RECEUTTS continue to arrive. The paymaster's office has been thronged by the gallant men, who did not object to drawing "greenbacks."

A SALE of condemned government horses was held at Williamsport, last week. The animals were knocked off at prices ranging from twelve to ninety dollars.

To THOSE INTERESTED.—If the two ladies call at this office, they will hear of something to their advantage.

A SPECIAL MEETING of the Young Men's Christian Association will be held at their rooms this evening, at half past seven o'clock. It is hoped the members will attend, as there Democrats who hated liars, and scorned will be business of importance to be transact-

and African loving Democratic councilman of the Second ward was severely thrashed; whipped as he deserved to be, like a dog, and then flung to one side by his chastiser, as a thing too vile to be recognized by a brave man.

The Tory Organ never alludes to these affairs. Why? Because that sheet and those who of this city. Mr. Fager graduated with great control its columns are enemies of the soldiers! honor, thus realizing the high expectations entertained for him by his friends. He is cert tainly a young man of ability, and we congratulate him on his success.

A MEETING of the Plasterers' Association of Harrisburg will be held at the Hope hose house, on Wednesday evening next, March 16th, at 71 o'clock. Punctual attendance is requested, as business of great importance will be transacted. By order of the Secretary.

ARRIVAL OF THE FORTY-EIGHTH. - The Fortyeighth Pennsylvania regiment arrived here this morning, with recruited ranks, they having had thirty days' furlough to visit their homes. The regiment belongs to the Nin h Army Corps, which organization has been ordered to encamp here, previously to returning to the field. The 48th is composed of fine looking men, who will do good service in the field. They attracted a large crowd of spectators, as they marched through the city.

"MISCEGENATION IN HARRISBURG."-Under this head the Tory Organ, this morning, alludes to a scene as having taken place in the M. E. church, last Sunday, in which a colored gentleman came forward in the first platoon to take sacrament. On this statement, the Tory Organ howis terribly. Now, the facts are, that the sacrament was not administered last Sunday. What new falsehood will these vile wretches invent to insult patriotic and Christian men? A man that would invade the sanctity of the church, to lie about sacramental ceremonies, would barter the virtue of his own sister and use the money derived from the traffic to reward the enemies of his

THE FLAG IN THE ROTUNDA OF THE CAPITOL. -We have frequently been requested by numerous citizens of other portions of the Com-monwealth to record their protest against the inappropriate display of the large American flag which now darkens the view, and so palpably affects the architectural beauty of the dome in the Capitol. The flag itself, an immense and a very valuable one, is no adornment to the place, as its listless folds have hung so long until they have become stained with the accumulations of dust and dirtarising in the rotunda, while its edges have also been torn and soiled in being handled by the idlers who lounge around the railings of the upper landings. If it is not removed it will soon become torn into ribbons, utterly useless even for display; and we do think that the good taste of the Superintendent of Public Buildings should have suggested its removal long since, for preservation and display on public State occasions. We throw out these hints to satisfy the people alluded to, and to benefit those in authority on the subject. We are certainly in favor of displaying the American flag wherever the people can gaze with admiration and love upon its glorious folds, but when it is hung in positions notoriously out of place, alike derogatory to its own grandeur, and as an obstruction to mar artistic taste and architectural beauty, we are justified, for the sake of all that is thus involved, to ask respectfully for its removal.

DISCORD AMONG THE "DEMOCRACY."—A Pure Democrat Purifying his Party-A Dealer in White Human Flesh Severely Chastised .- The Tory Organ has frequently contemptuously alluded to the fact, that white men are bought and sold in the city of Harrisburg, alleging that the "Abolitionists" were entirely engaged in the neferious business of thus dealing in and cheating American freemen, who had offered themselves as defenders of the Government. When these idle charges were made, we were willing to let them pass, knowing that time would expose the lie, and leave the fabricators covered with the fifth of their own falsehoods. And that time did arrive. Only a few weeks since, a howling, bitter Democrat was charged and arrested with having been engaged in the business of defrauding recruits. The trial of this man ended in his conviction, and he was compelled to disgorge a large sum of money! Yet in the face of the condemnation of the court, and with several indictments still resting against him, the Copperheads of the Second ward have nominated this man for council. Let it also be remembered that the man thus convicted of having defrauded soldiers, has two able-bodied sons who were never in the army. Yet the sire. himself a hardy man, engages in the business of defrauding those who peril their lives in defence of his property and for the safety of the necks of his sons. This is case No. 1, in the honesty and sincerity of doubt it will be duly observed by the sons of Democratic love for the soldier. Will the honest people of the Second ward vote for such a man for council, who seems to have been nominated solely on the merit of his being convicted of cheating the soldiers? And the Lord knows he has no other merit to commend him to his partizans.

