TOWN AND COUNTRY.

An important notice is published by the committee of the Citizen Fire Company.

MILLINERY AND STRAW GOODS—every variety—opened out at H. Ward's. Read advertisement.

The West Branch Insurance Company, located at Lock Haven, Lycoming county, has failed and appointed assignees.

The Seventy-ninth regiment P. V., arrived at Louisville, Ky., on Friday, on its way home. It may be expected here in a few days. The 79th is commanded by the gallant Col. Hanbright.

A SOLDIER was relieved of about \$80 in greenbacks, in the vicinity of the market houses, on Saturday. No doubt the "professionals" attend market and mix in the crowd.

AMUSEMENTS.—There are now five places of amusement open in our city, and all doing a thriving business. A sixth will be open in a few days. Who says Harrisburg is not in a "flourishing" condition?

The Parke House, on Market street, between Third and Fourth, is offered for sale. This is an excellent business stand, with a large run of custom, and its admirable location recommends it to capitalists. See advertisement.

A CHOICE lot of fancy chickens, raised from premium stock, will be sold at Hoffman's sale, on Tuesday. They are all fine specimens of the choicest varieties, embracing Black Spanish, Silver Poland, Black Poland, and Nankin Bantams.

The Lochiel Rolling Mill company advertise for proposals for erecting fifty dwelling houses. We also learn that a company of capitalists intend erecting a block of dwellings 270 feet in length, in the vicinity of the Round House, the ensuing season. This is evidence of the prosperity of our city. Let the good work continue.

SUNDAY ALWAYS.—By different nations every day in the week is set apart for public worship; Sunday by Christians; Monday by the Greeks; Tuesday by the Persians; Wednesday by the Assyrians; Thursday by the Egyptians; Friday by the Turks; Saturday by the Jews. Add to this the diurnal revolutions, and it is apparent that every moment is Sunday somewhere.

MARKET was attended by the usual rush and jam, on Saturday. Prices were enormous. Think of 40 to 60 cents per pound for butter; \$1 to \$2 per pair for chickens; 15 to 20 cents per pound for beef, pork, veal, etc.; 1 1/2 to 25 cents per root for horse-radish; 50 to \$1 a-piece for pups; \$1 to \$2 for a one-horse wagon load of wood; and other articles at equally high rates. As soon as the bell tapped there was a general grabbing for marketing, regardless of prices—every person seizing the first article he wanted, lest he would obtain none. Our country cousins, seeing the eagerness with which their goods were taken, asked immense prices. Did purchasers exhibit a little hesitancy in regard to buying, they would be enabled to obtain what they want at lower prices. As long as they are willing to pay exorbitant rates they must expect to be imposed upon.

TRUE PATRIOTISM.—Smith, the "razor shop man," early volunteered in the 104th Illinois at \$13 per month, though he was making almost a month's pay in a day. He participated in all the engagements of the regiment, till the battle of Gettysburg, where he was wounded in the leg, which he came near losing by amputation. He was taken to a hospital and finally discharged, notwithstanding his protest and avowal that he had "one more lot of the same sort." Since his return he has been devoting himself to procuring recruits gratuitously.

A SENSATION STORY SPOILED.—The New Case Courier spoils the sensation story which has been going the rounds of the press for some days relative to the murder of a soldier at Enon Valley by his wife and paramour. The man did return as stated and discovered the infidelity of his wife, but left the neighborhood, either the same night or early the next morning, and though diligent inquiry was made, was not heard of until Wednesday last, when he turned up, alive and well, at Enon Valley, from whence he went to visit his father in Ohio. His sudden disappearance excited fears in the minds of the neighbors, which were strengthened by the fact that his wife and his paramour had his watch and plenty of greenbacks. All the trouble about the tight rope performance, and the parties of either of them having acknowledged their guilt or been arrested, was hatched in the excited imagination of a Pittsburg paper informant. The guilty pair have left for parts unknown.

MLT. GEN. STONE, passed through this city at noon on Saturday, en route for the West.

SOME five hundred men belonging to the Pennsylvania cavalry, left for Chattanooga on Saturday evening.

SECOND WARD NOMINATIONS.—Town Council, B. G. Peters; Judge of Election, J. B. Boyd; Inspector, Edward Boyer; Assessor, N. Zollinger; School Director, F. B. Rober; Constable, Moses Fleck; Conferees, George Berger and E. S. Zollinger.

