HARRISBURG, PA.

WEDNESDAY EVENING, MARCH 16, 1864.

NOTICE TO ADVERTISERS.—All Advertisements, Business Notices, Marriages, Deaths, &c., to be inserted in the TELEGRAPH, must invariably be accompanied with the CASH. Advertisements ordered in the regular Evening Edition are inserted in the Morning Edition without extra charge.

CITY ITEMS.

BANNATT'S BRONCHIAL TROCHES for hoarseness and throat diseases, for sale at Dr. Miles' Drug Store, corner Third and North streets, and Dr. Wm. H. Egle's Drug Store, Ridge Avenue. Jan 30-dtf

The celebrated crystal spectacles properly adjusted to the eye; microscopes from 150 to 700 diameter; tower telescopes, field glasses, defining an object from one to ten miles, and all kinds of optical, mathematical and philosophical instruments at Rosendale's Optical Institute, 8 Market Square. Artificial eyes inserted. Send for a circular! Jan 30-dtf

TOWN AND COUNTRY.

In our advertising columns will be found an ordinance changing the time of opening the markets from eight o'clock to five.

The city council offer a reward of one hundred dollars for such information as will lead to the detection and conviction of the person or persons who caused the recent conflagrations in our city.

POCKET PICKED.—A soldier was relieved of his pocket-book and \$15, at Brant's Hall, last night. If the thief will call on the owner he can obtain the gum string belonging to the pocket-book.

SHOOTING AFFAIR.—On Wednesday night a man named Henry Finerock, was shot by a soldier named Ingraham, at a dance house in Lancaster. Finerock died in a few hours afterward.

MARKET.—There was but a limited supply of marketing offered this morning. Prices ranged at high figures.

SIXTH WARD.—The citizens of the Sixth ward will hold a meeting at the Marcella House, on this evening, at seven o'clock, for the purpose of nominating a candidate for councilman. All the voters of the ward are requested to be present.

The brave men composing the 79th regiment, met with a grand reception at Lancaster, this morning. An immense concourse of people turned out to welcome the returning heroes. A grand collation was served up in Fulton Hall.

EARLY SALAD.—We are under obligations to Mr. Hargess for a fine mess of the best salad we have ever seen at this season of the year. The heads are nearly as large as an ordinary cabbage head. His stand is in the lower market house, where he will be happy to accommodate all his friends.

IMPORTANT SALE OF DRY GOODS.—We direct attention to the advertisement in another column, offering for sale a large stock of dry goods, &c., in Middletown. The goods were originally selected with great care, and the inducements offered to those who desire to go into a profitable business, are very great and attractive.

IMMENSE DISBURSEMENTS.—To show the magnitude of the business transacted at this post, we were apprised of the fact that, within the last nineteen days, Captain R. L. Dodge disbursed \$275,000, in the payment of premiums, bounties and claims for recruiting. Captain Dodge is one of the most efficient and trustworthy executive officers connected with the army.

AN ERROR.—An item is going the rounds of our exchanges, announcing the death of Col. Stambaugh, late of the 77th Penn. Regiment. We are pleased to notice that the above gentleman is yet alive, and was in town a day or two ago. No doubt our cotemporarys confounded the Col's name with that of Col. Samuel C. Stambaugh, of Lancaster, who died a week or two ago.

LIEUT. W. W. GIBSON, of Co. G, 76th Regiment P. V., who was dismissed from the army, some time since, on a charge of having been absent from his company without leave, has been re-instated in his command. An investigation of the circumstances connected with the case of Lieut. Gibson shows that he was on detached recruiting service at the time of his alleged absence, in which he was highly successful. We congratulate Lieut. G. on his vindication and re-installment, as he is a gallant soldier and a faithful officer.

SHARP DODGE.—White men and "American citizens of African seed" are alike engaged in the recruiting business here, and play some sharp dodges upon each other, as well as upon "raw recruits."—*They Organ.*

Why not divulge the names of the "white men," who "play some sharp dodges"? The only "white men" who are engaged in this business, so far as our knowledge extends, are a Democratic member of, and a Democratic candidate for Council. Why, then, does the *Tory Organ* refuse to give the names of its friends?

