TOWN AND COUNTRY.

THE man who continues long to drink the health of other people, is pretty sure to drink away his own.

MEASLES and scarlet fever are prevailing to some extent among the children of this city. Comparatively few deaths have, however, oc-

CHANGE OF QUARTERS .-- The office of the Provost Marshal was yesterday removed to Fourth street, between Market and Chestnut, and next door to Roumfort's bakery.

Owing to the recent snows, rains, etc., the river is still "on the rise." It is now in capilumber are passing here daily.

MARY Good, whose commitment to prison for vagrancy, &c., was recently noticed in our columns, attempted to commit suicide by hanging on Sunday last. When discovered, she was suspended by a rope manufactured from clothing, but life was not extinct.

Ir appears as if we are to have all the disagreeable weather of winter and spring at once. We have had rain or snow almost every day for two weeks past. Perhaps spring will set in in earnest, when the present "spell" is

Persons desirous of passing an evening pleasantly will do well to visit Hitchcock's national hall on Second street. His entertainments are very excellent-none but good performers being engaged. The curtain rises at half-past seven—a half hour earlier than at other places of amusement, consequently you will reach home earlier than when attending elsewhere.

SALE OF CONDEMNED STOCK .- A large sale of condemned Government horses and mules is advertised by Captain Reichenbach, in our columns to-day. This sale is well worth the attention of persons who are desirous of purchasing stock. Frequently these condemned animals are sold at very low rates, and by a liberal application of, feed can be improved to such a degree as to render them almost if not fully as valuable as they were before entering the service of the country.

THE aged pickpocket, Abraham Wolf, who accidentally placed his hand into Captain Sullivan's pocket, at the depot, a few days ago to whose fingers the Captain's pocket-book containing \$1,500, adhered until nearly out of at the time of the occurrence, is again at large. One thousand dollars bail has been given for his appearance at the April court. This is a very singular proceeding. It is not supposed that three week's imprisonment would seriously damage the health of Wolf, neither will he be materially benefitted by being at large three weeks, at the end of which time he will (?) appear for trial. Good-bye, Wolf!

A BIT OF ROMANCE. - When the bloody battle of Gettysburg was raging hottest, a your g Lieutenant, who was bravely leading his men in the front line, fell in the moment of making a victorious charge. Severely wounded he was borne bleeding from the field, and was taken to a private house, a short distance, in the rear of the battle ground. The army surgeons being all engaged in caring fr or the wounded, sheltered by the hospital to ats, the Lieutenant was left without a phyrician. A young lady, who was on a visit to some friends in the neighborhood, noticed his condition, and kindly bandaged his wound a and watched by his side until surgical ai d could be rendered. His injuries were four ad to be so great that his life was despaired of, and he was unable to be removed from the house. The young lady indly we lunteered to be his nurse. For weeks she bent over him, soothed his fevered brow and watched the faint flutterings of life). The sufferer gre w better; and, during the days of convalescence, the fair nurse and her patient learned, to speak of love. Before the young lady left for her home ir. Kentucky, the vows of love were plighted. Months rolled away, and the Lieutenant's, wounds were healed, but he could not for rget his nurse; and, taking the train for Lor isville, he again stood in the presence of has betrothed. On last Thursday evening the romance was finished with a sequel, by the happy pair being united in wedlook.

Why are the rebel leaders like turkeys? Because when their necks are stretched there will be a general thanksgiving.

Mr. Cyrus Bowman, of Perry county, was robbed of \$65 last night, by the light-fingered gentry of this city. The robbery occurred on Brown's Bronchial Troches, Wistar's Lozenges gentry of this city. > To-DAY has been most disagreeable. It was, gloomy, dark, snowy, rainy, very damp, and uncomfortable generally. Mud and water had possession of the streets, the pavements and the crossings. Managers of the "showhouses" were grumbling, the boot-black boys were ill-natured, and the ladies were out of humor at being prevented from displaying their finery on the streets.

