TOWN AND COUNTRY

MILITARY RELIEF FUND. -The regular month ly payment will be made on Friday afternoon, at the Sheriff's office, between the hours of four and six. GEORGE BRRGNER, Prest. O. EDWARDS, Sec'y.

PICK-POCKETS AT THE DEPOT. -While at the depot to-day, a citizen pointed out to us two elegantly dressed gentlemen with a lady, who, he informed us, were pick-pockets. Attired in the height of the fashion, these scamps and their pall were undoubtedly out on a tour of plunder. Will the police please be on the alert?

THE SUPERINTENDENT OF PUBLIC GROUNDS. and his assistants, are busily engaged in preparing that delightful resort for its usual summer frequenters. The rain of the past few days interfered with their preparations, but the indications now are that the weather has settled, so that the public grounds will soon put forth their natural beauty.

THE NEW EXECUTIVE MANSION.—We hear, through unofficial yet reliable sources, that it has been decided upon to purchase the magnificent residence erected by the late Wells Coverly, for the purpose of devoting it to the uses of an Executive mansion. The house is large and commodious, eligibly located, and in all respects fitted for the purpose contemplated.

INFORMATION WANTED-Of the whereabouts of John L. Grayson, of Greene county, Virginia. He left his home on the 24th of December, 1862, with the intention of making his way to the loyal States, and when last heard from was said to have been at Sharpsburg, Washington county, Maryland. Should this meet his notice, it will inform him that his wife, Ann E. Grayson, has also made her escape from Virginia, and is now staying in the vicinity of Waynesboro', Franklin county, Pennsylvania, where she can be addressed.

AN IMPROVEMENT NEEDED AT THE MARKET House ... Those who attend market havelong complained of the nuisance they are compelled to endure for the want of proper spouting to carry the water from the roofs of these houses, and the muddy if not absolute filthy condition of the street, during rainy weather, immediately surrounding the same. Council should lay a raised pavement, constructed so as to prevent its being used by ve hicles, and place spouting along the roofs of the houses at once. Those who have complained to us on this subject, in order to get relief, must proceed a step further and petition council.

THEATRE! - Crowds continue to throng Brant's Hall, where can be witnessed the best performances ever given in this city. On this evening Rouse's Star Combination Company will give their sixty-seventh entertainment, when the performance will commence with the romantic play entitled the Maniac Lover, or The Fayre Lass of Litchfield, with Mr. Jennings as Michael Earle, the maniac lover. This fine drama will be followed by the musicial comedietta of The Rough Diamond, or The Country Cousins, in which that mirthprovoking comedian, Mr. Rouse, will appear as Cousin Joe, and will "have buttons all over him." Go to Brant's Hall to-night. Be sure to secure your seat early.

A SAD CASE OF IMPOSITION—The Frauds of Bounty Brokers. - Some time since a substantial, respectable and venerable farmer from a neighboring county, came to this city on business having a connection with the interests of two of his sons who are now in the army. While here, the unsophistocated yeoman was decoyed into the company of a party of bounty brokers or shyster lawyers, who, after dosing the old man with drugs and coloring his hair, managed to have him regularly enlisted and credited to the quota of one of the districts paying a large bounty. After the enlistment and payment of the bounty, the shysters robbed the recruit of his money, and when the old man came within the control of the officers at Camp Curtin, they discovered that he was incapable of service, and accordingly ordered his discharge. All this time this poor old man-he is over 60 years of age-was sufforing from the effects of the drugs administered to him, and only fully recovered after he reached home. But he had scarcely began to feel secure at his own hearth, when he was arrested by a military detective, who conveyed him to Camp Curtin, where he now is, a

prisoner charged with the crime of desertion. -The facts in this case exhibit the extent

THE TWENEY-FIRST CAVALRY, -Lt. Col. Moson, of the 21st Pa. Cavalry, informs us that the regiment is still at Chambersburg, and has not been ordered to Pottsville, as stated by the organ of this morning.

LEE, No. 69 MARKET STREET, has received an additional supply of canes, imported and manufactured to order for presentation. His stock is now the largest in the city. Those in want of articles in his line should not fail to give Lee a call, as he never fails to give satisfaction.

POLICE AFFAIRS-Before the Mayor .- The ollowing cases were disposed of this morn-

Philip Singer, drunk, (conveyed to the Mayor's office in wagon,) in default of fine, committed for two days. 😅 📑

George Wolf and Frank Brady, drunks, were discharged upon the payment of fines and costs.

Lewis Mendal and Christian Cover were up for drunkenness, disorderly conduct, &c. These men being soldier were handed over to the military authorities.

HARRY DAVIS' PANOBAMA OF THE GREAT REBELLION goes to York to-day, where it will be open for exhibition this evening. We congratulate our many readers in York on the grand treat in store for them, as this panorama is regarded by connoisseurs as one of the greatest works of art in the country. It is the most faithful historical painting ever attempted by an American artist. As his season in York will be short, in order to allow Mr. Davis time to fulfill engagements elsewhere, we advise the people of that ancient borough (whose copperhead burgess once thought to hand them over to the tender mercies of an invader) to be prompt in visiting his Panerma of the Rebellion.