MAXON ROUVRONT and his clique, with the stockholders of the new market house, in the Sixth ward, have succeeded in repealing the ordinance fixing the new market hours before the change had time fully to be tested. If the great mass of the people will submit to such tom-foolery, of course we are satisfied. But a friend at our elbow suggests that the anxiety of certain gentlemen to have the old hours re-established, underlies a purpose to render the old market houses unpopular, and thus attract patrons to the new market houses about to be opened in the Sixth ward. Certainly the city government is doing all it can to render itself obnoxious at home and ridiculous abroad.

CRAWLING THROUGH A SMALL HOLE.—As usual, when detected in a dirty falsehood, the controllers of the *Tory Organ* endeavor to shove the responsibility upon some individual of whose existence none of its readers are cognizant. The article in reference to the sacramental ceremony in the M. E. Church, an article that was full of the venom and the misrepresentation so peculiar to the controllers of that sheet, and which was undoubtedly written by one of the creatures connected with that concern, is now thrown upon the shoulders of some unknown person, simply because the base lie which it contained was detected and exploded before it had accomplished its villainous purpose.

It will not do, at this late day, for the controllers of the *Tory Organ* to assert that the sentiments expressed in the article denouncing the offering of the sacrament to a negro, did not meet their approval. The article in question was in consonance with the heretofore and present course proceedings of that sheet on all subjects relating to the negro—assailing and libelling those who would lift the African from his degradation to point him to God and religion, and holding up as patriots and true men, those who deny to the negro human feelings, who pollute his wife, debauch his daughters, and barter in the souls, flesh and bones of his family. Why then, this hypocrisy, on the part of these scamps? Why are they so anxious to crawl from the responsibility of a lie, when their largest notoriety is derived from similar fabrications? These are questions which time must decide.

THE CITY ELECTION.—The time for holding the city election is now at hand. In all the wards, the nominations are complete; and the friends of the different candidates are busily engaged in efforts for success. So far as the Union men are concerned, they have not a great deal to expect, but they have a great deal to do. By proper organization—by a hearty and an enthusiastic co-operation, the Union men of the city of Harrisburg should be able, at least, to make their power and influence so felt in the council and school boards, as to put an end to the mismanagement of these bodies. It is a notorious fact that our public schools are now miserably managed, not that there is any lack of liberality in the levying of taxes or any deficiency in the ability of our teachers, but that there is no enterprise in the School boards—no just appreciation of the school laws—no guarantee to the people of all the advantage of the system. The series of communications which we are publishing in the TELEGRAPH fully set forth these facts, and advocate a change which can only be effected by changing the old regime in the different School boards, and electing men who have a real interest in the success of the common school system.

What applies to the school boards, will hold good in reference to council. The growth and prosperity of Harrisburg are rather retarded than encouraged by council. In its present organization it presents a collection of mere Dogberries, who are given to "ancient orders and things," and who are more fitted to participate in the proceedings of a sewing society of spinsters, than hold seats in a council where the interests of a thriving and enterprising city are to be deliberated. The mass of our citizens know and feel the force of these facts, and if they could be induced for a while to forget party, they would confer a benefit upon themselves and their fellow-citizens of incalculable value.

We leave the contest with our friends. It is worth being well fought—fought with a determination of winning a victory. All that is required is a vigorous effort, and we can elect a City Treasurer, with a controlling influence in the council and the school boards.

PENNSYLVANIA STATE AGRICULTURAL SOCIETY.—The quarterly meeting of the Executive Committee of the Pennsylvania State Society was held at the office of the Society, in Harrisburg, Tuesday, 15th inst.

Members present—Messrs. T. P. Knox, Charles K. Engle, Dr. James A. McCrea, W. H. Holstein, John H. Cowden, John B. Beck, Dr. Geo. D. Jackson, Amos E. Kapp, Christian Eberly, B. Morris Ellis, John Murdock, Jr., Wm. Bissell, Joshua Wright, William Colder, J. R. Eby, John H. Ziegler, A. Boyd Hamilton, Prof. S. S. Haldeman and A. B. Longaker.

