DR. JOHNSON BALTIMORE LOCK HOSPITAL

AS discovered the most certain, speedy DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS. No Mercury or Noxious Drugs. A Cure Warranted, or no Charge, in from one to Two Days.

Weakness of the Back or Limbs, Strictures, Affections of the k idneys and Bladder, Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembilings, Dinness of Sight or Giddiness, Disease of the Heard, Throat, Nose or Skin. Affections of the Liver, Langs, Stomach or Bowels—inose terrible disorders arising from the Solitary Habits of Youth—those smore and solitary practices more fatal to the frottime than the song of tyrens to the Mariners of Clysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

Young Men

Especially, who have become the victims of Solitary
Vice, that dreadful and destructive habit which annually sweeps to an unlimely grave thourands of Young
Men of the most exalted talents and brilliant intellect,
who might otherwise have entranced listening Senates
with the thunders of eloquence or waked to ecstasy the
living lyre, may call with full confidence.

Marriage.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

organic Weakness

mmediately Cured, and full vigor Restored.

This distressing Affection—which renders I fie miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. New, who that understands the subject will pretend to deap that the power of proorcation is lost sconer by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervious Irratibility, Dyspepsia, Paintanton of the Heart, Indigestion, Constitution: 1 Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death.

Take Particular Notice.

Dr. J. addresses all those who have injured themselves by improper indulge oce and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marrisgs.

These are some of the sad and melancholly effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palvitation of the heart, Dyspey, Nervous Irratibility, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

METTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evi Forbodings, Averson to Soutety, self Distrust, Love of holitude, Timidity, &c., are some of the evils produced.

Thomanne of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emediated, having a singular appearance about the eyes, cough and symptoms of consumption.

Young Men

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes standowed with despair and filled with the melanoidity reflection that the happiness of another becomes blighted with our own.
