TOWN AND COUNTRY.

Meeting of the County Committee.

The County Committee will meet on Friday evening next, April 22, 1864, at seven o'clock, at the office of H. C. Allen, Esq., for the purpose of selecting delegates to represent this county in the next State Convention, and transact such other business as may be brought before them. H. THOMAS, Chairman.

LOCAL AFFAIRS are uncommonly dull. Scarcely anything worthy of note has transpired within the past day or two.

BIOGRAPHICAL SKETCHES OF THE MEMBERS

OF THE PENNSYLVANIA LEGISLATURE.—Now in press, and to be issued on Thursday, April 1st, a 144 page pamphlet, containing full and reliable biographical sketches of the Senators and Members of the House of Representatives of Pennsylvania of the session of 1864. Members and others supplied at the rate of \$3 for ten copies, or twenty copies for \$5, on application to L. C. Evans, box 146, Harrisburg, P. O., or Oliver Yoder, House of Representatives. ap20-3t

CIRCUS COMING!—Gardner and Hemmings' great American Circus will exhibit at the foot of Market street, in this city, on Monday, Tuesday and Wednesday, May 23, 3d and 4th. Also, at Hummelstown, on Saturday, April 30th.

THE PRICES of marketing are gradually declining. This morning butter was offered at 35 to 40 cents, eggs at 15 cents, &c. There was an abundant supply of greens offered, but the majority of our citizens were not green enough to purchase at the high prices demanded.

An adjourned meeting of the Hope Fire Company will be held in their hall on Wednesday evening, at the usual hour. Punctual attendance is requested, as final action will be taken on the matter that was before the company at their last meeting. ap19t

A JOHNSTOWN paper says Mr. Joseph Moore has arrived in town, looking well and hearty. The rumor of his pardon has proved to be true. Life and time must now feel doubly sweet to him. We understand a petition is now in circulation, to be presented to the Court, praying for a divorce from the bonds of matrimony.

NEW MILLS.—Two new rolling mills are about to be erected in Allentown—both by joint stock companies. One of the companies has a present capital of \$75,000, and is called the "Jordan Manufacturing Company." The other is the "East Pennsylvania Iron Works." Ground has already been broken for both mills and the work commenced.

A BIG WELL ON THE RIVER.—The Franklin (Pa.) Citizen says: Much excitement has been caused in the past few days concerning the oil lands on the Allegheny river, by the rumor that a Mr. Phillips, who has been boring a well somewhere between Oil City and West Bend, on the river, had struck a heavy vein of oil, and that the well was flowing from 700 to 800 barrels per day.

CHURCH DEDICATION.—On Sunday morning next, at 10 o'clock, the dedication of the Wesleyan Union Church, corner of South street and Tanner's alley, will take place. Special arrangements have been made for the accommodation of the white population. In the afternoon the exercises will be conducted by Rev. J. Walker Jackson, of the Locust street M. E. Church. The public are invited to attend. See advertisement.

THE ROBBERS!—Schiller's Great German Tragedy!!—At the theatre, to-night, will be produced the great thrilling play entitled THE ROBBERS, in which the whole Star Combination company will appear. There is a splendid cast of characters. The mere announcement of THE ROBBERS will attract an overflowing audience. The entertainment will conclude with the laughable farce, *Nan, the Good-for-Nothing*. Go early, to avoid the jam. Secure your tickets at Bannvart's drug store. Mr. Rouse having engaged the celebrated Campbell Minstrels for the balance of this week, the dramatic company will not appear after this evening, until Monday next. Go to-night and see the best company that ever visited Harrisburg.

The Northern Central railroad company has contributed one thousand dollars to the Maryland Sanitary Fair, now being held in Baltimore.

ATTENTION, KEYSTONE BASE BALL CLUB!—A meeting of this club will be held in the office of Chief Engineer of the Northern Central Railway, this evening at 7 o'clock. Every member is requested to be present, as arrangements will be made to open the playing season. By order.

THE CASE OF MORGAN BRYAN.—We have alluded to the trial and conviction of Morgan Bryan, for a homicide committed at Chambersburg during the early part of the war. The defendant was sentenced, on Saturday, to ten years' imprisonment in the Eastern Penitentiary.

SANFORD'S OPERA HOUSE has been crowded to excess, since the appearance of the Singing Dog Dick. This famous canine wonder will appear every night this week, and will also the celebrated Bordwell family, the clog champion Joe Childs, and Mortimer, the lion banjoist, besides the whole opera troupe. There is a magnificent bill for this evening.

To-morrow evening, will be performed, for the first time, an original play founded on facts that occurred in our vicinity, entitled "*Incidents of Camp Life*," or *How to Cure a Maid*." This is a capital hit, and will draw immensely.

At a meeting of the Working Women's Relief Association, held at Sanson Street Hall, Philadelphia, on Monday night last, the following resolution was unanimously adopted: Resolved, That the thanks of the working-women of this assembly and of the State be tendered to the members of the Legislature of Pennsylvania who, for the last three sessions, have so nobly advocated a more extended industrial sphere for woman, and shown by their liberal appropriations that they are alive to the necessity of a more thorough and practical education, and a higher social and moral condition for woman. The action taken by the members of the Legislature in doing so, is a great step in the industrial training of woman may become a State movement, and inaugurate a position of usefulness and independence for the entire sex.

