Ayer's Cathartic Pills. THE sciences of Chemistry and Medicine have produced that most perfect purgative which is known to man. Innumerable proofs are afforded that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprejudicedly upon the best of all men. They are safe and pleasant to take, and powerful to cure. Their purgative properties stimulate the vital activities of the body, remove obstructions of its organs, purify the blood, and expel diseases. They purify the foul humors, which breed and grow a distemper, stimulate sluggish and weakened organs in their natural action, and impart healthy vigor to the whole system. Not only do they cure the every day complaints of every body, but they also cure all the dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being unobnoxious, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Great care has been taken to secure the most perfect quality of the ingredients, and to secure the most perfect quality of the pills. They are sold by all the druggists and physicians, and their names are everywhere known. They are sold by all the druggists and physicians, and their names are everywhere known.
