HARRISBURG, PA.

Friday Afternoon, August 29, 1862.

FIRE.—Several houses caught fire this morning in Mulberry street, caused it is said, by sparks from a locomotive. But little damage was done.

DRUNK AND DISORDERLY.—Mac McCallum was before the Mayor this morning for drunk and disorderly conduct. He was sent to jail for ten days to sober up.

NEW COUNTERFEIT.—A new counterfeit ten dollar note on the bank of Montgomery county, Pennsylvania, is now being circulated.

PREPARATION FOR THE DRAFT.—The enrollment is progressing as rapidly as the officers can push it forward, and will be completed in a very short time, when we will know exactly what number of men each district has in the army, and what it must furnish in the draft to be made.

PROSECUTING SUBSTITUTES IN ANTICIPATION OF THE DRAFT.—An important order has been issued by the War Department relative to the procurement of substitutes in anticipation of the draft.

ROBERTY.—A Jew named Charles Goulding was arrested last night, charged with attempting to rob a young man who was stopping at Buck's Hotel.

RELIEF OF THE SICK AND WOUNDED SOLDIERS.—A meeting of the ladies of Harrisburg will be held at the Public School Room in Walnut street, (near Front street) on Saturday next, at 8 o'clock, P. M., to adopt more efficient plans than are now used to give relief to the sick and wounded soldiers at Camp Curtin.

PAY OF OUR SOLDIERS.—No soldiers in the world were ever paid so liberally as those now in the service of the United States, leaving out of the question the bounties paid them as recruits and the land donation which the government is sure to bestow upon them at the close of the war.

PICKPOCKET ARRESTED.—Bold Attempt at Highway Robbery.—Last night officer Campbell's attention was called to the operations of an individual who was performing the duties, as he is called, of "detective police."

ALMOST A BAD OCCURRENCE.—Passing down Market street last evening, it occurred to us to stop in at Brant's Hall, where the air is at all times pleasant—a great consideration in these days.

FOUND.—A pair of gold spectacles was found on Market street this afternoon, which the owner can have by calling at this office and paying for this notice.

MILITARY RELIEF FUND.—The regular weekly payment will be made this (Friday) evening, at the Sheriff's Office in the Court House.—Hours from four to half past six. GEO. BEBBER, President. O. EDWARDS, Sec'y.

MAJOR OF THE 136TH REGIMENT.—Charles Ryan, of Elkland, Tioga county, having been unanimously elected Major of the 136th Regiment, and was this morning mustered into the service of the United States. The Major is one of the most active defenders of the Union in Tioga county, and has many friends in this city who will rejoice at his appointment.

PASSED THROUGH.—The New York 7th regiment passed through this city last evening, en route for home, the term of their enlistment having expired. The regiment had been stationed in Baltimore during their whole term of enlistment, (three months), and have made many friends in that city. The men were all in good health, only four of the entire command (about eight hundred in number) being reported unable to discharge duty.

TEMPERANCE.—Leonidas Allen, the "soldier's friend," arrived in this city last evening from the army of Virginia, where he has been very successful in lecturing to the troops on the subject of temperance. Mr. Allen was received very kindly by our citizens about a year ago, and may be induced to deliver one of his popular lectures before he returns to the Army. He is now engaged in writing out his "Pencilings of a temperance lecturer in the Grand Union Army," for publication.

OUTRAGE ON A DEPUTY MARSHAL.—Mr. John Johnson, an old and respectable citizen, Deputy Marshal for Bell township, Westmoreland county, was assaulted in the discharge of his duties, on Friday last, by a man named Samuel Carnahan. It appears that Mr. Johnson had nearly completed the enrollment of the militia of Bell township, and was at the house of Peter Bear, and began enrolling the names of those present. He was assailed with abusive epithets, and his horse was loosed and driven off twice. While remonstrating against such treatment, Carnahan attacked him with a dung fork, and struck him over the head, cutting through his hat, and inflicting so severe a wound that it is supposed he bled over a quart. His book was entirely destroyed, most of the names being obliterated by the blood. An example will no be made of Carnahan.