POLICE AFFAIRS.—Before the Mayor.—John Dunsmore, soldier, drunk and disorderly, was arrested. He had a large amount of money, which was taken in charge by the Mayor until this morning, and then restored to him. Dunsmore was handed over to the Provost Marshal to-day.

James Daley was arrested on a charge of larceny, but was discharged. He had been entrusted with a lot of money, as "stakes" on a bet. This was refunded.

Joshua Harris and John Fry—the latter a lumberman, drunks and disorderly, were discharged, on payment of the usual fine and costs.

G. W. Glasgow was found asleep and drunk, down town. When he became sober he discovered that a lot of dry goods and all his money had been stolen. The Mayor thought he had suffered sufficiently, and discharged him this morning, without the payment of a fine.

Before Alderman Cole.—Anna Smith, Ellen Stewart and ——— Smith, arrested for disorderly conduct, were committed for two days. John McDonald, charged with stealing shoes and stockings from a house in West Harrisburg, was committed to prison for trial.

Before Alderman Maglaughlin.—Four individuals, John McCane, Wm. Kresley, Hetty Kresley and Mary Huber, charged with robbing a chicken coop, were committed for trial at next court.

A CORRESPONDENT writing to the Cincinnati Christian Advocate, March 30, 1864, says: Patent medicines are like doctors, some good, some good for nothing, but all having their friends to recommend them, and each receiving a share of public favor. For instance, the Constitution Water advertised in your paper, I happen to know is a reliable article for some of the diseases for which it is recommended. I have conversed with several intelligent druggists, some of whom are physicians, who speak in high praise of it for the cure of diabetes; and without the knowledge or acquaintance of the proprietor, I can say to such as have that troublesome and fatal disease, try it. It has remarkable virtues without a doubt.

W. S. LUNT.
Harrisburg, April 19, 1864.

Editor Harrisburg Telegraph.
The following resolutions were passed at a meeting of the Young Men's Christian Association, held April 15, 1864:

WHEREAS, It hath pleased God, in His inscrutable providence, to remove from our midst our late fellow member, Charles H. Zins; therefore, It is his death we sustain a loss which will not be easily repaired; for in his social intercourse he was all that could be desired, and those who knew him best loved him most.

Resolved, That we extend our young hearts' sympathy to his bereaved parents and relatives.

Resolved, That the members of the Y. M. C. A. wear crepe for the space of thirty days in memory of our late member.

Resolved, That a copy of these resolutions be published in the daily papers of this city, and a copy be presented to his parents.

HARRISBURG, Feb. 8th, 1864.
C. A. BANNVART—Dear Sir: I have used Brown's Bronchial Troches, for Hoarseness and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually.

Yours truly,
T. H. ROBINSON,
Pastor of N. S. Presbyterian Church.

I agree with Mr. Robinson as to the value of Bannvart's Troches.

W. C. CATTELL,
Late Pastor of O. S. Presbyterian Church.

HARRISBURG, Jan., 1864.
To C. A. BANNVART—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in your excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speech that huskiness of the voice arising from its too frequent use, and imparting the effectiveness of the delivery of public addresses. Yours, &c.,
JNO. WALKER JACKSON,
Pastor of the Locust St. Methodist Church.

To C. A. BANNVART—Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all persons afflicted with sore throat or huskiness of voice arising from public speaking or singing.

Yours, &c.,
G. G. HAKESTRAW,
Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE,
HARRISBURG, Feb. 23, 1864.

To C. A. BANNVART—Dear Sir: I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

Coughs and Colds.
The sudden changes of our climate are sources of Pulmonary, Rheumatic and Arterial Affections. Exposure having proved that simple remedies often speedily when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," as Lozenges, is the best remedy for the throat to ever so slight, as by this precaution a more serious attack may be effectually averted off. Pulmonary Sprains and Stomachs will find them effectual for clearing and strengthening the voice. Soldiers who have them, as they can be carried in the pocket and taken as occasion requires.

BEGS to inform the inhabitants of Harrisburg and vicinity that he has removed to No. 29 North Second street, two doors from Walnut, thankful for the confidence and patronage bestowed on him during his stay on Market Square, I hope to merit a continuance of the same at my new place.

PARTICULAR ATTENTION is called to the CELEBRATED TINTED PARABOLIC SPECTACLES, for which I claim the undermentioned advantages:

1st. That from the peculiar construction of the Glasses, they are clear and preserve the sight, rendering frequent change quite unnecessary.

2d. That they confer a brilliancy and distinctness of vision, with an amount of ease and comfort not hitherto enjoyed by spectacle wearers.

3d. That the material from which the Lenses are ground is manufactured specially for optical purposes, and is of the purest and most brilliant, and not liable to become scratched.

4th. That the frames in which they are set, whether in gold, silver or steel, are of the finest quality and finish, and GUARANTEED PERFECT IN EVERY RESPECT.

5th. That, from their peculiar color, they prevent a supposition of light affecting the retina, and therefore strengthening the optic nerve, and rendering it less liable to fatigue.

6th. That, by the use of a large assortment of Microscopes, Spectacles, Opera, Marine and Field Glasses; Stereoscopes and Views, Magic Lanterns, Barometers, Thermometers, &c., &c., &c.
