Aver's Cathartic Pills.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upn the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the hody, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate singuish or disordered organs into their natural action, and impart healthy for what strength to the whole system. Not only do they cure the every day complaints of every body, but also formidable and dangerous diseases that have bailed the best of human skills. While they produce powerful effects, they are at the same time, in diminished does, the safest and best physic that can be employed for children. Being sugarcoated, they are pleasant to take; and being purely we etable, are free from any risk of harm. Cures have been made which surpass bellef were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent me the assurance of their conviction that our Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The agents below named are pleased to turnish gratis our American Almanate, containing directions for the use and certificates of their cures, of the following complaints:

Costiyness, Bilons Complaints, sheumatism, Dropsy, Hearthway Leacher and the surpass and certificates of their cures, of the following complaints.

Costivness, Bilious Complaints, Kheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid inaction of the Bowels and Pain arting therefrom, Flatulency, Loss of Appetite, all Discusses which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they would reach, such as Doifness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.