Joshua Wright, Esq., was called to the chair. The minutes of the last meeting were read and approved.

Messrs. J. M. Line, O. L. Schreiber and Joseph Whitman, a committee from the Lehigh County Agricultural Society, were present and submitted a proposal for the holding of the next State Fair upon their grounds at Allentown.

A proposition of similar import was also received from the Farmers' and Mechanics' Institute of Northampton county, for the location of the Fair at Easton.

On motion of Mr. Murdock, the several proposals were referred to a committee of Messrs. Ziegler, Kapp, Cornell, Colder, Engle, Knox, Hamilton and Longaker, with full power to locate, and contract with either of the said societies, at their discretion.

It being the time fixed for the election of Treasurer and Recording Secretary for the ensuing year, (John H. Ziegler, Esq., the present Treasurer, declining,) J. B. Rutherford, Esq., of Dauphin county, was elected Treasurer, and A. B. Longaker, Secretary.

On motion, the committee on the location of the next Fair were constituted a committee, with full power to appoint sub-committees, and make all necessary arrangements for the holding of the next Fair, as well to order all the necessary printing.

Messrs. Engle, Ellis, Hamilton and Longaker were continued a committee on the revision and preparation of the premium list, with power to arrange the same for next Fair.

The time of holding the next Fair, as fixed at the last meeting, will be September 27th, 28th, 29th and 30th next.

After transacting some business matters, the committee adjourned.

HARRISBURG March 15, 1863.

A HARRISBURGER IN A LANCASTER REGIMENT.—The leader of the band attached to the 79th Regiment P. V., Alexander Bergstresser, is a Harrisburger. He went out with the 79th, and on his return, was warmly welcomed by his old friends in the State Capital. There are few better musicians, and no braver men in the country, than Alex.

WILL RENDEZVOUS AT HARRISBURG.—The 11th Pennsylvania regiment, Col. Dick Coulter, which is now at home on furlough, has been ordered to rendezvous at Harrisburg, and will arrive here during the present week. This order has been issued, so that the whole regiment can rendezvous at one point. There are six companies from the western part of the State, and four from the eastern. During the time the regiment has been home on furlough some five hundred new recruits have been added to its ranks.

THE REGIMENTAL FLAG OF THE 79TH REG. P. V.—It was noticed by many of our citizens, that as this regiment passed through the streets of Harrisburg, eliciting the admiration and applause of soldiers as well as civilians that it did not display the regimental flag which was placed in its charge by the Governor, prior to its leaving the State for the scene of conflict in the South-west. Did the 79th lose its flag in any of its arduous and perilous marches or was it captured in battle? We trust our friend "local" of the *Express* will enlighten us on the subject.

SANFORD'S OPERA HOUSE.—If crowded houses are an evidence of superior attraction, then Sanford can claim the palm. For the past week it has been crowded to excess. Hundreds are turned away nightly, and those who are able to gain admittance pronounce the performance the best they have ever witnessed. The new song, "Peace Will Reign Again," is a great favorite, and will be kept on the bills for some time to come. Sanford is giving us plenty of novelty, both in dress and scenic exhibitions, all in accordance with the times; something to laugh and grow fat on. We dropped in and found Sanford and a half-dozen more all busy arranging tricks, &c., for the new pantomime which will be produced some time next week. This we are to understand, is something more than has ever been done in this city, rivaling, both in dress and scenery, the famous Ravels.

SIR E. L. BULWER'S beautiful and romantic play, *The Lady of Lyons*, or *Love and Pride*, attracted a large concourse of our citizens to Brant's Hall, last night. Mr. Jennings' *Claude Melnotte* is spoken of in the highest terms of praise, and Miss Tyson, as *Pauline*, won the admiration of every auditor. All the other characters were equally well sustained, but limited space will not allow us to particularize. Suffice it to say, that the best of judges inform us that *The Lady of Lyons* was never played better in Philadelphia than it was by Rouse's troupe. In *The Yankee Gal*, Miss Fanny Denham provoked a laugh from the most grave persons in the audience.

