APPOINTMENT OF A CHAPLAIN.—Rev. John C. Gregg, late chaplain of the Dauphin county regiment, (127th P. V.,) has been appointed a chaplain to one of the hospitals located in New Orleans. Rev. Gregg is an earnest and an amiable gentleman, whose services in the position to which he has been assigned, cannot fail to become highly favorable to the soldiers and the glorious cause in which they are engaged.

REV. J. WALKER JACKSON AT THE ACADEMY of Music, Philadelphia.—We understand that one of the relief committees in Philadelphia city has invited Rev. Jackson to repent his great lecture, entitled "Andrew Jackson," in the Academy of Music, for the benefit of Philadelphians who are prisoners in Richmond. No time has yet been fixed for the lecture, but as Rev. Jackson has communicated his willingness to comply with the request of the committee, of course the time will soon be indicated. We promise those in Philadelphia who have not heard this lecture, and who may be presentatits delivery in the Academy of Music, a rare treat.

SMASH UP. -On Friday night last, about 11 'clock, two freight trains on the Pennsylvania railroad collided near Lilly's station, Cambria county. A smash no lof considerable magnitude was the result. We understand that no less than three engines and twelve cars were totally wrecked and ruined. No lives were lost, nor no personal injury was done the persons having the trains in charge, we believe.

WHAT IS WRONG AT CAMP CURTIN?—We chronicle the escape of another villain (Wm. C. Dunlap) from Camp Curtin. It seems, indeed, singular to us that so many rascals succeed in escaping from that post. There must be a "screw loose" somewhere. Would it not be well for Capt. Sands to keep an eye on those who hold subordinate positions in the camp, and even on the men detailed to guard the camp? The commanding officer is above suspicion, and it is due to himself that there should be an investigation into the manner in which offenders escape.

An ELEGANT PIANO. Persons about purchasing a piano should read the following letter:

PHILADELPHIA, March 31, 1864. MR. WILLIAM KNOCHE-Dear Sir:-Allow me to express my sincere thanks for your kindness in furnishing for the Soires of the pupils of the Blind Asylum, given this even-ing, at the State Capitol, the piano, used upon the occasion, from the factory of Al-brecht, Riekes & Schmidt. It has seldom been our good fortune to find an instrument so well; calculated both in brilliancy and strength of tone and precision of touch, to support a full chorus effectively and at the same time accompany the single voice with sweetness and effect.

Yours very truly,

Moving DAY was duly observed in our city. Our streets presented a lively appearance. "Household goods and kitchen furniture" was being conveyed in every direction. On mov-

ROBBERY-Arrest of a Bogus Officer-He Escapes.—On Tuesday night last, a man who called himself Capt. William F. Dunlap, and stated that he belonged to General Banks' staff, registered his name at Herr's Hotel, and engaged lodging. He occupied the room assigned him that evening, but on Wednesday night his quarters were tenantless. The brave captain (who sported a uniform suited to his rank) managed to enter the room of another boarder, a lieutenant, and abstracted from said officer's pockets eighty-five dollars in money. The lieutenant suspected Dunlap of having committed the robbery, but owing to the rank of the latter, did not give publicity to his suspicions. He however applied to detective Franklin for assistance, and that officer, after carefully inquiring into the circumstances connected with the case, concluded that Dunlap was an impostor, and succeeded in tracing him to Camp Curtin, where he was found on Thursday in full uniform, at the headquarters of the camp. It was here discovered that the "brave captain" had just enlisted in a Pennsylvania cavalry regiment, and was waiting to receive the local bounty from the place to which he had been credited. Officer Franklin arrested him, and (after requesting the disburser of the bounty money to retain the same until an investigation could be had) brought him to this city, where he the street. The occasion has been set apart for the benefit of Mr. Ryan. The great drama entitled the Brigand Queen, and the Irish drama, Ireland as it Was, compose the bill of the evening. All the members of the Star Combination Company will appear in both pieces. In the first named Miss Denin will appear as Olympe, the Brigand Queen, and Mr. Ryan as Corney Brady. Mr. R. will be 'Ragged Pat," an Irish Boy, in the closing play. The great popularity of the performers will warrant the management a crowed house, on this sixty-third evening here. Go early, and witness the great plays above named. You will not have another opportunity.

