GLAD NEWS FOR THE UNFORTUNATE!

THE LONG-SOUGHT-FOR

DISCOVERED AT LAST.

Cherokee Remedy,

AND

CHEROKEE INJECTION!

COMPOUNDED FROM ROOTS, BARKS AND LEAVES.

CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gleet, Gonnorhea, and is especially recommended in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.

☞ It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times per day.

☞ It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the CHEROKEE REMEDY and should be used in conjunction with that medicine in all cases of *Gonorrhea, Gleet, Fulor Albus or Whites.* Its effects are *healing, soothing and demulcent*; removing all scalding, heat, chordee and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the *cheap quack Injections.*

☞ By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION—*the two medicines at the same time*—all improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

☞ For full particulars, get our pamphlet from any drug store in the country, or write us, and we will mail free, to any address, a full treatise.

☞ Price, CHEROKEE REMEDY, $2 per bottle, or three bottles for $5.

☞ Price CHEROKEE INJECTION, $2 per bottle, or three bottles for $5.

☞ Sent by express to any address on receipt of price.

☞ Sold by all druggists everywhere.

JULIUS ROSENDALE,

OPTICIAN,

BEGS to inform the inhabitants of Harrisburg and vicinity that he has removed to No. 29 North Second street, two doors from Walnut. Thankful for the confidence and patronage bestowed on me during my stay on Market Square, I hope to merit a continuance of the same at my new stand.

PARTICULAR ATTENTION is called to the

CELEBRATED TINTED PARABOLE SPECTACLES,

for which I claim the undermentioned advantages:

1st. That from the peculiar construction of the Glasses, they assist and preserve the sight, rendering frequent change quite unnecessary.

2d. That they confer a brilliancy and distinctness of vision, with an amount of ease and comfort not hitherto enjoyed by spectacle wearers.

3d. That the material from which the Lenses are ground is manufactured specially for optical purposes, and is PURE, HARD AND BRILLIANT, and not liable to become scratched.

4th. That the frames in which they are set, whether in gold, silver or steel, are of the finest quality and finish, and GUARANTEED PERFECT in every respect.

5th. That, from their peculiar color, they prevent a superfluity of light affecting the retina, and therefore strengthining the optic nerve and rendering it less liable to Amaurosis.

Constantly on hand, a large assortment of Achromatic Stereoscopes, Spy Glasses, Opera, Marine and Field Glasses; Stereoscopes and Views, Magic Lanterns, Barometers Thermometers, Magnets, &c., &c.

Remember that Rosendale's Institute will be permanent at No. 29 North Second street, five doors from the Buehler House. ap7-daw3m

DYSPEPSIA,

AND

DISEASES RESULTING FROM

DISORDERS OF THE LIVER

AND DIGESTIVE ORGANS,

ARE CURED BY

HOOFLAND'S

GERMAN BITTERS,

THE GREAT STRENGTHENING TONIC.

THESE Bitters have performed more cures; have and do give better satisfaction; have more testimony; have more respectable people to vouch for them than any other article in the market.

We defy any one to contradict this assertion, and will pay $1,000 to any one that will produce a certificate published by us that is not genuine. Hoofland's German Bitters, will cure every case of Chronic or Nervous Debility, Diseases of the Kidneys, and diseases arising from a disordered stomach. Observe the following symptoms, resulting from the disorders of the digestive organs: Constipation, Inward Piles, Fullness of Blood to the head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the stomach, Swimming of the head, Hurried and difficult breathing, Fluttering at the heart, Choking or suffocating sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, Fever and dull pain in the head, Deficiency of perspiration, Yellowness of the skin and eyes, Pain in the side, back, chest, limbs, &c., Sudden flushes of heat, Burning in the flesh, Constant imaginations of evil, and great depression of spirits.

Remember that this Bitters is not alcoholic, contains no rum or whisky, and can't make drunkards, but is the best Tonic in the world.

