HARRISBURG, PA. Wednesday Afternoon, November 19, 1862

A WORD WITH OUR PATRONS. The newspaper fraternity are more or less exercised at the sudden rise of printing materials...

THE ONLY PATH TO PEACE. The Washington Daily Morning Chronicle admits that at least all sides seem to agree that the only path to peace is through the bloody waste of war.

A TRICK OF THE ENEMY. It is now positively asserted that the iron-clad fleet which is being built in England, for the traitors in this country, cannot possibly be ready for use on our coast in less than six months.

BEHAVED THEM RIGHT. At Ozkanski, Wisconsin, the rioters who attempted to resist the draft, and destroyed several private residences, have been arrested...

THE LEGISLATION THAT IS TO COME.

The proceedings of the approaching short session of Congress, and the annual meeting of the Legislature, will have a lasting influence on the career and fortune of the country.

Important Naval Preparations.

Probability of an Attack upon Charleston. Plans for Capturing Rebel Ports.

[Special Despatch to the Evening Post.] WASHINGTON, Nov. 18.

It is believed here that an attack upon Charleston will not be long postponed. The rebels have been making preparations for the attack for several weeks, and if they are to be believed, will not surrender the city simply because it may be the mercy of one of our iron clads.

The preparations for attack are so perfect that there can be no doubt whatever that one or more iron-clads will succeed in approaching the town, at least within shelling distance.

FROM NEW ORLEANS.

The steamer Potomac, from New Orleans on the 7th inst., arrived at this port this morning. The U. S. frigate Hartford and gunboat Richmond had arrived at New Orleans.

In the Name and by the Authority OF THE COMMONWEALTH OF PENNSYLVANIA.

ANDREW G. CURTIN, Governor of the said Commonwealth, A PROCLAMATION.

WHEREAS, I have received authentic information that First Lieutenant Josiah Baughman of Company D, 138th Regiment, Pennsylvania Volunteers, in the service of the United States, whilst endeavoring to arrest a deserter from his company named Henry Rowland, near Chaneyville, Southampton township, Bedford county, in this State, was on the eleventh day of the present month shot by the said deserter and has since died from the wounds so inflicted; AND WHEREAS, all efforts for the arrest of the said Henry Rowland have so far proved ineffectual; AND WHEREAS, this high-handed outrage resulting in the death of a brave and faithful officer, in the performance of his duty, calls for condign and speedy retribution and makes it incumbent upon the State to extend her aid in securing a vindication of the laws, and certain punishment as a terror to evil doers; now, therefore, I, ANDREW G. CURTIN, Governor of the said Commonwealth, do issue this, my proclamation, hereby offering a reward of FIVE HUNDRED DOLLARS, to any person or persons, who shall take and deliver up for trial, the murderer of the said Lieutenant Josiah Baughman, to be paid upon the conviction of the criminal. And I do hereby invoke the vigilant and active efforts of all officers of justice, and all good citizens, in securing the apprehension of the murderer.

Given under my hand and the Great Seal of the State, at Harrisburg, this eighteenth day of November, in the year of our Lord, one thousand eight hundred and sixty-two, and of the Commonwealth the eighty-seventh. A. G. CURTIN. BY THE GOVERNOR: ELI SLIFER, Secretary of the Commonwealth.

STERLING'S AMBROSIA FOR THE HAIR.

A HANDSOME HEAD OF HAIR is a crown of glory. With proper care and culture it will last as a protection to the head as long as the nails do to the fingers, or the eyelashes to the eyes. STERLING'S AMBROSIA is the only article yet discovered that will bring about the desired result. It is a preparation the result of science and experiment; the science point-out what was needed, and experiment finding the required properties in certain roots, herbs, and oils. It has consumed a long time in its preparation, has been tested by persons of most undoubted reliability in this city, and is by them pronounced perfect, and the only satisfactory article, and is now offered to the public. The proprietors, determined to give it the most thorough tests, practical and chemical, and now certain that it will make the hair grow luxuriantly on Bald Heads, Preventing Greyness and Baldness, Reinvigorating and Beautifying the Hair, rendering it soft and glossy.

DR. STERLING'S AMBROSIA is a stimulating, oily extract of roots, barks, and herbs, and, aside from its neatness, permanency, and gloss, it is medically adapted to preserve and add to the beauty of the hair. The only article yet discovered that will Cure the Disease of the Scalp, and cause the Hair to Grow.

CERTIFICATES.

This is to certify that about eighteen months ago, I commenced using STERLING'S AMBROSIA. My hair was short, thin and rapidly falling out. I had tried many Hair Tonics, Invigorators, &c., without receiving any benefit. Soon after using the Ambrosia, my hair ceased falling out, and commenced growing so rapidly as to astonish me. Now my hair is thick, soft, and glossy, and is five feet four inches in length—when let down, reaching to the floor. This wonderful result I attribute solely to the use of STERLING'S AMBROSIA, as since I commenced using it I have applied nothing else to my hair.
