THE West Branch Insurance Company, located at Lock Haven, Lycoming county, has failed and appointed assignees.

REV. JAMES G. CARNOGIE, of Troy, will preach in the Old School Presbyterian church, to-morrow, morning and evening.

LOCUST STREET M. E. CHURCH.—The regular public services will be held on to-morrow at the usual hours. Rev. B. S. Hill will preach in the morning, and Rev. T. H. Robinson in the evening.

FREE BAPTIST CHURCH.—Owing to the absence of the pastor no discourse will be delivered in this church to-morrow. A prayer-meeting will be held in the evening, commencing at 7 o'clock.

THE Seventy-ninth regiment P. V., arrived at Louisville, Ky., yesterday, on its way home. It may be expected here in a few days. The 79th is commanded by the gallant Col. Hambright.

A SOLDIER was relieved of about \$80 in greenbacks, in the vicinity of the market houses, this morning. No doubt the "professionals" attend market and mix in the crowd.

REV. Mr. Fox, of the German Reformed Church, will preach in the English language, to-morrow (Sunday) forenoon, at 10 1/2 o'clock, in the Good Will Engine House, Ridge Avenue. The public is invited to attend.

AMUSEMENTS.—There are now five places of amusement open in our city, and all doing a thriving business. A sixth will be open in a few days. Who says Harrisburg is not in a "flourishing" condition?

THE Parke House, on Market street, between Third and Fourth, is offered for sale. This is an excellent business stand, with a large run of custom, and its admirable location recommends it to capitalists. See advertisement.

THE Second Lutheran Congregation will hold divine services in the Orphans' Court Room, in the Court House, to-morrow morning at 10 1/2 o'clock. The Sunday School will be held in the same place in the afternoon, at 1 1/2 o'clock.

A CHOICE lot of fancy chickens, raised from premium stock, will be sold at Hoffman's sale, on Tuesday. They are all fine specimens of the choicest varieties, embracing Black Spanish, Silver Poland, Black Poland, and Nankin Bantams.

THE Lochiel Rolling Mill company advertise for proposals for erecting fifty dwelling houses. We also learn that a company of capitalists intend erecting a block of dwellings 270 feet in length, in the vicinity of the Round House, the ensuing season. This is evidence of the prosperity of our city. Let the good work continue.

A SPECIAL MEETING of the City Council will be held this evening, at 8 1/2 o'clock. The members are requested to be punctual in their attendance, as matters of interest will be acted upon. It is rumored that the ordinance relative to the present market hours will be repealed. The Sixth Ward Councilman question will also be settled.

SUNDAY ALWAYS.—By different nations every day in the week is set apart for public worship; Sunday by Christians; Monday by the Greeks; Tuesday by the Persians; Wednesday by the Assyrians; Thursday by the Egyptians; Friday by the Turks; Saturday by the Jews. Add to this the diurnal revolutions, and it is apparent that every moment is Sunday somewhere.

MARKET was attended by the usual rush and jam, this morning. Prices were enormous. Think of 40 to 60 cents per pound for butter; \$1 to \$2 per pair for chickens; 15 to 20 cents per pound for beef, pork, veal, etc.; 10 to 25 cents per root for horse-radish; 50 to \$1 a-piece for pups; \$1 to \$2 for a one-horse wagon load of wood; and other articles at equally high rates. As soon as the bell tapped there was a general grabbing for marketing, regardless of prices—every person seizing the first article he wanted, lest he would obtain none. Our country cousins, seeing the eagerness with which their goods were taken, asked immense prices. Did purchasers exhibit a little hesitancy in regard to buying, they would be enabled to obtain what they want at lower prices. As long as they are willing to pay exorbitant rates they must expect to be imposed upon.

MAJ. GEN. SUGEL passed through this city at noon to-day, en route for the West.

SOME five hundred men belonging to the Pennsylvania cavalry, left for Chattanooga last evening.

SPIRITUALISM.—Samuel A. Paist, blind medium, will lecture in Exchange Hall Sunday, 13th inst., at 7 P. M. Seats free.

AT A MEETING OF THE UNION MEN OF THE FIRST WARD, held last evening, at the Black Horse Tavern, it was unanimously resolved to meet this evening, (Saturday,) at the same place, to nominate ward officers and elect conferees to nominate City Treasurer and School Directors. A full attendance is earnestly requested.

RETURNING HOME.—The Harrisburgers who were captured at Bath, Va., in a skirmish with the rebels, while members of the 20th Pennsylvania Cavalry, have been exchanged, and are at Annapolis. They are expected home daily. We hope the old First City Zouaves will meet them, as a number of them served creditably with that corps during the nine months' service.

A HINT TO FARMERS.—There are three things easily raised and harvested, for which the farmers may depend upon it, there will be an enormous demand and high prices paid during the war. We refer to potatoes, beans and onions. The farmers could not do a better thing for themselves and their country than to plant these vegetables very extensively. If it appears, as the spring advances, that the wheat crop is likely to be short, and that fruit will be scarce, onions, potatoes and beans must be had to fill the vacuum.

