GEN. VAN DORN SUPERSEDED

Gen. Earl Van Dorn has been superseded in the command of the army recently engaged with the enemy at Corinth, and Major General J. C. Pemberton assigned to the command of that portion of our forces. We are not advised whether the loss of the battle at Corinth had anything to do with the change of commanders.

THE CONSCRIPTS.

In view of the immense preparations of the North for Southern subjugation, it is the evident duty of the Government to avail itself of all the means of resistance which Congrese has placed in its hands. The forces authorized by the late extension of the conscript law, if not called into the field, ought at least to be thoroughly organized and regularly drilled, so as to be fully prepared for the time when their presence in the field will be required. The im-portance of this must have suggested itself al-ready to the Government, although we should like to see some indications of the fact. The war is assuming more formidable proportions THE MINOR'S BANK of Pottsville, in the county of Schuyikill, hereby give notice that they intend to apply to the Legislature of Pennsylvania at their next session, for a renewal of their charter.