INFORMATION WANTED OF MR. ROBERT ED-DINS, a printer from Port Republic, Rockingham county, Virginia, and now a refugee in the loyal States the having left Wir. ginia some time in the fall of 1863. Any information respecting his present location will be gratefully received. Should this notice come under his observation, it will inform him that his office-mate and "typo" friend has also left Virginia, a refugee from rebel tyranny, and may be thus addressed: W. H. H. FRENCER, Chambersburg, Pennsylvania.

Also, any information as to the whereabouts of Mr. John B. Engleman, a refugee from Staunton, Augusta county, Virginia, will confer a great favor by being sent to the above

address. Newspapers throughout the country will

olease copy. SHE HAS GONE.—How many thousand as sociations are connected with the words, "She has gone." It takes us back to our companions at play on the village green, and revives the recollection of many happy hours spent together when we were young, and perhapa is a text in the life of many, upon which could be written a detail of events that would be so startling in their nature that the quiet and undisturbed life of some would be so uncharitable, or at a loss to realize, that they would pronounce it romance or liction. Fair reader, we do not use the words on this occasion for any other purpose than to say that she has gone to the cheap dry goods store of C. L. Bowman, No. 1 corner of Front and Market

SPECIAL NOTICES.

NEW FIRM. Mr. C. J. JESTER, who has been engaged at sign painting for the past three or four years, in our midst, has associated with him Mr. J. P. Barringer, and they are now prepared to do HOUSE AND SIGN PAINTING in all its branches and have accordingly opened at the old stand, under the firm of Jester & Barringer, Court House alley, near Market street, where all orders will be promptly at-tended to.

BANNVART'S BRONCHIAL TROCHES,

For the cure of Hoarseness, Throat Dis &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. Bannvart & Co., Harrisburg, Pa-, 15 whom all orders should be addressed. sold by druggist every where.

Read the following testimonials from some

of our eminent clergymen:
HARRISBURG, Feb. 8th, 1864.

C. A. Bannvare—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat-troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in

time of need, most effectually.
Yours truly, T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

yalue of Bannvart's Bronchial Troches.
W. C. CATTELL, Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan., 1864. To C. A. Bannvare — Dear Sir. In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your

excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c.,
JNO. WALKER JACKSON. Pastor of the Locust St. Methodist Church.

To C. A. BANNVART Dear Sir: Having used To C. A. BANNVART Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE, } HARRISBURG, Feb. 29, 1864. To C. A. BANNVART—Dear Sir:—I have ound your Troches to be invaluable in re-

200 Coughs and Colds.

The facts in this case exhibit the extent of the corruptions on the part of many of those engaged in the substitute business in this city. But we refrain from referring to these until after the investigation which will be had of this affair to-day, when we will publish such facts and names as are involved in this most villations outrage.

COURDS and Colds.

Checken of the sudden changes of our climate fire sources of Pulling States. The surface of the states and surface in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches for Lozenges, let the Cold, Cough or Irritation of the Throat be ever so slight, as by this precaution a more serious at ack may be effectually waided off. Pulling States and Surgans at strengthening the voice. Soldiers should him them effectual for the strengthening the voice. Soldiers should him them as they can be carried in the pocket and taken as occasion requires.

Mrs. Ball's Remedies.

I take this method of cheerfully thanking the public for past favors, and still solicit their kind attention to my medicines. To tell of all the wonderful cures I have been able to perform would be impossible. I would call the attention of the ladies particularly to this valuable medicine. I think I can safely say it is the very best offered to them. It will regulate the whole system; can be taken at any time; no tear need be apprehended in regard to it. I have also a valuable Salve to kill prouditiesh, and another to draw and heal. This has healed sores that have run 20 years. My Dysentery Drops, Infant cordial and Cough Drops have been well tried. I need say nothing in their favor. I have constantly on hand those Medicines and Salves. MRS. L. BALL, mar16 No. 27 South Pine street, Harrisburg, Pa.

LEWIS! PATENT CALENDAR CLOCKS! The Measurement of Time and the Record of

Dates Combined. THE GREAT IMPROVEMENT OF THE AGE! F. ZIMMERMAN, No. 52 Market street, Harrisburg, has received the agency of the Combined Measurer of Time and Recorder of Dates,

LEWIS' PATENT CALENDAR CLOCKS, LEWIS' PATENT CALENDAR. CLOCKS, to which wonderful piece of mechanism he respectfully invites the attention of the public. The great advantage of this clock is, that the machinery of the calendar is entirely disconnected with the works of the clock; that it is simple in its construction, requiring none of the cleening necessary to the works of an erdinary clock; and it can be transported without the least hability to damage. This Calendar is self-setting; the 24-hour wheel of the clock moves the Calendar at midnight for the following day, and the mechanism of the Calendar is such that it sots itself for the long and short months; thus, without any attention (except to keep the clock wound) it will not only point out the time of day but also the day of the week, day of the month and month of the year giving it days to April, June, Sept. and Nov., and to February it will give 28 days for three successive years and on the fourth year 29 days, thus making all the changes, injuding Bissextile or Leap Year.
