TOWN AND COUNTRY.

MILITARY RELIEF FUND.—The regular monthly payment to families of volunteers will be made at the Sheriff's office, on Friday afternoon, sixth instant, between the hours of four and six.

LIBERAL DONATION.—The Pennsylvania Railroad Company has donated \$50,000 to the State, for the orphan children of sailors and soldiers.

PREPARATIONS are being made for the erection of the Paxton Fire Company's new engine house. The workmen commenced operations a day or two ago.

CAPT. J. BROOKS, late Commissary of Subsistence at this post, was in this city yesterday. It is a pity that he is not at present in the service, as he was an excellent officer, and may be justly regarded as one of the best men in the Commonwealth.

Two important city ordinances will be found in to-day's paper. One of them increases the pay of the Chief of Police to \$50 per month, and that of the clerk of council to \$600 per year.

SAD CATASTROPHE AT A FUNERAL.—At Port Alleghe, Pennsylvania, a few days ago, a funeral procession was passing over a bridge to bury a child of Mr. George Moore, when the bridge gave way, and precipitating the mourners into the water, another child belonging to Mr. Moore was drowned, together with three of his brother's children, and one or two other lives were lost.

TO-NIGHT the two circuses will give their closing performance in this city. Since their arrival here immense crowds have attended, and both pavilions will be jammed to-night.

A SPECTACULAR COLLECTION OF CHROMO-LITHOGRAPHS AND STEEL PLATE ENGRAVINGS.—We had the pleasure of examining a large collection of chromo-lithographs and steel plate engravings, this morning, at Knoche's Music Store.

PASTOR CALLED.—At a meeting of the Old School Presbyterian congregation of this city, held last evening, a unanimous call was given to the Rev. S. S. Mitchell, of Princeton, Theological Seminary, to become their pastor.

A PHILADELPHIA paper, noticing the proceedings of the General Conference of the Methodist Episcopal Church, now in session in that city, gives the following in connection with the second day's report:

Quite an exciting meeting was held in front of the church this morning, before the opening session. According to the request of the body, yesterday, the Stars and Stripes were hung out to the breeze amid the loud huzzas of a vast multitude of people, both Clergy and Laity.

Police Affairs.—Before the Mayor.—Mrs. Kelly, a blind woman, was intoxicated and disorderly, for which she was arrested and furnished with lodging until this morning.

A soldier, of the Fourth Pennsylvania Cavalry, while on a "spree," yesterday, took charge of a horse and wagon belonging to a countryman, and proceeded to take a ride around town.

John Christophel, a regular revolver, was arrested as a vagrant. He was escorted by one of the city "stars" to the city borders, and ordered to leave instantly, which he did.

Samuel Hall, an individual who had imbibed too freely, became so completely delirious that he had to be hauled to the lock-up, on a wheelbarrow. He was committed for forty-eight hours.

We have been informed, by persons who saw it, that snow fell to the depth of about three inches, at Altoona, yesterday. This will account for the cold state of the weather here. We have not had any snow, however.

CHANGE IN THE SCHOOL LAW.—Last winter a bill was passed by the Legislature appropriating the money applied to common schools in proportion to the number of scholars in attendance in each district.

THE ARMY HOSPITALS.—The number of patients admitted into the army hospitals of this Department during the past week was 472; returned to duty, 131; died, 6; remaining, 3,220.

Bannart's Troches.

For the cure of Hoarseness, Throat Diseases, &c., are specially recommended to ministers, singers and persons whose vocation calls them to speak in public. They are manufactured only by C. A. Bannart & Co., Harrisburg, Pa., to whom all orders should be addressed. Sold by druggist every where. Read the following testimonials from some of our eminent clergymen: HARRISBURG, Feb. 8th, 1864.

C. A. BANNART.—Dear Sir: I have used Brown's Bronchial Troches, Wistar's Lozenges and other preparations for hoarseness and throat troubles, and in comparison with them all, can cheerfully commend your own as a most admirable specific for public speakers and singers, in cases of hoarseness, coughs and colds. I have found them serving in time of need, most effectually. Yours truly, T. H. ROBINSON, Pastor of N. S. Presbyterian Church.

W. C. CATTELL.—I agree with Mr. Robinson as to the value of Bannart's Troches. Late Pastor of O. S. Presbyterian Church. HARRISBURG, Jan., 1864.

To C. A. BANNART.—Dear Sir: In the habit of speaking very frequently, and in places where the vocal organs are very much taxed, I have found your Troches to be of great service, and that what has been supplied in your excellent Troches. I consider them very far superior to any Lozenges that I have ever used, in removing speedily that huskiness of the voice arising from its too frequent use, and impairing the clearness of the delivery of public addresses. Yours, &c. JNO. WALKER JACKSON, Pastor of the Louisa St. Methodist Church.

To C. A. BANNART.—Dear Sir: Having used your Troches, I am free to say they are the best I have ever tried and take great pleasure in recommending them to all who are afflicted with sore throat or huskiness of voice arising from public speaking or singing. Yours, &c. G. G. RAKESTRAW, Pastor of Ridge Avenue Methodist Church.

DISTRICT ATTORNEY'S OFFICE. HARRISBURG, Feb. 28, 1864. I have found your Troches to be invaluable in relieving hoarseness and in strengthening the muscles of the throat. They impart clearness to the voice, and are certainly of great benefit to all public speakers. A. J. HERR

Mrs. Ball's Remedies. I take this method of cheerfully thanking the public for past favors, and still solicit their kind attention to my medicines. To tell of all the wonderful cures I have been able to perform would be impossible. I would call the attention of the ladies particularly to this valuable medicine. It is a most reliable and safe remedy for all ailments to which women are liable, and can be taken at any time; no fear need be apprehended in regard to it. It has also a powerful effect in killing protuberant flesh, and another to draw and heal. This has healed sores that have run 20 years. My Dysentery Drops, Infant Cordial and Cough Drops have been well tried, and need say nothing in their favor. I have on hand those Medicines and Salves. MRS. L. Dr. J. P. KELLER'S Dental Preparations. GRANULAR DENTIFRICE! AMERICAN TOOTH WASH!

THESE elegant preparations combine the most desirable cleansing and astringent qualities. They render the gums hard and healthy; neutralize the acid secretions of the mouth, thereby removing the prime causes of decay. By their desiccative properties they preserve the natural color of the teeth, without in the least degree injuring the enamel, while they impart to the breath a fragrance peculiarly aromatic and pleasant. In the case of the gums, they are equally beneficial. They possess named, as a fair trial will fully demonstrate, and as has been abundantly proved by their extensive sale in the community during the last 14 years; and which will be readily testified to by many who have repeatedly urged the Proprietor to still further extend their sale and usefulness. They are warranted to be free from those destructive acids which so frequently contaminate many of the preparations of the present day. Prepared and sold at the Dental Rooms of the Proprietor, corner of Second and Walnut streets. J. P. KELLER, Surgeon Dentist. For sale also by the principal Druggists of the city. ap25-d1d
