RECRUITS continue to arrive in large numbers, although the Government bounty is only \$100. BANNVART'S BRONCHIAL TROCHES,

For the cure of Hoarseness, Throat Dis-&c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa., to whom all orders should be addressed.

Sold by druggist every where.

Read the following testimonials from some of our eminent clergymen:
HARRISBURG, Feb. 8th, 1864.

C. A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.

Yours truly, T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

728 I agree with Mr. Rebinson as to the value of Bannvart's Bronchial Troches.
W. C. CATTELL, Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan., 1864. To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorate and that rant, and that want has been supplied in your

excellent Troches. I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c.,
JNO. WALKER JACKSON. Pastor of the Locust St. Methodist Church.

To C. A. BANNVART-Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing.
Yours, &c., G. G. RAKESTRAW, Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, HARRISBURG, Feb. 29, 1864.

To C. BANNVART—Dear Sir:—I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

Coughs and Colds.

The sudden changes of our climate are sources of PULEONARY, BROMEHAI and ASTRUATIO APPECTIONS. EXPERIENCE having proved that simple remedies often act specifily when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Trockes:" or Lozenges, let the Cold, Cough or Irritation of the Throat be ever so slight, as by this precaution a more scrious at ack may be effectually warded off. PULIC SPRAKERS and SINCERS will find them effectual for clearing and strengthening the voice. Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.

MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE, Obtained by a peculiar process in the dis-tillation of the tar, by which its highest medical properties are retained.

Have you a lough? Have you Sore Throat?

Have you a Cough? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late, From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the

Consumption has destroyed more of the numan family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and effi-ciency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medical perties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigoration of the digestive organs the strengthening of the debilitated system the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial its believe and converting arrivable is dial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

DR. WISHART-Dear Sir:-I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but the uope of recovering.
