TLESDAY EVENING, APRIL 26, 1864.

NOTICE TO ADVERTISERS.—All Adver tisements, Business Notices, Marriages, Deaths, &c., to secure insertion in the TELEGRAPH, must invariably be accom

panied with the CASH. Advertisements ordered in the regular Evening Edition are inscried in the Morn ing Edition without extra charge.

TOWN AND COUNTRY

LOOK out for the Polyorama of the war for the Union.

OUR city is again full of soldiers. Many of them are veterans who have re-enlisted, and are en route for home, on furlough.

"On a Rock."—A raft from the upper re gion, stranded on a rock, opposite State street, last night. A rise in the water is necessary to effect its removal.

· FIFTY-SEVEN applications for tavern license from parties residing within the city limits, have been filed with the Clerk of the Court, and will be heard on the 11th of May.

THE FIRST OF THE SEASON -Last night we were visited with a heavy shower of rain, accompanied by thunder and lightning—the first since the opening of Spring. To-day is quite cold.

CAPT. REICHENBACH, A. Q. M., at this post will receive proposals until noon on Saturday next, for furnishing coal and wood for the use of the Government buildings and offices here; also, for Camp Curtin.

PROPOSALS FOR BEEF.—Captain Brownwell Granger advertises for proposals for supplying the subsistence department, at this post, with fresh beef. Proposals will be received until Monday next, at three o'clock, P. M. See advertisement.

Correspondence Stopped.—It may interest those expecting letters from their friends in the Potomac army, that no correspondence will be allowed to leave said army for a period of sixty days. General Grant has issued an order to that effect.

AT Sanford's Opera House there will be a fine programme presented this evening. There was a great crowd at the Opera House last night, to witness the funny saying and doings of the great company of stars, who perform there nightly. Go to-night, if you desire to enjoy a side-splitting entertainment.

THERE has been a great rush to Mrs Mather's Millinery establishment, on Second street, above Locust, where an attractive display of fashionable spring and summer goods greets the eye of passers-by. Mrs. M. guarantees satisfaction to all, both in regard to quality and prices. Go and examine the new stock, before purchasing elsewhere.

A Good Sale.—The Columbia Spy says that some time ago the proprietor of the "Continental," of Columbia, while opening oysters, found in one of them a white round substance, which purported to be a "pearl of great price." He sent it to Philadelphia and | pleads guilty and submits. had it inserted in an eagle's claw, and wore it as a breast-pin until a few days ago, when he sold it for fifty dollars.

THE soldier who was killed on the Pennsylvania Railroad, near Mifflin, on Sunday night, was John W. Liddick, of the 9th Penn'a Cavalry. He has a wife and three children residing at New Buffalo, Perry county, to which place his remains were forwarded. Deep indeed must be the sorrow of the family, who, while daily expecting the deceased at home, were thus suddenly called upon to mourn the loss of a husband and father!

A REMARKABLE MILITARY COMPANY -- Company D, of the 47th Pennsylvania Regiment, shows a most remarkable record, as regards the relationships of a portion of the men. There are four brothers and a cousin all named Powell. There are five brothers, all named Brady, three brothers named Baltzer, three brothers named Krosier, and three brothers named Harper, who are also brothers-in-law of the captain. There are two brothers and a cousin named Shaffer, and a father and two sons named Tag. Perhaps the most singular circumstance is the presence of six pairs of brothers, named Clay, Charles, Reynolds, Vance, Anthony and Vertig; also two step-brothers named Baldwin and Taylor. These men are all mainly from Perry county, Pa. They are mainly of the old Holland stock, and lived within a circuit of fifteen miles. They are all re-enlisted men but two or three.

Coming!—The circus is coming! It has "hung its banners on the outer walls," also on the outer fences. barns. cates. &c. Go where the outer fences, barns, gates, &c. Go where you will, you are encountered by gorgeous representations of horses in serial flights, bearing gaudily-robed men in attitudes equally striking and impossible. "Athletes" support several men, besides a family of small children, upon their heads with a degree of ease and grace seen nowhere else than in a circus bill. India-rubber men in exaggerated postures. fill up the corners and other odd spaces on the bill. The "Old Clown," as the boys call him, is allowed a special bill to himself, and is presented in the attitude of warning the ringmaster to "feed my calves no more crackers," or getting off some of his stale jokes, which have been stereotyped lo, these many years. One-half the representations made upon paper are never witnessed in the ring. Yet the circus will be patronized by all who can make no better use of their time, and by the man who can't afford to take a newspaper. He willtake his family to the "show." The circus is many of our country cousins to town.

To go Through.—We learn that a regiment colored soldiers will leave Pittsburg to-night, and are expected to pass through here early to-morrow morning.

Special attention is invited to the advertisement of a lot of excellent awnings, and canvass, wagon covers, grain sacks, &c., for sale at Kimball's shoe store, on Market street.

