BURNS, OF GETTYSBURG, VOTES FOR GRANT.— At the New York Sanitary Fair, on Friday evening, Burns, the Gettysburg farmer, stepped up to the book in which the votes for the army sword to be presented to one of our generals are registered, and entered his vote for Lieutenant General Grant.

A DEN of iniquity located somewhere in the suburbs of the city, narrowly escaped a cleaning out, by a party of drunken soldiers, last night. The door of the house was badly shattered, after which a "compromise" of some sort was effected, and further destruction of property avoided.

UNFORTUNATE. -Mr. Cyrus Bowman, of Perry county, who was recently robbed in this city, (a notice of which appeared in our columns,) appears to be unfortunate, he having had one of his legs badly smashed and broken a day or two ago, by a wagon, loaded with lumber, passing over it.

IN THEIR GLORY. - The warm rains and sunshine have set the suckers to running, and the lip-net and set-net fishers are in their glory. Judging from present appearances, it will be some time yet before the disciples of cold line to the trout.

W. J. LAWRENCE, Secretary.

CHANGE OF OPERATORS.-Mr. James M. Fisher, late of Pittsburg, is about to take charge of the A. & O. telegraph office in this city. Mr. F. has long been connected with the Pittsburg office, and is one of the best operators on the line. We are pleased to notice his appointment to the place.

IMPORTANT DECISION. -The Mayor has decided that the spring balances in use in our market, by butchers and others, are illegal, and the use of them must be discontinued at once. This is a very important decision. Our citizens have long been imposed upon by their use, as in numerous cases the articles purchased fell considerably short of the weight paid for. In this decision the Mayor will be sustained by all who are in the habit of purchasing their provisions at market.

ARRIVAL OF REFUGEES .-- During last night, twenty-three refugees from the horrors of rebellion, comprising twelve men and women, and the remainder helpless children, arrived in Harrisburg. They were kindly received and treated at the Soldiers' Retreat, and removed this morning to the refuge provided by the bounty of the State for such unfortunates.—Pittsburg Gazette.

These are the refugees that were subsisted and lodged by our citizens for the past two months. They were forwarded to the west by the liberality of Thomas A. Scott, Esq., Vice President of the Pennsylvania railroad, who extended to them a free passage over that road.

THE East Pennsylvania Conference of the United Brethren in Christ recently held their session in Schuylkill Haven. Two of their number were disposed of in the following straightforward manner:

WHEREAS, Their disloyalty to our church and their country will fit them best to be among the friends of the Southern rebellion, and the sympathizers with Davis & Co.; there

Resolved, That their names be crased from our Conference journal, and that the presiding elder of the Harrisburg district demand their license, and that they be considered no members of our church.

SWORD IN LOVAL HANDS. -In thes Isaac" will have the pleasureof dropping a days of general prosperity, when money, milk and honey flow in abundance through the land, there is nothing so easily accomby the Cambria county court, of murder in plished as the purchase of a sword for presentation to some one of the gallant men whose deeds of valor and sacrifices have made the name of America immortal. But the mere that the jury that convicted Moore favored his purchase of a sword for presentation is easily accomplished. Almost any man, or at least any dozen men, can afford to pay for a sword—but it is not any man, or every dozen men, who have the enterprise and the abilin the State, was in the State capital, a guest ity to conture such an article for presentation. at the Brady House, yesterday. - Capt. M. | We were led to these remarks by having seen a beautiful sword just presented by Capt. W. through the city, last night, en route to join P. Tomlinson to Col. John H. Stover. The weapon was captured at the time M'Clellan lay before Richmond, when a blow from him might have resulted in the capture of that city, if not in the overthrow of the rebellion. Captain Tomlinson was in the advance, and in one of the skirmishes with the rebel pickets, had the good fortune to reduce Lee's army at least one man, and to bear away as a trophy the weapon with which the traitor waged war on his country. It was undoubtedly at one time the property of the United States, but had been adorned by a fine gilt scabbard, and otherwise embellished to please the fancy of the reb. who wielded it. On the scabbard is the following inscription:

Captured near Richmond, Va., on the 15th of June, 1862, by Captain M. P. Tomlinson, and presented by him to Col. John H. Stover, 184th Regt. P. V.—1864.

POLICE AFFAIRS Before the Mayor. J. H. Brooks and Washington Keesey (the same in dividuals who were arrested on a charge of riot the other night) have been before the Mayor for having violently assaulted the premises of Martin Erb, in Meadow lane. A number of large brick-bats were thrown through a window, into a room in which a woman and child were sleeping, greatly dangering their lives. Brooks and Keesey are soldiers. In consequence of their violent conduct, they were furnished quarters in the county prison. Isaac Reynolds, Robert Strine and Joseph Myers, soldiers, were arrested for drunkenness and disorderly conduct, and handed

C. A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for housesiess and throat troubles, and in comparison with them all, can cheerfully commend your own as a state of the commend most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.

Yours truly, T. H. ROBINSON,
Paster of N. S. Fresbyterian Church.

HARRISBURG, Jan., 1864. To C. A. Bannyart—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c.,

BANNVART—Dear Sir: Having used your Troches, I can free to say they are the best I have ever tried and take great pleasure in recommending them to all per afflicted with sore throat or huskiness of voice arising from public speaking or singing. MEDICAL.

DR. WISHART'S PINE TREE TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREF, Obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained.

Have you a Couph? Have you Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption? Those who should be warned by these symptoms generally think lightly of them until it is too late, From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the graye at least "conseight" of distilling the conseight. lence and fatality of disease which sweeps to the grave at least "one-sixth" of death's

Consumption has destroyed more of the human family than any other disease, and the best physicians for many orner cusease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medical properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary

Consumption?" My answer is this:
The invigoration of the digestive organs the strengthening of the debilitated system the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected which scrofuls breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cor-dial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each dis-eased part, relieving pain, subduing inflamma-tion, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too

long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:

Dr. WISHART-Dear Sir:-I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time. I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and 4 commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure.
Publish my case if you think proper.

Dr. Wishart's Pine Tree Tar Cordial is an infalliable cure for Bronchitis, Bleeding of the Lungs, Sore Throat and Breast, Inflamma tion of the Lungs.

Mr. Ward says: Dr. Wishart—Sir:—I had Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; Î had been treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health. I was truly on the verge of the grave. Your Pine Tree Tar Cordial was highly recommended to me by a friend; I tried it, and am thankful to say that, after using four large, and one small, bottles, I was restored to perfect health. You can give reference to my house, No. 968 N. Second street, or at my office of Receiver of Taxes, from 9 A. M. to 2 P. M., corner of Chestnut and Sixth JOHN WARD.

Read the following from Utica: Dr. WISHART—Dear Sir:—I take pleasure in informing you through this source that your Pine Tree Tar Cordial, which was recommended for my daughter by Dr. J. A. Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to the public as a safe and sure remedy for those similarly afflicted, as I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs. Yours respectfully, JOHN V. PARKER, Daguerrean Artist.

* * * * :- I have used Dr. Wishart's Pine Tree Tar Cordial in my family, and can cordially recommend it as a valuable and safe medicine for colds, coughs and to those predisposed to consumption.