> FRIENDSHIP STEAM FIRE ENGINE COMPANY. -At a stated meeting of the Friendship Fire company, held in their Hall on Monday evening, the following preamble and resolution were unanimously adopted:

WHEREAS, Four years have elapsed since the purchase from the Amoskeag Manufac-turing Company of the Steam Fire Engine now in possession and use of the Friendship Fire company; And whereas, The citizens of Harrisburg have had ample opportunity to see tested the merits and the value of said fire en-gine; And whereas, We feel under many obligations to the citizens who have already con-tributed to the fund for the liquidation of the debt incurred by the purchase of said appara-tus; of which debt there is still unpaid the sum of \$800. It has been the earnest purpose of the individual members of the Friendship Fire company to see that the balance still remaining on the engine be at once paid, and to secure this, have since contributed of their own private funds, as well as applying moneys received for other purposes; therefore, Resulved. That the freasurer of the company, Andrew Schlayer, and William C. M'Fadden, be appointed a committee to collect the contributions already made, and solicit such other aid as the property holders of the city of Harrisburg may deem it their duty to contribute, for the payment of the Friendship Fire

Our Regiment—the 107th Pennsylvania Vo Unr Regiment—the 107th Pennsylvania Volunteers—expects to be home in a few days of Carpenter, 1 pekge No doubt our place of rendezvous will be Camp Reynolds or Curtin. It is now a little Kompress since we left Harrisburg for Washington about nine hundred strong. We Can return with something over two hundred, all the carreturn with something over two hundreds. carreturn with something over two hundred, all told. With few exceptions, nearly all have renlisted as Veteran Volunteers. Unfortunately we are none of the pet Regiments; but what have those darlings performed? Let the honest soldier answer. When you look upon the decimated ranks of the 107th, and ask the question. Where are all those bouyant souls that left Harisburg March 8th, 1862? I can only say—let the battles from Cedar Mountain to the Three the battles from Cedar Mountain to the Three Days' fight at Gettysburg furnish the reply.— Our Regiment has indeed seen active service. Never favored, but knowing our services in the field were required, we always held in remembrance, when a soldier is called upon, to battle he must go and nobly would the 107th carry aloft the bright "escutchon of our own Keystone State, in the din of battle, midst the clash of arms, and the cannon's roar. We have established a bright record in the service of our country, and I hope the historians will do us justice. I could write a volume, but I must be brief. We are holding the post of honor on the extreme front I will close by adding, the boys are all well, and as we expect soon to be home, I will give you a greater detail of our doings, &c. E. D. R.

Read the following testimentals from some

of our eminent clergymen:

HARRISBURG, Feb. 8th, 1864.

C. A. BANNVIET — Dear Str.: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in

time of need, most effectually.
Yours truly, T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Bronchial Troches. Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan., 1864.
To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in you excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c., JNO. WALKER JACKSON. Pastor of the Locust St. Methodist Church.

To C. A. BANNVART—Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, } HARRISBURG, Feb. 29; 1864.
To C. A. BANNVART—Dear Sir:—I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE. Obtained by a peculiar process in the dis-tillation of the tar, by which its highest med-ical properties are retained.

Have you a Cough? Have you Sore Throat?
Have you any of the premonitory symptoms of that most fatal disease, Consumption?
Those who should be warned by these symptoms generally think lightly of them until it is too late, From this fact, perhaps more than any other, arises the sad prevent NE H. CHT more than any other, arises the said preva-lence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the numan family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect: but how to combine the medical properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigoration of the digestive organs—the strengthening of the debilitated system the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the far Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat penetrating to each diseased part, relieving pain, subduing inflammanical to the lungs and throat penetrating to each diseased part, relieving pain, subduing inflammanical to the latest and the latest and late tion, and restoring a nealthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

Dr. WISHART-Dear Sir:-I had a very Dr. WISHART—Dear Sir:—1 had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to your purposed. and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure.
Publish my case if you think proper.