Now is the Time to Paint Houses.—Experiments have indicated that paint on surfaces exposed to the sun will be much more durable if applied in autumn or spring, than if put on during hot weather. In cold weather it dries slowly, forms a hard glassy coat, tough like glass; while, if applied in warm weather, the oil strikes into the wood, leaving the paint so dry that it is rapidly beaten off by rains.

CANARY BIRDS are sometimes covered with lice, which causes ill health and frequently death. They can be effectually relived of them by placing a clean white cloth over their cage at night. In the morning it will be covered with small red spots, so small as hardly to be seen, except by the aid of a glass; these are the lice, a source of great annoyance to birds.

THE PEOPLE'S FAVORITE. -Our readers wil rejoice to hear that they will be favored with another opportunity to witness that beautiful yet thrilling drama, THE COLLEEN BAWN. It is a play of rare excellence, and the manner in which it is placed upon the stage by Rouse's Star Troupe, renders it doubly attractive. To-night, by special request, this excellent play will be re-produced. Mr. Jennings will appear in his great favorite character of Danny Mann, and Mr. Rouse will personate Miles Na Coppaleen. Miss Fanny Denham and Miss Nellie Sprague will appear in favorite characters. That excellent song, "The Cruisikeen Lawn," will be sung by Father Tom and others. The beautiful scene, the Water Cave by Moonlight, will be presented in all is splendor. This is probably the last night of The Colleen Bawn. Therefore we advise everybody to go to the theatre to-night.

third reading and was passed in committee of the whole to the seventeenth section, except restoring the pay of the Judges of Allegheny county to the old standard.

HOUSE OF REPRESENTATIVES.

TUESDAY, April 26, 1864. The House met at the usual hour, and spent the whole morning session in the first reading of bills on the private calendar.

Two Hundred years seems Two Hundred.—Two hundred years seems a long time. How many changes in the world's history have been recorded of oppression and tyranny, with here and there a bright spot upon the page of Christian progress, in bettering the condition of the human family. Amidst the striking evidence of ingratitude in man in his efforts to overthrow the nationality of our clorious country, we find Mr. Allen of our glorious country, we find Mr. Allen, through his industry and genius, providing for the public advantage his superior silk finished two hundred yards spool cotton, at the low price of five cents. This, together with a large stock of New Spring and Summer dry a great institution, and its arrival will attract tained at the cheap store of C. L. Bowman, No. 1, corner of Front and Market streets.

Coughs and Colds.

The sudden changes of our climate are sources of Pulmenary, Bronomala and Astematic Affections. Experience having proved that simple remedies often act speedily when taken in the early stages of the disease, recourse should at once be had to "Broun's Bronchial Troches." or Lozenges, let the Cold, Cough or Irritation of the Throat be ever so slight, as by this precaution a more serious attack may be effectually warded off. Pulio Strakers and Singers will find them effectual for clearing and strengthening the voice. Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.

C. A. BANNVART—Dear Sir: I have used
Brown's Bronchial Troches, Wistar's Lozenges
and other preparations for hoarseness and
throat troubles, and in comparison with them
all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in

time of need, most effectually.

HARRISBURG, Jan., 1864. To C. A. Bannvart—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found the need of some gentle expectorant, and that want has been supplied in you

excellent Troches.

I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the effectiveness of the delivery of public ad-

dresses. Yours, &c., JNO. WALKER JACKSON. Pastor of the Locust St. Methodist Church.

I take this method of cheerfully thanking the public for past favors, and still-solicit their kind attention to my medicines. To tell of all the wonderful cures I have been able to perform would be impossible. I would call the attention of the ladies particularly to this valuable medicine. I think I can safely say it is the very best offered to them. It will regulate the whole system; can be taken at any time; no fear need be apprehended in regard to it. I have also a valuable Salve to kill proud flesh, and another to draw and head. This has healed sores that have run 20 years. My Dysentery Dropa, Infant cordial and Cough Dropa have been well tried. I need say nothing in their favor. I have constantly on hand those Medicines and Salves. MRS, L. BALL, marl6 No. 27 South Fine street, Harrisburg, Pa.

Dr. J. P. KELLER'S Dental Preparations.

GRANULAR DENTIFRICE!
AMERICAN TOOTH WASH! AMERICAN TOOTH WASH!

THESE elegant preparations combine the most desirable cleansing and astringent qualities. They render the Gums hard and healthy; neutralize the acid secretions of the mouth, (thereby removing the prime cause of decay) By their detersive properties they preserve the natural color of the Teeth, without in the least degree injuring the enamel, while they impart to the breath a fragrance peculiarly aromatic and pleasant.— In fact they are THE BEST ARTICLES in use for the purposes named, as a fair trial will fully demonstrate, and as has been abundantly proved by their extensive sale in this community during the last 14 years; and which will be readily testified to by many who have repeatedly urged the Proprietor to still further extend their sale and usefulness. They are warranted to be free from those destructive acids which so frequently contaminate many of the preparations of the present day. Prepared and sold at the Dental Rooms of the Proprietor, corner of Second and Walnut streets.
