TOWN AND COUNTRY.

The spotted fever is rapidly disappearing from the various sections of the State in which it had prevailed.

The river has been gradually rising until it has reached a high pitch. Logs, &c., are floating down in profusion.

GORTSCHALK and troupe will give a grand entertainment in Holden Hall, Elmira, on Wednesday evening, 13th inst.

An important notice to magistrates, prosecutors, witnesses and jurors is published by the Prothonotary. All interested should give it their attention.

There will be a choice entertainment at Sanford's Opera House, this evening. The whole company of stars will appear. Go to Sanford's to-night.

Mrs. J. Hines, of No. 8, Market Square, has just opened a splendid assortment of millinery goods of the latest styles, which she will dispose of at reasonable rates. See card in our advertising columns.

SALE OF STOCK.—On Thursday next, Capt. Reichenbach will commence a sale of condemned Government stock at the corral, near Union Deposit, and continue it from day to day until 130 horses and mules are sold.

HIGH WATER.—The Swatara creek, at Middletown, rose at the rate of several inches per hour yesterday, and was then higher than it had been for several years. Fears were entertained of a regular flood, the consequence of which would be the destruction of much valuable property.

ROBBERY.—On Saturday night, the meat house of Stabler & Boston, on Ridge Road, was entered by a thief or thieves, and about one thousand pounds of meat, consisting of hams, shoulders, dried beef, &c., were stolen. No clue has yet been had of the robber.

ACCIDENT.—On Monday last, Mr. William Campbell, of this place, called at our office, and upon leaving, stumbled while going down the stairs, and fell to the bottom, breaking his left arm between the elbow and the shoulder, and otherwise injuring himself.

Friday evening—Mr. Campbell died about two o'clock this afternoon, from the effect of his injuries.—Newville Star.

SEVERELY INJURED.—Wm. G. Clark, baggage master on the Lebanon Valley railroad, fell out of the baggage car to-day, as the train was passing Rutherford's. It seems that Mr. Clark was about to throw a paper out of the car, when he lost his balance and fell out of the car. One of his legs and arms were broken in the fall, and he was otherwise severely bruised. He was brought to this city, where he was placed under the immediate care of physicians.

ROUSE'S STAR TROUPE.—Owing to the great success attending the introduction of the great drama, entitled *The Carpenter of Rouen*, last week, Rouse's Star Troupe will this evening repeat that interesting play, which is decidedly the most interesting as well as thrilling ever witnessed in Harrisburg. No doubt there will be a very great rush to Brant's Hall to-night. Those who desire to attend should secure their seats immediately, at Bannvart's.

OUR BEST PARLORS.—Don't keep a solitary parlor in which you go but once a month, with your person, special guests or sewing society. Make your living-room the house. Let the place be such that when your boy has gone to distant lands, or even, perhaps, when he clings to a single plank in the waters of the wide ocean, the thought of the old home-stand shall come to him in his desolation, bringing always light, hope and love. Have no duncion about your house—no room you never open—no blinds that are always shut.

GREAT CENTRAL SANITARY FAIR.—The attention of every reader is invited to the advertisement of the great central fair, to be held in Philadelphia. Here a fine opportunity is offered to each man, woman, boy and girl, in the State, to do something to aid in the great and noble work in which the Sanitary Commission is engaged. Persons of every trade and profession are appealed to to contribute a day's labor or a day's income. Business men are invited to give a day's profits. Let every one who reads this paper consider himself or herself directly addressed by the Sanitary Commission, and then aid in doing good. Organize societies or clubs; organize your workshops—in your families; let the men organize; let the women organize; let the trades organize; organize everywhere; let the workmen give with their employers, the employers with their workmen. It is easily done. If the workmen will authorize their employers to deduct one day from their week's or month's earnings, and the employers will add to it a day of edged together, the whole sum will be acknowledged. We say to all, go to work at once with your contributions. Every acknowledgment you simulate others to follow your example. Let all work for the benefit of our sick and wounded soldiers!

HOPE FIRE COMPANY, ATTENTION.—A stated meeting of the Hope fire company will be held at their house on Friday evening next, the 15th. The active, contributing, and honorary members of the company are requested to be in attendance, as business of great importance will be transacted. Let there be a full turn out. apr11-dtd

NEW READING ROOMS.—Y. M. C. A.—The regular monthly meeting of the Young Men's Christian Association will be held to-morrow (Tuesday) evening, in their new rooms, in Wyeth's building, Market Square, opposite the Jones House. As this will be the first meeting held in the new rooms, it is desired that every member of the association will be present, and a cordial invitation is extended unto all the young men connected therewith.

POLICE AFFAIRS.—Before the Mayor.—Yesterday morning the following cases were heard: Sarah Turner, arrested for disorderly conduct and drunkenness, on North street, where she was found during the rain of Saturday evening, was committed to prison for forty-eight hours.

Samuel D. Daugherty, who was destitute of means, was furnished lodging in the jail for forty-eight hours.

John Keshan, drunk and disorderly, was arrested on North street, where he was engaged in destroying earthen ware, &c. He was committed to prison, also.

Two soldiers were arrested for disorderly conduct, but no serious charge being sustained against them, they were discharged.

There was not a single case before the Mayor this morning. The lock-up was tenantless last night.