> SEASONABLE INFORMATION .- As we are just about entering upon the season for planting trees, vines, shrubbery, etc., we would invite the attention of our readers to the advertisement of the Keystone Nursery, where can be found all kinds of shade and ornamental trees, fruit trees, ornamental evergreens, grupe vines, box-woods, japonicas, magnolias, altheas, Irish and English yews, asparagus roots, blackberry, raspberry, strawberry, gooseberry, current and other plants, besides everything belonging to the nursery business, and all of the very best qualities. MANAGER ROUSE, of the Star Combination Troupe, is always endeavoring to please the public, and maintain the excellent character which the Company has won for itself during the past eleven weeks. No other Troupe ever succeeded in drawing crowded houses more than two weeks. The fact that Mr. Rouse and his excellent performers have filled the hall on sixty-four evenings, is the only recommendation necessary to induce the public to consider them A No. 1. To-night the great thrilling drama, THE POACHER'S DOOM, will commence the entertainment, with Misses Denham and Sprague, Messrs. Rouse, Jenthe pocket; and whose arrest and commit- nings, Cros sen and others, to sustain the vament to prison for trial we noticed at length | rious characters. The Whites and Browns will conclude the bill. Go early, or you will not obtain a seat. The hall is growded nightly.

JEFFERSON, O. The dwelling house of James Ekey, Cross Creek township, was entered on Thursday night about midnight by two ruffians, who demanded his money. HARRISBURG, Jan., 1864. To C. A. BANNVART-Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c., JNO. WALKER JACKSON. Pastor of the Locust St. Methodist Church.

To C. A. BANNVART-Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing.

Coughs and Colds.

The sudden changes of our climate are sources of Pulmonary, Bronomial and Astimatic Appropriates. Experience having proved that simple remedies often act speedily when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Trockes" or Lozenges, let the Cold, Cough or Irritation of the Throat be ever so slight, as by this precaution a more serious at ack may be effectually warded off. Pu LIO SPEAKERS and SINGERS will find them effectual for clearing and strengthening the voice. Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.

THE GREAT IMPROVEMENT OF THE AGE F. ZIMMERMAN, No. 52 Market street, Harrisburg, has received the agency of the Com casurer of Time and Recorder of Dates,

LEWIS' PATENT CALENDAR CLOCKS

LEWIS' PATENT CALENDAR CLOCKS, to which wonderful piece of mechanism he respectfully invites the attention of the public. The great advantage of this clock is, that the machinery of the calendar is entirely disconnected with the works of the clock; that it is simple in its construction, requiring none of the cleaning necessary to the works of an erdinary clock, and it can be transported without the least liability to damago. This Calendar is self-setting; the 24-hour wheel of the cleck moves the Calendar at midnight for the following day, and the mechanism of the Calendar is such that is sets itself for the long and short months, thus, without any attention (except to keep the clock wound) it will not only point out the time of day but also the day of the week, day of the month and month of the year, giving all days to Jan., March, May, July, Aug., Oct. and Dec.; 20 days to April, June, Sopt. and Nov, and to February it will give 22 days for three successive years and on the fourth year 29 days, thus making all the changes, including Bissextile or Leap Year.

Have you a Cough? Have you Sore Throat?

Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late, From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole median would have been seen as the whole median would be been seen as the whole median would have been seen as the whole median would be seen as the work of the seen as th the whole medical world has been impressed that there was a mysterious power and effi-ciency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medical properties so as to heal the lungs; has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigeration of the digestive organs—the strengthening of the debilitated Stem—the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cor-dial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each dis-eased part, relieving pain, subduing inflamma-tion, and restoring a healthful tendency. Let this two-fold power the healing and the this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates.

They are from men and women of unquestionable worth and reputation:

Dr. Wishart-Dear Sir:-I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines; and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure.

Publish my case if you think proper.

Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to the public as a safe and sure remedy for those similarly afflicted, as I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs. Yours respectfully, JOHN V. PARKER, Daguerrean Artist.