RELIEF OF THE SICK AND WOUNDED SOLDIERS.—A meeting of the ladies of Harrisburg will be held at the Public School Room in Walnut street, (near Front street) on Saturday next, at 8 o'clock, P. M., to adopt more efficient plans than are now used to give relief to the sick and wounded soldiers at Camp Curtin. It is considered desirable to obtain more system and completeness in supplying what is needed for the comfort and convalescence of these suffering men. It is therefore earnestly desired that the ladies of all denominations will meet promptly, as above, to consider and act on some plans for the object proposed.

ALMOST A BAD OCCURRENCE.—Passing down Market street last evening, it occurred to us to stop in at Brant's Hall, where the air is at all times pleasant—a great consideration in these days. We sauntered about the saloon, and observing a neat pedestal, that appeared to us as if it was intended for a choice seat, we were about sitting down our frame upon it, when Col. Ellinger suddenly exclaimed, "My dear sir, do you wish to ruin me, and blight the expectations of an eager world?" Astonished at the suddenness and novelty of the question, we meekly asked if our conduct suggested such an intent. In obedience to the Colonel's request, we strengthened our sight, and scrutinized the object below us, bending our portly frame to assist our examination. Lo! that inviting pedestal was alive, and moved before us, reaching up with its tiny hand to about the altitude of our boot top in deprecation of the weighty pressure we had been about to exert upon it! A moment more, and our friend's parcel would have been crushed to earth, that living human miracle, Commodore Foote! We endeavored to apologize, but our most graceful attempts at bowing and genuflection were such huge and uncouth antics in the sight of the Commodore, that we gave over our efforts to explain our mistake. At last, when the worthy atom had been elevated upon the platform, we managed to establish a communication, and to convey to him the idea that we really couldn't be expected to observe with distinctness so minute an object as so great a distance. Reader, just think of it—he is only 28 inches in height, and 21 years of age. We most seriously warn our readers, who are certainly all going to the Commodore's levees, to look out very sharply for him; if they do not, they will be sure to pass by him, or step over him, or glance beyond him, and, coming away disappointed, report that he was out when they called to see him. The Commodore will be assisted in his levee to-night by Col. Small, another diminutive specimen of humanity; and others. No person should fail to see these wonderful dwarfs. Afternoon levees commencing at 8 o'clock, at night at 9 o'clock.

COURT PROCEEDINGS.

TUESDAY AFTERNOON SESSION. The Court met at two o'clock. After some time the Grand Jury appeared and presented the following report, viz:

To the Honorable Judges of the Court of Quarter Sessions: We, the under-igned Grand Jurors of Dauphin county, do present, that having examined a large number of bills and passed thereon, regard exceedingly that there are so many cases of a trivial character brought up before court, thereby putting the county to a great expense, especially at the present time, we are called upon to exhibit our charity, (very justly, too) in the maintenance of the families of those persons who have left home with all their belongings, at their country's call, and are offering their lives on the altar of liberty; and for the maintenance of good government, and also, the paying of bounties to the volunteers who have recently left for the seat of war. With all these expenses, and the debts of the county gradually increasing, there can not be too much care taken in guarding and husbanding the interests of the county.

We have examined the order to view and the report of the viewers on the site of the Turnpike bridge, at Middletown across the Swatara creek. Also, the bridge at Nisley's Fording, on said creek; the bridge at Behm's mill, on said creek; the bridge on the turnpike road near Hummelstown, on said creek; the bridge near Hummelstown, on South Hanover and Derry townships, on said creek; the bridge at Union Deposit, on said creek; the bridge at Landermilchs, on said creek; and also, the bridge across Wisconsin creek, in Upper Paxton township; and order all of said bridges to be built; but leaving it to the discretion of the County Commissioners when they shall be built, to be governed by the financial condition of the county.

