#### PURIFY THE BLOOD.

NOT a few of the workt disorders that OT a few of the worst disorders that afflict mankied arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purge it out, none have been found which could equal in elect Ayan's Confound Karakor of Sarakarahlla. It cleames and renovates the blood, instills the vigor of health into the system and purges out the humor which make discase. It stimulates the healthy unctions of the body and expels the disorders that grow and rankle in the blood. Its extraordinary virtues are not yet widely known, but when they are it will no longer be a question what remedy to employ in the great variety of afflicting diseases that require an alterative remedy. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit certificates to show its effects. But the trial of a single botte will show to the sick that it has virtues surpassing anything they have ever taken. Sufferers from Scrofula, Scrofulous Swellings and Sores, try it, and see the rapidity with which it oures. Skin Diseases, Pimples, Poclules, Bloches, Eruptions &c., are soon cleaned out of the system.
