The city of Harrisburg, dividing the quota in and small wear. its proper proportion, will have to furnish some two hundred more men, whilst the other eight hundred will necessary come from the townships that have furnished very few. We would therefore suggest to our citizens the propriety of making proper arrangements at once to raise the required number by holding out additional inducements for enlistments. Let those who are not able to go 'themselves, at once set to work and raise men and money to accomplish the desired avoidance of a draft. We can easily avoid it if we make up our minds to do so. It is the duty of every loyal man to aid the Government, and we are certain that these suggestions will receive a hearty response from every citizen of this county.

To the Afflicted. The undersigned would respectfully in