We have acted upon the bill of expenditures made by the County Commissioners, in giving relief to the families of those persons who have gone into the army, of which we approve, and recommend a continuance of the same; with a further recommendation that the relief be continued to the families of those persons who have died in the service, until further provided for.

We would call the attention of the court to the Ridge Road, in front of "Bastian's House," as in need of such repairs as will properly drain said road.

The Jonestown road, near the residence of "Amos Fisser," is represented to be in a very bad condition, dangerous to the traveling public, and should be repaired. We approve of the loans effected by the county commissioners, as a fund to be, or already paid to the volunteers of this county as a bounty, and that the county commissioners are entitled to a reasonable lively hire on official business.

We have visited the county prison and county almshouse and find both of these institutions in a good condition, and believe that the interest of the county in the charge of them, by persons having charge of them. We recommend that the court should instruct the supervisor of Lower Swatara township to open a road called the Hickory Tree road, as needed by the traveling community.

H. STEWART WILSON, Foreman. The report having been read by the Prothonotary, the Judge discharged the Grand Jury, with the thanks of the court, for the faithful discharge of their duties, remarking at the same time that notices would be served on the respective parties, to have their suggestions carried out. Nothing further of note was transacted in the afternoon.

THAT PATRIOTIC SERMON.—From the correspondence published here, it will be observed that the Rev. Thos. H. Robinson, of the Presbyterian church, has consented to repeat a sermon delivered last Sunday on the "State of the Country," on next Sunday evening. We have already expressed our opinion in words of admiration upon the sermons delivered by this talented minister of the gospel, and at this time only direct special attention to the letter of Mr. Robinson in reply to that of Governor Curtin and other prominent gentlemen. His letter speaks for itself in language not to be misunderstood. Let every one read it!

HARRISBURG, August 27, 1862.

To the Rev. T. H. Robinson,

DEAR SIR:—The undersigned, believing that a repetition of your sermon, delivered on Sunday last, would be productive of a happy and beneficial effect, respectfully solicit you to fix a time and place at which its delivery can be attended by the entire community.

We cannot refrain from joining with this request, the expression of our admiration for the able manner in which you have defended the cause of the Government in this, the darkest hour of its peril. It shows that the patriotism of the pulpit is as influential for victory as are the struggles in the field; for, without its approval and prayerful aid, the success of the best cause would be rendered indeed uncertain.

Your friends, respectfully,

A. G. Curtin, Wm. Forney, A. L. Russell, Chas. L. Bailey, W. W. Irvin, Thos. T. Wierman, John J. Pearson,

HARRISBURG, August 27, 1862.

To His Excellency, Gov. A. G. Curtin, Gen. A. L. Russell, Hon. J. J. Pearson, Wm. W. Irvin, T. T. Wierman, D. Washbaugh, Wm. Forney, Chas. L. Bailey, W. T. Hildrup, Theodore Adams, Henry Gilbert.

GENTLEMEN:—If any words of mine can strengthen that cause which is dear to every loyal citizen, I should hold myself false to country and to God if I declined to utter them whenever any of my countrymen called for them.

Accept my grateful acknowledgement of your kind words, to myself personally. Believing, as I do, that the firmest support which Government can possess is found in the conscientious adherence of its subjects to it: As an ordinance of God, I deem it my imperative duty, as a minister of the Gospel, to use my position in quickening the patriotism and loyalty of the people, by feeding their enthusiasm for country with the fuel of high christial principle and intelligent duty. I would have it understood, now and forever, so far as my voice can reach, that human government is not a National Government—not a toy to be sported with capriciously, or a child's playhouse, to be built up and pulled down at pleasure, but an institution built up in the name of God, and by his authority, and that the highest voice of christianity calls upon all people to vindicate Government as God's ordinance, to restore the supremacy of law, and to brand rebellion as equally a sin against God and a crime against men.

It will give me pleasure to repeat the discourse upon next Sunday evening, Aug. 31st, in the Presbyterian Church, corner Market Square and Second Street.