Case No. 2 consists of the Democratic councilman of the Second ward, who has had the reputation of being one of the dealers in soldiers, shaving the veteran to the last penny and filling his peckets with the hardearned bounties of the defenders of the Union. This "high-toned" Democrat who dealt in ne groes, deemed it no outrage to his Democracy, to turn a panny or make a dollar out of the valor and patriotism of an African. Last night, a high-minded, generous-hearted and independent Democrat, also a member of Council, accused his colleague of the Second ward with being a party to the frauds which have brought so much disgrace upon the city and one gentleman, who escorted a lady to the of Harrisburg. The accusation resulted in Lebanon Valley Depot, last Wendesday, will eliciting the charge "liar," and the declaration from the accused party, that he had been waiting for some one to accuse him with being concerned in such transactions. But the Second ward councilman had met the wrong customer. He found that he was dealing with a man, and one of those old-fashioned and African loving Democratic councilman of

LAST NIGHT there was another very large audience at Brant's Hall. The forty-sixth entertainment by the Star Troupe was as numerously attended as the first. The beautiful drams, Aline, the Rose of Killarney, was presented for the first time, and was a grand success. The spectators were highly delighted, and pronounced the performance faultless. Great care was taken in the distribution of the characters in this play, as well as in all others. The closing farce called Jenny Lind was amusing, and did great service to dyspeptics if laughter is a remedy.

There is a grand bill for to-night ... That fine drams, The Lady of Lyons, will be repeated. It is a piece that will attract a great crowd. Go and see it. You will get the worth of your money in a single scene.

POLICE AFFAIRS-Before Alderman Rline .-There were eight persons in the lock-up, last night. They were mostly charged with drunkenness and disorderly conduct. This morning they had a hearing, and were discharged. The following were their names: William Wright, Frank Hughes, Lewis Smith, Eliza Smith, Henry Cunningham, Noah Robbins, (fined \$1,) George Cramer, Charles Turbin, fined \$1.)

The soldier, whose arrest we noticed yeserday, on a charge of stealing a ring from Philip Daugherty, paid for the ring, and was discharged.

CAPTAIN JACOB D. GUMPF, of Company K 79th Regiment, visited our sanctum last evening. Captain Gumpf is an old Mexican soldier, and has served in the war to crush rebellion since the first organization of the volunteer forces of the country. Like all typos, he has a love for the stirring scenes of the camp and the battle field, and is among the bravest of the brave men who compose the veteran 79th. He will meet a glorious reception from his friends in Lancaster.

AT A SPECIAL MEETING of the Ladies' Union Relief Association, held in the lecture room of the German Reformed Church, March 14th, 1864, it was

Resolved To solicit the farmers, manufac-turers and merchants of Harrisburg for contributions in aid of the Great Central Fair to be held at Philadelphia, in June. ELIZA A. BISHOP, Sec'y.

SIXTH WARD .- The citizens of the Sixth ward will hold a meeting at the Marcella House, on Wednesday evening, at 7 o'clock, for the purpose of nominating a candidate for councilman. All the voters of the ward are requested to be present.

OUR CLOAR AND SHAWL ROOM. -It is not our intention to lead the artless mind astray or build in imagination untold splendor that would rival the fabulous stories of the Arabian Knights, or the fiction of oriental travelers, for do we intend to borrow from the gold that freighted the ship by which Columbus made known to Spain that he had discovered a new world, to gild the unpretending room that C. L. Bowman has just fitted up, especially for cloak, shawls and hoop-skirts; and owing to the quick communication by railroad, cloaks, shawls and skirts that adorned the counter of the manufacturer a few hours since in Boston, New York and Philadelphia, can be purchased here. And indeed the watchenergy that guides the business of the cheap dry good store, No. 1, corner of Front and Market streets, is always on the alert to tap any avenue by which goods can be obtaind less than the regular trade price, so as to give the advantage to the buyer.

Harnspure, Feb. 8th, 1864.

C. A. Bannyart—Dear Sir: I have used

Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in

time of need, most effectually.
Yours truly, T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Bronchial Troches. W. C. CATTELL, Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan., 1864. To C. A. BANNVART-Dear Sir: In the habit of speaking very frequently, and in place where the vocal organs are very much taxed. I have found the need of some gentle expectorant, and that want has been supplied in you

excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c.,

JNO. WALKER JACKSON.
Pastor of the Locust St. Methodist Church.

To C. A. BANNVART-Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE, Obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained.

Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late, From this fact, perhaps more than any other, arises the sad preva-lence and fatality of disease which sweeps to the grave at least "one-sixth" of death's

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the of a cure, or a remedy that would near the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; ciency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medical properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

"Dr. Wishart's Pine Tree Tar Cordial is the only safe and reliable remedy which has ever been prepared from the juices of the pine tree."

The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing infammation, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

> I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

DR. WISHART-Dear Sir:-I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to your respectation. diseases, cannot do better than and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I get a bottle of Dr. Wishart's commenced to use it, and in one week I was much better, and after using three bottles I

* * :—I have used Dr. Wishart's Pine Tree Tar Cordial in my family, and can cordially recommend it as a valuable and safe medicine for colds, coughs and to those predisposed to consumption.

Dr. G. A. FOSTER, 160 Genessee street.

The above are a few among the thousands which this great remedy has saved from an untimely grave. We have thousands of letters from physi-

cians and druggists who have prescribed and sold the Tar Cordial, saying that they have never used or sold a medicine which gave such universal satisfaction.

The Tar Cordial, when taken in connection with Dr. Wishart's Dyspepsia Pills, is an infallible cure for Dyspensia.

The PINE TREE TAR CORDIAL, will cure The FIRE TAR CORDIAL, will cure Coughs, Sore Throat and Breast, Bronchitis, Asthma, Whooping Cough, Diptheria, and is also an excellent remedy for diseases of the kidneys and female complaints.