RETURNING HOME.—The Harrisburgers who were captured at Bath, Va., in a skirmish with the rebels, while members of the 20th Pennsylvania Cavalry, have been exchanged, and are at Annapolis. They are expected home daily. We hope the old First City Zouaves will meet them, as a number of them served creditably with that corps during the nine months' service.

A HINT TO FARMERS.—There are three things easily raised and harvested, for which, the farmers may depend upon it, there will be an enormous demand and high prices paid during the war. We refer to potatoes, beans and onions. The farmers could not do a better thing for themselves and their country than to plant these vegetables very extensively. If it appears, as the spring advances, that the wheat crop is likely to be short, and that fruit will be scarce, onions, potatoes and beans must be had to fill the vacuum.

NOTICE TO RECRUITING OFFICERS AND TO ALL PERSONS PRESENTING RECRUITS.—S. S. Child is now ready to make out the necessary papers for the collection of premiums for presenting recruits, and still continues to make out officers' recruiting accounts, pay rolls and all kinds of writings connected with the military departments. Having had much experience in military writings, he is fully capable to transact any kind of business connected with the various departments. Office in DAILY TELEGRAPH Building, Third street, Harrisburg. mar 12-dtf

AN ERROR.—To suppose that every man you see with a gold cord around his hat is a Giggler Brindle.

ANOTHER.—To suppose that every Copperhead you hear whining about the destruction of the Constitution, has ever read that article.

A THIRD.—To suppose that every one whom you meet with a brick in his hat is a house contractor.

A FOURTH.—To suppose that those Locooco Editors who blow so much about the worthlessness of Greenbacks will refuse to take the aforesaid "depreciated currency" in exchange for subscriptions.—Exchange.

THE SIXTH WARD COUNCILMAN.—The Organ seems to be terribly exercised about the bill recently passed by the Legislature declaring Mr. Morris' seat in council vacated, and charges the Republicans with originating the measure. We have the assurance of a citizen of the Sixth ward, whose Democracy is far more creditable than the "loyal" (?) editors over the way, that the Democrats, with all the good citizens of the ward referred to, having been denied representation by a Democratic Council, sought the intervention of the Assembly in their behalf and obtained it. They feel under many obligations to Messrs. Alteman and Fleming, who interested themselves in this measure—securing its passage—and they tell the Patriot that when the citizens of the Sixth ward choose a councilman they intend selecting a man who will not misrepresent their interests, be he Republican or Democrat. If that paper "recalculates" otherwise, we think they will be "slightly mistaken."

NEW CUMBERLAND, Pa., Jan. 20, 1864. DR. LADY.—Mrs. Ball, will you please pardon me for the liberty that I have taken in addressing you, "stranger," "I feel myself under obligations to you for the benefit I have derived from your medicine, and eye-salve, having suffered for many years most excruciating pain in my head, breast and side, not being free from pain day or night. And I have been, doctoring with well-skilled and practical physicians for some years, and all attempts proved a failure. I had given up all hopes of recovery and felt fully resigned to await my fate, which foretold an untimely grave. My father being a resident of Sidonsburg, and living quite a distance from you, I did not get to hear of your medicine, that has proved a wonderful cure, indeed. Some few months ago I was advised by a lady friend of mine to try your medicine. She stated to me that she made use of your medicine and salve which proved a cure. Feeling rather loth at first to try, as I had laid out money time after time, which made the expense very heavy and all for naught. But having great confidence in my friend's integrity, I was prompted to hearken to her kind entreaty and try for myself. I therefore purchased two dollars and a half worth of your medicine, and to my utter astonishment, in one week I felt a great change, and in two weeks I was entirely free from all pain, and your eye-salve effected a cure for which all other washes and salves proved useless. My eyes were so much inflamed that I was forced to wear glasses for some years, and now I have no occasion at all to wear the glasses, my eyes being well. I therefore have resolved, dear lady, to let you know that I could not rest content until I would return my heartfelt congratulations to you, my friend and benefactor, for the good you have accomplished, feeling myself a new creature entirely. You are at perfect liberty to publish this if you feel so inclined. I close by requesting you to accept my warmest regards, with a hope that for humanity's sake, your life may be prolonged. Success be yours forever in performing the wonderful cure. Yours with respect, MARY E. BROWN.