Yours, very truly,

T. H. ROBINSON.

THE COMER.—The celestial stranger which has attracted general attention for several nights past, continues to grow "small by degrees and beautifully less." He is making rapid progress, and soon the long tailed visitor will cease to be visible to the naked eye.

THE DEMANDS ON SOCIETY.—A decent respect for our personal appearance, and to be comfortable is an instinct of our nature, while some perhaps did not admit the first proposition, we think none will object to the second, and now as we have the disposition and have made up our minds to comply with the reasonable demands of society, the next question is what all this talk is about. Reader, the intention is to inform you of the large stock of Fall and Winter Dry Goods, just received at USTON & BOWMAN'S, consisting in part of Cloth Cloaks, Silks, Satin faced Valenciens, Wool plaid and at prices much below the ruling wholesale rates of today. Don't forget our Cloth, Cassimeres and Vestings. We study to please. aug28d2t.

A MODEL ESTABLISHMENT.—Among the many improvements lately made in our city, to which we can point with pride as an evidence of prosperity and as a determination on the part of our business men, no longer to remain behind the "night house," is the completion of Eby & Kunkle's large brick building at the corner of Market and Fifth streets, which is alike creditable to the owners and ornamental to that part of our city.

The building is not only one of the largest, devoted to the grocery business, outside of New York, but the stock challenges competition.—Without going into detail, we may safely say that the firm keep on hand everything usually kept in a grocery store, (liquors excepted), and that they sell at very small profits. Their clerks are civil and accommodating, and have strict instructions under no circumstances whatever to misrepresent or take advantage of any customer. A general invitation is extended to the public to visit the new building and examine the extensive stock, whether they purchase or not.

WE HAVE received a large assortment of hoop skirts, from 75c. up to \$2 50. A large assortment of linen and needlework collars, and collars and sleeves, at all prices. White cambrics, jacconets, muslins, brights, and plain and figured Swiss muslin, at all prices. The finest lot of embroidered French cambric handkerchiefs brought to Harrisburg—of infant's waists we carry a large assortment. Ladies' and gentlemen's linen pocket handkerchiefs, ladies' stockings, gentlemen's one half hose, and children's stockings of all descriptions and prices. Twenty pieces of carpet to be sold cheap. Kentucky jeans, sattinets and cassimeres for men and boys' wear. We received 50 dozen suspenders, at all prices. 50 dozen cotton handkerchiefs, with borders, and a great many other notions and small wear. S. Lawry.

TO THE AFFLICTED.—The undersigned respectfully inform those who are afflicted with Rheumatism, Dyspepsia, Consumption of Liver and Kidney, Coughs, Fevers, and all diseases arising from impurity of the blood, that she is prepared to furnish Mrs. Westhoven's German Vegetable Medicines at very moderate rates. I have also on hand a quantity of invaluable Salves for Sore Eyes, Frozen Feet and Piles. References can be furnished as to their wonderful efficacy, whenever called upon. There need be no apprehension in regard to my competency in administering it, as I have had it on hand for the past six years. As they are now sold at reduced prices, no family should be without them over night. They can be had at any time at my residence, in Pine street, between Second and Front. MRS. L. BALL.

Mrs. BALL.—Six years since I was afflicted with the dyspepsy, liver complaint and inflammation rheumatism. Physicians failed to afford any relief. I then took of your vegetable medicine and was cured in a short time. Two years after I took the fever and ague, and again you cured me. I am now entirely restored to health. I have no hesitation in declaring that I believe they are the best family medicines ever offered to the public; let them be tried, their virtues will speak more for them than I can. My residence is in Pine street between Second and Third. MARY M. ZANON.

TO THE YOUNG OR OLD.—If you have been suffering from a habit indulged in by the YOUTH OF BOTH SEXES, WHICH CAUSES SO MANY ALARMING SYMPTOMS, AND WHICH IS THE GREAT EVIL WHICH CAN BEfall MAN OR WOMAN.