POLICE AFFAIRS.—The lock-up contained fourteen occupants last night. They had a hearing before Alderman Kline this morning, on a charge of drunkenness, and were discharged. The following are the names of the party: E. M. Lee, (fined \$1,) Irvin Slagel, (fined \$1,) James E. Moore, Louis Cochran, F. D. Feight, (fined \$1,) John Carrigan, Daniel Irwin, John Laford, George Warner, Charles Hinton, Jacob Fox, Rosanna Gillan, Patrick Gillan and Francis Drew, (fined \$1.) There are no other police items to report to-day.

AN ERROR.—To suppose that every man you see with a gold cord around his hat is a Gigarider Brindle.

ANOTHER.—To suppose that every Copperhead you hear whining about the destruction of the Constitution, has ever read that article.

A THIRD.—To suppose that every one whom you meet with a brick in his hat is a house contractor.

A FOURTH.—To suppose that those Locofoco Editors who blow so much about the worthlessness of Greenbacks will refuse to take the aforesaid "depreciated currency" in exchange for subscriptions.—Exchange.

TRUE PATRIOTISM.—Smith, the "razor strop man," early volunteered in the 104th Illinois, at \$18 per month, though he was making almost a month's pay in a day. He participated in all the engagements of the regiment till the battle of Gettysburg, where he was wounded in the leg, which he came near losing by amputation. He was taken to a hospital and finally discharged, notwithstanding his protest and avowal that he had "one more left of the same sort." Since his return he has been devoting himself to procuring recruits gratuitously.

SANFORD has prepared a splendid programme for to-night and one that will attract a large crowd. Among the other attractions, we notice the Burlesque Circus, in which Dan Sanford Rice will appear as clown, and S. Hall Stickney as ring-master. C. Myer Roger will perform a grand single horse act. There is a fine selection of comic songs, overtures, &c., in which the members of the company will appear. The entertainment will conclude with the Revels' Statue Blanc.

The opera house has been doing a great business. It is crowded every night to overflowing. Those desiring seats must go early.

THE SIXTH WARD COUNCILMAN.—The opera seems to be terribly exercised about the bill recently passed by the Legislature declaring Mr. Morris' seat in council vacated, and charges the Republicans with originating the measure. We have the assurance of a citizen of the Sixth ward, whose Democracy is far more creditable than the "loyal" (?) editors over the way, that the Democrats, with all the good citizens of the ward referred to, having been denied representation by a Democratic Council, sought the intervention of the Assembly in their behalf and obtained it. They feel under many obligations to Messrs. Alleman and Fleming, who interested themselves in the measure—securing its passage—and they tell the Patriot that when the citizens of the Sixth ward choose a councilman they intend selecting a man who will not misrepresent their interests, be he Republican or Democrat. If that paper "calculates" otherwise, we think they will be "slightly mistaken."

A SENSATION STORY SPOILED.—The New Castle Courant spoils the sensation story which has been going the rounds of the press for some days relative to the murder of a soldier at Enon Valley by his wife and paramour. The man did return as stated and discovered the infidelity of his wife, but left the neighborhood, either the same night or early the next morning, and though diligent inquiry was made, was not heard of until Wednesday last, when he turned up, alive and well, at Enon Valley, from whence he went to visit his father in Ohio. His sudden disappearance excited fears in the minds of the neighbors, which were strengthened by the fact that his wife and his paramour had his watch and plenty of greenbacks. All the twaddle about the tight rope performance, and the parties or either of them having acknowledged their guilt or been arrested, was hatched in the excited imagination of a Pittsburg paper's informant. The guilty pair have left for parts unknown.

THE members of the Y. Y. C.'s are requested to meet at their room, this (Saturday) evening, at 7 o'clock, P. M. By order of the President. mar11-d1f

SECOND WARD NOMINATIONS.—Town Council, B. G. Peters; Judge of Election, J. B. Boyd; Inspector, Edward Boyer; Assessor, N. Zollinger; School Director, F. E. Baber; Constable, Moses Fleck; Conferees, George Berger and E. S. Zollinger.

BAPTIST CHURCH.—There will be service in the Baptist church, corner of Second and Pine streets, to-morrow morning, at 10 1/2 o'clock, and at 7 o'clock in the evening. The pulpit will be occupied by Rev. Dr. Loomis, of Lewisburg University. The public are invited to attend. Seats free.

NOTICE TO RECRUITING OFFICERS AND TO ALL PERSONS PRESENTING RECRUITS.—S. S. Child is now ready to make out the necessary papers for the collection of premiums for presenting recruits, and still continues to make out officers' recruiting accounts, pay rolls and all kinds of writings connected with the military departments. Having had much experience in military writings, he is fully capable to transact any kind of business connected with the various departments. THE HIDDEN HAND attracted a fine audience at Brant's Hall, last night. The acting was grand, and the scenery magnificent. In a word, everything connected with the forty-fourth entertainment of the The Combination Company was all that could be desired.