BANNVART'S BRONCHIAL TROCHES.

For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa. To whom all orders should be addressed. Sold by druggists every where.

Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 8th, 1864.

C. A. BANNVART.—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend yours, over as a most admirable specific for public speakers and singers, in cases of hoarseness; coughs and colds. I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Bronchial Troches. W. G. GATTELL, Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan'y, 1864. To C. A. BANNVART.—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches. I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., JNO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To C. A. BANNVART.—Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, HARRISBURG, Feb. 23, 1864.

To C. A. BANNVART.—Dear Sir:—I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

MEDICAL.

GLAD NEWS FOR THE UNFORTUNATE!

THE LONG-SOUGHT-FOR DISCOVERED AT LAST.

Cherokee Remedy, AND CHEROKEE INJECTION!

COMPOUNDED FROM ROOTS, BARKS AND LEAVES.

CHEROKEE REMEDY. A great Indian medicine, cures all diseases of the urinary organs, such as Inflammation of the Urine, Inflammation of the Bladder, Stricture, Gravel, Gleet, Gonorrhoea, and is especially recommended in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.

It is prepared in a highly concentrated form, the dose only being from ten to twenty drops three times per day.

It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY and should be used in conjunction with that medicine in all cases of Gonorrhoea, Gleet, Fluor Albus or Whites. Its effects are healthy, soothing and disintegrating; removing all scaling, hard chordeae and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the cheap quack injections.

By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION—the two medicines at the same time—all improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

For full particulars, get our pamphlet from any drug store in the country, or write us, and we will mail free, to any address, a full treatise.

This medicine is a simple vegetable extract, and one on which all rely, as it has been used in our practice for many years, and with thousands treated, it has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stubborn case.

MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE. Obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the great prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medicinal properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthy tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

DR. WISHART.—Dear Sir:—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure. Publish my case if you think proper. REBECCA HAMILTON, No. 1321 Wyle street, Philadelphia.

"Dr. Wishart's Pine Tree Tar Cordial is the only safe and reliable remedy which has ever been prepared from the juices of the pine tree."

"Dr. Wishart's Pine Tree Tar Cordial has given evidence in thousands of cases of its power to cure in Consumption of the Lungs, Erysipelas, Salt Rheum, and eruptions on any part of the body."

"Those who are troubled with throat and lung diseases, cannot do better than get a bottle of Dr. Wishart's Pine Tree Tar Cordial, and use it according to directions."

"We believe that one dollar spent for Dr. Wishart's Pine Tree Tar Cordial will do more to purify the blood and cure scrofulous sores than ten dollars on any other remedy."

"The weak stomach is rapidly invigorated and the appetite restored by Dr. Wishart's Pine Tree Tar Cordial."

"Dr. Wishart's Pine Tree Tar Cordial does its work at once, and the patient is immediately relieved and cured."

Don't fail to read the next column.

DR. WISHART.—Dear Sir:—I take pleasure in informing you through this source that your Pine Tree Tar Cordial, which was recommended for my daughter by Dr. J. A. Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to the public as a safe and sure remedy for those similarly afflicted, as I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs. Yours respectfully, JOHN V. PARKER, Daguerrean Artist, 126 Genessee street, Utica.

I have used Dr. Wishart's Pine Tree Tar Cordial in my family, and can cordially recommend it as a valuable and safe medicine for colds, coughs and to those predisposed to consumption.

Dr. G. A. FOSTER, 160 Genessee street.

The above are a few among the thousands which this great remedy has saved from an untimely grave.

We have thousands of letters from physicians and druggists who have prescribed and sold the Tar Cordial, saying that they have never used or sold a medicine which gave such universal satisfaction.

The Tar Cordial, when taken in connection with Dr. Wishart's Dyspepsia Pills, is an infallible cure for Dyspepsia.

The PINE TREE TAR CORDIAL, will cure Coughs, Sore Throat and Breast, Bronchitis, asthma, Whooping Cough, Diphtheria, and is also an excellent remedy for diseases of the kidneys and female complaints.

BEWARE OF COUNTERFEITS. The genuine has the name of the proprietor and a pine tree blown in the bottle. All others are spurious imitations.

Price Fifty CENTS and ONE DOLLAR per BOTTLE. Prepared only by the Proprietor.

Dr. L. Q. C. Wishart, No. 10 North Second Street, Philadelphia, Pa.
