rebel officers, 211.

THE STRENGTH OF THE REBELS. In estimating the strength of the rebel

armies, we must be guided entirely by the extent of the population of the south, confining that estimate entirely to the white men of the rebel states who are able to bear arms. -Between the ages of fifteen and fifty, there are now in the south, 2,090,000 men supposed to be able for military service, so that of this number, if the rebels can put 1,000,000 men in the field, they may be regarded as doing their very best, and have of course no reserve for the support of such a force. The peculiar advantage, however, which this million of men are supposed and known to receive from the slaves. One million of men in the field, on the hundred thousand men on the part of the government, simply because the volunteer and regular of the government service are compelled to do the menial work of the camp and the hospital, and at the same time dig in the trenches or hew timber for the fortifications and the embrasures. By the support of the slaves, the traitor armies of the south have been enabled to perfect themselves in the art of war to a degree which has given them considerable advantage. Debar them of this aid-cut them off from the support of the negroes, force the rebel recruit to perform the menial work of the camp, and you hasten his demoralization, if not utterly unfit him for service as a soldier .sist it as madly as he has been rashly taught to river. repel what he insanely terms "Lincoln's gov-

ernment.'' While thus opposing force to force, on equal terms so far as numbers are concerned, our government must remember that every man in the rebel ranks is a soldier, required to perform no other labor but that pertaining to his mili- in the town to be burned to prevent the tary duty. With the soldiers of the Union, the case is different. He is expected and comthe case is different. He is expected and comprobably worth two hundred thousand dolpelled to do a thousand things reserved for lars. The hemp and factory of McGrew alone the slaves to perform in the rebel ranks. And with this fact before us, the question suggests on which was an insurance for \$23,000. itself, why should not the black men of the north be permitted to do the same labor for the Union men now in arms? That service would be voluntarily performed, and until it is accepted, we must either double our forces or fight the rebels at great disadvantage.

FRANK HUGHES, with an audacity peculiar to his traitorous proclivities, recently wrote to Secretary Seward, enclosing a copy of his "Democratic Address" and his call for a meeting in Independence Square, Philadelphia, for the changes will make the proper correction of this purpose of celebrating the anniversary of the adoption of the Federal Constituton. The idea of thus appealing to the Secretary of State, is in keeping with all the low tricks of Hughes. He sought to entrap Mr. Seward, or perhaps induce him to admit that the address and the Republican, has been renominated as the Union | call for the meeting were both treasonable, Republican candidate for the Legislature, in whereupon, Hughes and his coadjutators could Fulton county. Mr. Sellers is deserving of the raise the cry that the government had refused the people the liberty of assembling in any people of his district. In the last Legislature place, for the purpose of commemorating an important event in America's history. But Secretary Seward is too shrewd for mountebank Hughes. He neither approved or disapproved of the address or call—admtes that Hughes can do as he pleases to a certain extent, but reminds John Rowe has been made the candidate for him that by his course dissension is increased the Legislature in Franklin county, so that in and embarrassments augmented, where union

and harmony would otherwise prevail. It was not necessary for Frank Hughes to publican and the other an indomitable Union have written to Secretary Seward on the sub-Democrat. Mr. Rowe is among the ablest ject of celebrating the anniversary of signing able portion of the day. The appointees were legislators in the Commonwealth, and has done the Constitution. The people of Philadelphia will not honor that occasion at the summons of their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such their duty without fear or favor, was duly administrated to such the fear or favor. government in its present struggle with a trai- a demagogue such as he has proven himself to ministered to each.
