.

Pupils are received at our time and charged only from the date of admission. Tanges:—\$126 00 per session of five months.
