THE language of nature and experience demonstrates, that whoever would enjoy the pleasures of food—the beauties of landscape—the joys of companionship—the richness of literature—or the honors of station and renown—must preserve their health.

THE stomach is the receptacle of all nourishment, and the fountain from which all parts of the body derive sustenance. The effect of food injurious food entering the stomach, is to derange the digestive organs, and produce headache, loss of appetite, unrefreshed sleep, fetid breath, low spirits, feverish burnings, constipation, incapacity to perform any mental or physical duty, &c., and are the symptoms of that horrid disease.

PENNSYLVANIA SS: In the Name and by the Authority OF THE COMMONWEALTH OF PENNSYLVANIA, ANDREW G. CURTIN, GOVERNOR OF THE SAID COMMONWEALTH.

A PROCLAMATION. WHEREAS, It is a good thing to render thanks unto God for all His mercy and loving kindness:

Therefore, I, ANDREW G. CURTIN, Governor of the Commonwealth of Pennsylvania, do recommend that THURSDAY, THE 27th DAY OF NOVEMBER NEXT, be set apart by the people of this Commonwealth, as a day of solemn prayer and Thanksgiving to the Almighty:—Giving Him humble thanks that He has been graciously pleased to protect our free institutions and Government, and to keep us from sickness and pestilence—and to cause the earth to bring forth her increase, so that our harvests are abounded with the harvest—and to look so favorably on the toil of His children, that industry has thriven among us and labor had its reward; and also that He has delivered us from the hands of our enemies—and filled our officers and men in the field with a loyal and intrepid spirit, and given them victory—and that He has poured out upon us (albeit unworthy) other great and manifold blessings:—

Respecting Him to help and govern us in His steadfast love and care, and to put into our minds good desires, so that by His continual help we may have a right judgment in all things:— And especially praying Him to give to Christian churches grace to hate the thing which is evil, and to utter the teachings of truth and righteousness, declaring openly the whole counsel of God:—

And in a heartily entreating Him to bestow upon our civil rulers, wisdom and earnestness in council, and upon our military leaders, zeal and vigor in action, that the fires of rebellion may be quenched—that we, being armed with His defense, may be preserved from all perils, and that hereafter our people living in peace and quietness, may, from generation to generation, reap the abundant fruits of His mercy, and with joy and thankfulness praise and magnify His holy name.

Given under my hand and the Great Seal of the State, at Harrisburg, this Twentieth day of October, in the year of our Lord one thousand eight hundred and sixty-two, and of the Commonwealth the eighty-seventh.

BY THE GOVERNOR: ELI SLIFER, Secretary of the Commonwealth.