A fine Saturday night bill has been prepared, and consists of that interesting play entitled The Factory Girl. This fine piece will bear frequent repetitions, and is well worth a visit. It will convince every spectator that "all is not gold that glitters." A very excellent drama will conclude the entertainment.

We are pleased to notice the continued success of Rouse's Star Troupe. A more popular or meritorious company never appeared on the stage.

SPECIAL NOTICES.

BANNVART'S BRONCHIAL TROCHES, For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggists every where.

Read the following testimonials from some of our eminent clergymen.

HARRISBURG, Feb. 9th, 1864. C. A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Bronchial Troches. W. C. CATTELL, Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan. 1864. To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider your very far superior to any Lozenges that I have ever used, in removing speedily that business of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., JNO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To C. A. BANNVART—Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. KAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, HARRISBURG, Pa., Jan. 1864. To C. A. BANNVART—Dear Sir: I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

MEDICAL.

GLAD NEWS FOR THE UNFORTUNATE!

THE LONG SOUGHT-FOR DISCOVERED AT LAST.

Cherokee Remedy,

AND CHEROKEE INJECTION!

COMPOUNDED FROM ROOTS, BARKS AND LEAVES.

CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Stricture, Gravel, Gleet, Gonorrhoea, and is especially recommended in those cases of Flyer Albus (or Whites in females) where all the old-sung medicines have failed. It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease. CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY and should be used in conjunction with that medicine in all cases of Gonorrhoea, Gleet, Flyer Albus or Whites. Its effects are healing, soothing and demulcent; removing all scalding, heat, chordeo and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the cheap quack injections.

By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION—the two medicines at the same time—all improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

For full particulars, get our pamphlet from any drug store in the country, or write us, and we will mail free, to any address, a full treatise.

MEDICAL.

DR. WISHART'S

PINE TREE

TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE.

Obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficacy in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medicinal properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must excel from the system the corrupt matter which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthy tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

DR. WISHART—Dear Sir:—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I am much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure. Publish my case if you think proper. R. H. COOKE, HAMILTON, No. 1321 Wylie street, Philadelphia.

DR. WISHART—Dear Sir:—I had Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; I had been treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health. I was truly on the verge of the grave. Your Pine Tree Tar Cordial was highly recommended to me by a friend; I tried it, and am thankful to say that, after using four large, and one small, bottles, I was restored to perfect health. You can give reference to my house, No. 968 N. Second street, or at my office of Receiver of Taxes, from 9 A. M. to 2 P. M., corner of Chestnut and Sixth streets. JOHN WARD.

DR. WISHART—Dear Sir:—I take pleasure in informing you through this source that your Pine Tree Tar Cordial, which was recommended for my daughter by Dr. J. A. Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to the public as a safe and sure remedy for those similarly afflicted, and I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs. Yours respectfully, JOHN V. PARKEE, Daguerrean Artist, 125 Genesee street, Utica.

DR. WISHART—Dear Sir:—I have used Dr. Wishart's Pine Tree Tar Cordial in my family, and can cordially recommend it as a valuable and safe medicine for colds, coughs and to those predisposed to consumption. Dr. G. A. FOSTER, 160 Genesee street.

The above is a new among the thousands which this great remedy has saved from an untimely grave.

We have thousands of letters from physicians and druggists who have prescribed and sold the Tar Cordial, saying that they have never used or sold a medicine which gave such universal satisfaction.

The Tar Cordial, when taken in connection with Dr. Wishart's Dyspepsia Pills, is an infallible cure for Dyspepsia.

The PINE TREE TAR CORDIAL will cure Coughs, Sore Throat and Breast, Bronchitis, Asthma, Whooping Cough, Diphtheria, and is also an excellent remedy for diseases of the kidneys and female complaints.

BEWARE OF COUNTERFEITS. The genuine has the name of the proprietor and a pine tree blown in the bottle. All others are spurious imitations.

Price Fifty Cents and One Dollar per Bottle. Prepared only by the Proprietor.

Dr. L. Q. C. Wishart, No. 10 North Second Street, Philadelphia, Pa.

Sold by Druggists everywhere, at Wholesale by all Philadelphia and New York Wholesale Druggists. mar10-d1f

"Dr. Wishart's Pine Tree Tar Cordial is the only safe and reliable remedy which has ever been prepared from the juices of the pine tree."

"Dr. Wishart's Pine Tree Tar Cordial has given evidence in thousands of cases of its power to cure in Consumption of the Lungs, Erysipelas, Salt Rheum, and eruptions on any part of the body."

"Those who are troubled with throat and lung diseases, cannot do better than get a bottle of Dr. Wishart's Pine Tree Tar Cordial, and use