To-night, by special request, that superb drama, *The Willow Copse*, will be repeated. It will cause a rush to the Hall.

SPECIAL NOTICES.

Mrs. Ball's Remedies.

I take this method of cheerfully thanking the public for past favors, and still solicit their kind attention to my medicines. Total of all the wonderful cures I have been able to perform would be impossible. I would call the attention of the ladies particularly to this valuable medicine, which I can safely say is the only one I have known to them. It will regulate the whole system; can be taken at any time; no fear need be apprehended in regard to it. I have seen a valuable cure in a child, and another to a lady, and a third to a man. This has healed sores that had run 20 years. My Dysentery Drops, in fact Cough and Cough Drops have been well tried. I need say nothing in their favor. I have constantly on hand those Medicines and Salves. MRS. L. BALL, mar16 No. 27 South Pine street, Harrisburg, Pa.

BANNATT'S BRONCHIAL TROCHES.

For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. BANNATT & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggists every where.

Read the following testimonials from some of our eminent clergymen:

HARRISBURG, Feb. 8th, 1864.
O. A. BANNATT—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.
Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannatt's Bronchial Troches.

W. C. GATLEY, Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan. 1864.
To C. A. BANNATT—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., J. NO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To C. A. BANNATT—Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried, and I take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, HARRISBURG, Feb. 29, 1864.

To C. A. BANNATT—Dear Sir: I have found your Troches to be invaluable in relieving hoarseness, and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE. Obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure; or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medicinal properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alternative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthy tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

Dr. WISHART—Dear Sir:—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way. I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial, and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure. Publish my case if you think proper. REBECCA HAMILTON, No. 1321 Wylie street, Philadelphia.

Dr. Wishart's Pine Tree Tar Cordial is an infallible cure for Bronchitis, Bleeding of the Lungs, Sore Throat and Breast, Inflammation of the Lungs.

Mr. WARD says:

Dr. WISHART—Sir:—I had Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; I had been treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health. I was truly on the verge of the grave. Your Pine Tree Tar Cordial was highly recommended to me by a friend; I tried it, and am thankful to say that, after using four large, and one small, bottles, I was restored to perfect health. You can give reference to my house, No. 968 N. Second street, or at my office of Receiver of Taxes, from 9 A. M. to 2 P. M., corner of Chestnut and Sixth streets. JOHN WARD.

Read the following from Utica:
Dr. WISHART—Dear Sir:—I take pleasure in informing you through this source that your Pine Tree Tar Cordial, which was recommended for my daughter by Dr. J. A. Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to the public as a safe and sure remedy for those similarly afflicted, as I know of many other cases besides that of my daughter that has entirely cured of long standing coughs. Yours respectfully, JOHN V. PARKER, Daguerrean Artist. 126 Genesee street, Utica, N. Y.

...I have used Dr. Wishart's Pine Tree Tar Cordial in my family, and can cordially recommend it as a valuable and safe medicine for colds, coughs and to those predisposed to consumption. Dr. G. A. FOSTER, 160 Genesee street, New York. Utica, New York.

The above are a few among the thousands which this great remedy has saved from an untimely grave. We have thousands of letters from physicians and druggists who have prescribed and sold the Tar Cordial, saying that they have never used or sold a medicine which gave such universal satisfaction.

The Tar Cordial, when taken in connection with Dr. Wishart's Dyspepsia Pills, is an infallible cure for Dyspepsia. THE PINE TREE TAR CORDIAL will cure Coughs, Sore Throat and Breast, Bronchitis, Asthma, Whooping Cough, Diphtheria, and is also an excellent remedy for diseases of the kidneys and female complaints.

Useful and Valuable Discovery.

HILTON'S INSOLUBLE CEMENT

Is of more general practical utility than any invention now before the public. It has been thoroughly tested during the last two years by practical men, and pronounced by all to be SUPERIOR TO ANY Adhesive Preparation known. Hilton's Insoluble Cement is a new thing, and
