THE

GREAT REMEDY
FOR THE
CONSTITUTION,
AND THE ONLY KNOWN REMEDY
FOR
DIABETES, and DISEASES of the KIDNEYS and BLADDER.

CONSTITUTION WATER

Has been pronounced by the Medical Faculty and the public, to be the most wonderful remedy for the permanent cure of all diseases of the STOMACH, LIVER, KIDNEYS and BLADDER that has ever been offered.

It is not a MINERAL WATER. It is from experience that CONSTITUTION WATER has emanated, and we now say let no man doubt, when a single bottle has been known to cure diseases which the best medical talent in this country has failed to relieve.

A remedy possessing the virtues of Constitution Water cannot be classed under "quack" preparations, as it is now used by the most scientific practitioners in this city. It is only second class physicians that cry down popular remedies, while the better skilled make use of every means to accomplish a cure; and the success of the physician increases as his knowledge of different remedies enables him to produce a cure, while others fail in the attempt. Science is satisfied with the truth.

Give Constitution Water a fair trial—we mean you who are under some *specialists's* care from year to year, and we particularly allude to ladies who are constantly resorting to *local treatment*, and all sorts of local applications for diseases, with as much chance of success as there would be from local applications to the throat for diseases of the brain.

We have been always careful to use language in our circular that could not shock the most delicate organization, but we receive so many communications from persons for which Constitution Water is adapted, and of whose diseases no mention has been made, that we have come to the conclusion that if the remedy is capable of producing a cure, no matter what the disease may be, it should be made known. The medicine is put up for the public, and there should be no exceptions.

We would say, Constitution Water is not like a gilded pill, made to suit the eye and taste; it is a medicine in every sense of the term, placed in the hands of the people for their relief, and if taken according to the directions it will, in every case, produce a radical cure. We would say that the directions in regard to diet, etc., relate only to the disease under which they occur.

DIABETES

Is a disease of the stomach and liver, acting through the kidneys, and is, without doubt, the most obstinate disease, except consumption, that affects the human constitution. We have no space for discussing causes, but will state that the effect of the disease is the conversion of the starchy principle (or vegetable portion of the food) into sugar, which stimulates the kidneys to an excessive secretion of water. Many persons suffer from this disease who are ignorant of it; that is, they pass large quantities during the day, and are obliged to get up from one to fifteen or twenty times during the night. No notice is taken of it until their attention is called to the large discharge of water, and often when it is so far advanced as to be beyond the control of ordinary remedies. Another symptom is the great thirst, which, when the disease is fully established, is intolerable—*the patient drinks constantly without being satisfied;* also dryness of the mouth, cracking of the lips, a sweet breath, in the more advanced cases, and finally loss of appetite, emaciation, and the patient gradually sinks from exhaustion.

CONSTITUTION WATER is, without doubt, the only known remedy for *Diabetes*, and we have as much confidence that it is a specific as we have that opium will produce sleep, and truthfully say that it has cured every case in which it has been used.

STONE IN THE BLADDER, CALCULUS, GRAVEL, BRICK DUST DEPOSIT, ETC., ETC.,

Diseases arising from a faulty secretion—in the one case being too little, and accompanied by severe pain, and the other a too profuse secretion—which will be speedily cured by the

IRRITATION OF THE NECK OF THE BLADDER
INFLAMMATION OF THE KIDNEYS,
CATARRH OF THE
BLADDER.
STRANGUARY AND BURNING, OR PAINFUL URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of the Constitution Water will relieve you like magic.

PHYSICIANS

Have long since given up the use of buchu, cubebs and juniper in the treatment of those diseases, and only use them for the want of a better remedy.

CONSTITUTION WATER

has proved itself equal to the task that has devolved upon it.

DIURETICS

Irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physician.

READ! READ!! READ!!!

DANVILLE, Pa., June 2, 1862.—*Dr. Wm. H. Gregg—Dear Sir:* In February, 1861, I was affected with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health.

Yours truly. J. V. L. DE WITT

BOSTON CORNERS, N. Y., Dec. 27, 1861.—*Wm. H. Gregg & Co.—Gents:* I freely give you liberty to make use of the following certificate of the value of Constitution Water, which I can recommend in the highest manner: My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with *Palpitation of the Heart and Irritation of the Bladder.* I called a physician, who attended her about three months, when he left her worse than he had found her. I then employed one of the best physicians I could find, who attended her for about nine months, and while she was under his care she did not suffer quite as much pain. He finally gave her up, and said *"her case was incurable. For,"* said he, *"she has such a combination of complaints that medicine given for one operates against some other of her difficulties."* About this time she commenced the use of Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

WM. M. VAN BENSCHOTEN.

WETHERSFIELD, Conn., March 2, 1863.—*Dr. W. H Gregg—Dear Sir:*—Having seen your advertisement of 'Constitution Water," recommended for Inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years, and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle of your agents at Hartford, Messrs. Lee, Sisson & Co., and when I had used half of it, to my surprise I found a great change in my health. I have used two bottles of it, and am where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love.

Yours truly, LEONARD BIGELOW.

LYON'S PERIODICAL DROPS,
FOR FEMALES.

DR. JOHN L. LYON'S

FRENCH PERIODICAL DROPS,

THE GREAT

FEMALE REGULATOR,

Are the only known remedy that will successfully and invariably restore and regulate the female system, removing all irregularities, and producing health, vigor and strength.

LYON'S PERIODICAL DROPS

Are a fluid preparation, the only true one of the kind ever discovered in this country, and acts directly on the parts affected, whilst pills and powders can only reach them as they work through sympathy, but not at all direct and positive.

Are you suffering from a constant anxiety for the regular return of nature's prescribed laws?

☞ Give yourself no uneasiness, for Lyon's Periodical Drops, if taken a day or two before the expected period, will positively and invariably regulate its coming, as sure as effect follows cause, as certain as daylight follows darkness.

Are you sick, enfeebled by disease, or unable to bear the labor and danger of increase?

LYON'S PERIODICAL DROPS

Come to you as a blessing, for is not prevention better than cure?

If regularly taken, it is a certain preventive, and will save you much peril and many hours of suffering.

Have you been afflicted for many years with complaints incident to the sex, that have baffled the skill of physicians, and are hurrying you on to an early grave?

LYON'S PERIODICAL DROPS

Are the most reliable regulator ever known, and cure, like magic, all those irregularities that have defied the doctor's skill.

Will you waste away with suffering from Leucorrhœa, Prolapsus, Dysmenorrhœa, and a thousand other difficulties, all summed up under the name of suppressed and obstructed nature, when an investment of one dollar in

LYON'S PERIODICAL DROPS

will surely save you.

Do not use the drops when forbidden in the directions, for although a positive cure, and harmless at all other times, they are so powerful and finely calculated to adjust and govern the functions of the sexual organism, that, if taken at improper times, they would produce results contrary to nature, against which all, particularly those who would reproduce, should carefully guard.

LYON'S PERIODICAL DROPS

Cannot harm the most delicate constitution at any time; yet the proprietors wish to guard against its misuse, hoping that a thousand bottles will be used for a good purpose where one is used for an illegitimate one.

LYON'S PERIODICAL DROPS,

the never-failing Female Regulator, is for sale by every Druggist, in the city and country, and do not, if you value your health and wish for a reliable medicine, buy any other. Take no other, but if the Druggist to whom you apply has not got it, make him send and get it for you.
