WEDNESDAY EVENING, APRIL 27, 1864.

NOTICE TO ADVERTISERS.—All Advertisements, Business Notices, Marriages, Deaths, &c., to secure insertion in the TELEGRAPH, must invariably be accompanied with the CASH. Advertisements ordered in the regular Evening Edition are inserted in the Morning Edition without extra charge.

CITY ITEMS.

THREE hundred thousand dollars worth of watches and jewelry. See W. Forsyth & Co.'s advertisement in another column.

TOWN AND COUNTRY.

GALLEY SLAVE.—A compositor on a newspaper.

THE Union State Convention will assemble in this city to-morrow. The duties of the convention will be to form an electoral ticket and appoint delegates to the National Union Convention which meets in Baltimore on the 7th of June.

THERE was a large attendance at market this morning. Prices are gradually declining. Butter sold at from thirty-five to fifty cents; eggs fifteen to twenty cents, &c. There was a fine display of fresh fish, but at high figures.

MR. LEWIS ROBINSON, a drover of Carlisle, was among the persons wounded by the explosion at Cornelius & Baker's chandelier manufactory, in Philadelphia, on Monday morning. A horse belonging to Mr. R. was also so seriously injured that he had to be killed.

Persons going to Sanford's Opera House will find it impossible to obtain an insurance upon their vest buttons. Sanford also refuses to pay any damages that may result from indulgence in a hearty laugh. Yet you will be compelled to laugh, as there are a great many rib-ticklers on the bill for this evening.

HOMICIDE IN MARIETTA.—An affray occurred in Marietta, on Wednesday night, in which a young man by the name of Geo. Wesselman was mortally wounded. It seems that a quarrel originated between two soldiers about a woman, upon which one of them, named Bishop, discharged a shot at his opponent, and missing him pistol Wesselman, who happened to be passing along the street. Wesselman was said to have been a very worthy young man, and was to have been married next day.

It may be of interest to many of our readers to learn that soldiers who have served less than two years, and have been discharged on account of wounds, cannot receive a Government bounty, as no appropriation has yet been made for the payment of the same. Information to this effect has been received from the proper authorities at Washington, by a gentleman in this city. It is, therefore, useless for those who have served less than two years to apply for bounty; no claim agent can collect it.

"THE TRUE DEMOCRAT" is the title of a new paper about to be issued in York, Pa., by an association of the loyal men of that place. The Democrat will be a loyal journal, advocating the suppression of the rebellion, and will support the National and State Administrations. It promises to be a thorough-going live Union paper, and will do a good work in the benighted copperhead region of York, by enlightening the public in regard to the great issues at stake. The subscription price will be two dollars per year. Address Hiram Young, agent for the Democrat Association, York, Pa.

THE ARMY HOSPITALS.—During the past week, 206 patients were admitted into the Army Hospitals of this department; 136 were returned to duty, and 11 were discharged. The number remaining is 2895, distributed as follows: Pittsburg, 407; Convalescent, 285; Camp Curtin, 68; Chester, Pa., 51; Chambersburg, 10; Summit House, 117; Fort Mifflin, 13; McClellan, 280; Germantown, 280; Broad and Prime, 51; York, 325; Christian st., 137; Chestnut Hill, 439; South street, 125; Turner's Lane, 185; Islington Lane, 25; Satterlee, 581; Camac's Woods, 10; Sixty-fifth and Vine streets, 6.

NARROW ESCAPE.—We are doubtless indebted to "Ashcroft's Low-Water Detector," for the preservation of our office. On Monday morning last, at a very early hour, the pump which supplies our boiler with water, failed to perform its work, although it was supposed to be furnishing the necessary quantity. The whistle suddenly gave notice of the deficiency of water in the boiler, and warned us that an immediate supply was necessary to prevent an explosion. But for the alarm thus sounded, great destruction of property might, and would, doubtless, have occurred, as no one was aware of the danger to which the office was exposed. The detector is so constructed that when the water in the boiler is reduced to a certain point, the steam forces a passage through a pipe, melts a fusible plug, and causes the whistle to sound an alarm. This operation is performed in time to permit the boiler to be supplied with water, or the fire to be extinguished before an explosion will occur.