Before Alderman Kline.—John Brady was arrested last night by officer Campbell, on a charge of waylaying and beating Ephraim W. Jones, in this city, about ten days ago. Alderman Kline committed him for trial.

THE LATE LIBRARIAN OF THE SENATE.—The Clinton Republican, in referring to the death of Captain Brady, gives some interesting facts in relation to the past history of the gallant dead. It says:

Capt. Brady was a descendant of the celebrated family of this name, whose exploits form so large a part of the history of the early Indian wars of this country. He inherited the chivalrous spirit of his ancestors, and though but nineteen years of age at the outbreak of the war with Great Britain in 1812, he raised a company in this vicinity and marched promptly and eagerly to the scene of active hostilities. On reaching the shores of Lake Erie, he found Commodore Perry fitting out his naval expedition, and with his command joined the fleet and had the honor of taking part in the brilliant action which resulted in driving the English from that lake. The gallantry of Capt. Brady during that engagement attracted the notice of Commodore Perry, and secured for him a gold medal in attestation of his heroic conduct on the occasion. For many years after the war he resided on his farm, honored and respected by all who knew him. He was several times a candidate for important public positions, but being of the weaker party he was unsuccessful. In 1845 he was elected to an office in the Legislature, and has remained ever since in connection with that body.

At the meeting of the City Council, held on Saturday evening, the following communication from the Mayor was presented by Mr. Hickok, President of the Council:

MAYOR'S OFFICE, HARRISBURG, April 9, 1864.

To the President and Members of the Common Council.

GENTLEMEN: By referring to the proceedings of the State Senate, on the 8th instant, you will perceive that there is a serious attempt now being made in the Legislature to remove the seat of the State Government from Harrisburg to the city of Philadelphia. The large investments of capital made from time to time by our citizens in city improvements have been so intimately interwoven with their implicit reliance on the permanency of the location of the seat of the State Government in this city, that this sudden and extraordinary movement assumes a degree of importance which you will readily appreciate.

Under these circumstances I beg leave to recommend prompt and energetic action on the part of your honorable body. In addition to the measures you may deem proper to adopt in your official capacity, I earnestly recommend the calling of a town meeting, on Tuesday evening next, in order that our citizens may have an opportunity to protest against the consummation of an act which, in its consequences, is so likely to prove ruinous to individuals and detrimental to the interests of the city at large.

A. L. ROUMFORTH, Mayor.

After the consideration of the above, the Council adopted the resolution (published elsewhere) calling a meeting of our citizens, for Tuesday evening.

Meeting of Council.

A special meeting was held on Saturday evening last, at the request of the Mayor, to take into consideration the resolution now pending before the Legislature for the removal of the seat of Government. The following was unanimously adopted:

COUNCIL CHAMBER, HARRISBURG, April 9, 1864.

At a special meeting of the Common Council held this evening, it was Resolved, That the Common Council immediately issue a call for a town meeting to be held at the Court House, on Tuesday evening, the 12th instant, at half-past seven o'clock to adopt measures in relation to the bill now pending in the Legislature for the removal of the seat of Government from this city to the city of Philadelphia, and that the Council will attend the meeting aforesaid in a body.

Extract from the minutes. DAVID HARRIS, Clerk.

In pursuance of the above resolution, I hereby cordially invite all good citizens to attend the said meeting at the time and place above stated, to adopt such measures, as in their wisdom they may see fit and proper.

President of the Common Council. Attest: DAVID HARRIS, Clerk.

We hope that all our citizens who have the best interest of the city at heart, will attend and sustain the Council in their praiseworthy effort to thwart the design of mercenary Philadelphians, to destroy the interest of our citizens and the country at large.

Military Business Attended To.

FOUR REASONS WHY THE LEGISLATURE SHOULD NOT BE REMOVED FROM HARRISBURG.—First, The acceptance by the State of a certain tract of land donated and conveyed by Mr. Harris for a special purpose, in which is implied a covenant. Second, The doubtful constitutionality of its removal, unless by a direct vote of the people. Third, The central and beautiful location. Fourth, The great advantage to Senators and Members arising from the privilege of purchasing from the large stock of dry goods always to be found at the cheap store of C. L. Bowman, No. 1, corner of Front and Market streets, Harrisburg, the seat of Government.

BANNVART'S BRONCHIAL TROCHES, For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. Manufactured only by C. A. BANNVART & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggist every where. Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 8th, 1864. C. A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Bronchial Troches. To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that what has been supplied in your excellent Troches. I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public addresses. Yours, &c., JNO. WALKER JACKSON, Pastor of the Locust St. Methodist Church.

To C. A. BANNVART—Dear Sir: Having used your Bronchial Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c., G. G. RAESFRAW, Pastor of Ridge Avenue Methodist Church.

MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE. Obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

Have you any of the premonitory symptoms of that most fatal disease, Consumption? Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medicinal properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must expel from the system the corruption which scrofulous breeds. While this is effected by the powerful alternative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

DR. WISHART—Dear Sir:—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me a past cure. Publish my case if you think proper. REBECCA HAMILTON, No. 1321 Wylie street, Philadelphia.

MR. WARD SAYS: DR. WISHART—Dear Sir:—I had Bronchitis, Inflammation of the Lungs, Shortness of Breath
