Of all the discoveries that have been made to purge it out, none have been found which could equal in effect ATRI'S COMPOUND EXTRAOT OF SARRAPRILLA. It cleanes and renovates the blood, in stills the vigor of health into the system and purges out the humor which make disease. It stimulates the healthy unotions of the body and expest the disorders that grow and rannels in the blood. Its extraordinary virtues are not yet widely known, but when they are it will no longer be a question what remedy to employ in the great varlety of afflicting diseases that require an alterative remedy. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit certificates to show its effects. But the trial of a single botte will show to the sick that it has virtues surpassing anything they have ever taken. Sufferers from Scrofula, Ecrofulous Swellings and Sores, try it, and see the rapidity with which it cures.