We take great pleasure in recommending Ashcroft's Detector to all persons who use steam boilers in connection with their business. Thousands of them are in use, and they have never failed to perform all that is promised of them. Their use has saved a great amount of property from destruction. They will be given to responsible parties on trial, and payment will not be required if they fail to act properly. See advertisement in another column.

OWING to the crowded state of our columns we are compelled to omit the report of Court proceedings until to-morrow.

SHERIFF'S SALES POSTPONED.—The sales of the real estate of David Culver, Christian Funk and J. Martin Weaver, advertised by the sheriff to take place on Thursday last, were postponed until to-morrow (Thursday) at one o'clock, p. m., when they will take place at the court house, in this city.

The Capitol will remain in Harrisburg. The removal question was killed in the House to-day. The Covery mansion will be the residence of the Governor. The twenty thousand dollars appropriated by the city toward the purchase of said property is to be refunded by the State, in the event of a removal of the Capitol at any future time.

RARE inducements are now offered by the proprietor of the Keystone Nursery, to all persons who desire to purchase fruit or ornamental trees, grape vines, or shrubbery, &c., to the advertisement of which special attention is invited. Many persons are not aware of the great advantage to be gained by purchasing their trees, &c., at home. The varieties offered for sale at the Keystone Nursery are certainly superior to those brought here by hucksters from other places. In many instances the latter have been so long out of the soil as to render their growth improbable; besides, you are not certain that you are getting the kind and quality they are represented to be. When you buy from Mr. Mish you can rely upon getting what you want, and should there be a failure in this respect, you can have the article replaced. Now is the time to plant. Go to the Keystone Nursery and select your supply of vigorous, healthy plants.

SWORD PRESENTATION.—Yesterday we were shown a cavalry sword, of which Captain H. B. Waltman, of company E, Ninth Pennsylvania Cavalry, was the recipient. The members of the company entertain a very high regard for their gallant commander, and as a token of their esteem, presented him with a beautiful sword, which is richly mounted, and of superior quality. The Captain prizes highly this gift, which was very appropriate, and will make good use of it when next he encounters the enemies of his country. He is a brave officer, and has participated in many hard-fought battles. The Waltman family is composed of patriots. The subject of this notice is a brother of Captain Jacob K. Waltman, former commander of the company, and well known to our readers.

THEATRE!—There is a capital treat in store for those who go to the theatre to-night. The manager has consented to afford our citizens another opportunity of witnessing that great thrilling drama, entitled PIZARRO, OR THE DEATH OF ROLLA. This is a grand piece, and one of the most intense interest and thrilling effect. We would advise all who can go to-night to be on hand, as the entertainment is unusually attractive. The concluding piece for this evening is, My Neighbor's Wife. As there are a great many strangers in town, we would remind those intending to visit the theatre this evening, that they should go to Bauvart's Drug Store, and secure reserved seats, in order to avoid any inconvenience that may be occasioned by a jam.

MAIL LETTERS.—The bids for carrying the mails during the next four years were opened by the Post-office Department, at Washington, yesterday. Among the accepted bids are the following:

PUBLIC SALE OF TREES, &c.—The large sale of fruit and ornamental trees, &c., that was to have taken place this morning, is postponed until to-morrow morning at nine o'clock. The trees are now here, in good condition, and will be sold at the lower market-house in this city, commencing at the above named hour, and continuing until the entire stock is sold.

Everything is guaranteed to be true to label. S. H. PURPLE, Columbia Nursery, ENSMINGER & ADAMS, Auctioneers.

POLICE AFFAIRS.—Before the Mayor.—John Jones, for using steelyards after being notified of their illegality, (thus violating the city ordinances,) was fined five dollars and costs. A quarter of mutton belonging to John was confiscated on account of light weight.

Lydia Smith and Emma Smith, females of doubtful character, were arrested for disorderly conduct at the depot. The Mayor kindly furnished them with a ticket of admission to the county prison, where they will remain thirty days.

John McManara and Thomas Riley, (soldiers) were arrested for drunkenness and disorderly conduct. One of them was fined, and the other, for want of funds, was committed.

Alfred Speers and George Liebhart, soldiers, for drunkenness, &c., were handed over to the military authorities.

For the benefit of those who do not find Copperhead in the dictionary, we give the following analysis:

- C conspiracy.
- O position to the war.

- P iracy.
- E nemy to the Union.