READ WHO SAYS SO:

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

* * * * * * * * * * * *

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly.

LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philada.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters, prepared by you, as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours truly WARREN RANDOLPH,
Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E Church, Philadelphia.

Dr. C. M. Jackson:—Dear Sir:—Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully J. H. TURNER,
No. 726 N. Nineteenth street.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus (N. J.) and Milestown (Pa.) Baptist Churches.

NEW ROCHELLE, N. Y.

Dr. C. M. Jackson:—Dear Sir:—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the *German Bitters.* Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed. J. M. LYONS.

From the Rev Thomas Winter, Pastor of Roxborough Baptist Church:

Dr. Jackson:—Dear Sir:—I felt it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters; did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours,
T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours with respect, J. S. HERMAN.

ELECTRICITY.

DRS. WYETH and CREAMER, Eclectic and Electropathic physicians, respectfully offer their professional services in all the various branches of the profession, for the treatment of all acute and chronic forms of disease.

The remedial means they employ in the treatment of disease consist of Magnetism, Galvanism, Electro-Magnetism, the Swedish method of Localized movement cure, a few Eclectic medicines when deemed necessary, and in fact all the natural curative agents that may successfully be brought to bear upon the disease.

They do not wish to be understood as arrogating to themselves any superiority of professional skill, but they believe the remedies they employ in the treatment of disease far superior to those generally employed by physicians, from the fact that they act in perfect harmony with the laws governing and controlling the human system. To this, and the fact that they confine themselves to no particular *pathy* or *system*, they attribute their success in controlling disease.

The principal agent they employ in the treatment of disease, namely, Electricity, is an agent wonderful in its phenomena and powerful in its effects for good or ill. It is an ever present, all-pervading principle, governing all things, from rolling worlds down to the invisible particles of gasseous matter. We see it in the lightning's flash and hear the manifestations of its power in the muttering thunder. It is the cause of all decomposition, recomposition and transformation. It excites all motion. It is the exciting cause of life, growth, decay and death. It causes secretion, excretion, digestion. It lays hold of the crude food in the stomach, converts it into a state of fluidity, transmutes it into arterial blood, and sends it on its important office of supplying nutriment according to the necessities of the body. It is the nerve vital fluid, the great agent through which the mind acts upon the body. It is the cause of all causes except the first great causes the Infinite Mind which created it and brought it into use. These may appear like mere *assertions*, but they are facts admitting of strong and irresistible proof. Is it then, to be wondered at that an agent so wonderful in its phenomena, so powerful in its manifestations and so intimately connected with all the operations of the human system, should be almost absolute in its power of controlling disease? Certainly not. It is a natural sequence and follows as surely as day follows night.

Among the diseases which are found to yield readily to Electricity, in conjunction with proper adjunct treatment, may be mentioned the following; Incipient Consumption, Paralysis, Elpiliptic, Hysteric and other Convulsions; Neuralgia, in its worst forms, Rheumatism, inflammatory and chronic; all diseases of the nervous system; Dyspepsia cured in a few treatments; all diseases of the urinary and genital organs; Female Diseases, Asthma, Piles and Prolapsus Ani; Amaurosis and all kindred affections of the eye; Aurelus, Strictures, all skin diseases, &c.

Persons calling will be told whether they can be benefitted and no case taken where some relief cannot be afforded. *Consultation free.* Office, South Second street, below Chestnut, Harrisburg, Pa. Office hours from 8 to 12 A. M., 1½ to 5 and 7 to 9 P. M.

EVENING EDITION.

THE BLOODY FLAG OF FORT PILLOW.

Touching Scene in Fort Pickering.

SPEECH OF MRS. BOOTH.

An Oath to Avenge the Massacre

"Never Surrender the Flag to Traitors."

[*From the Memphis Bulletin of the 12th ult.*]

We are under obligations to an obliging friend for the following interesting particulars:

On Tuesday last, April 2d, the widow of Major Booth, the late commander at Fort Pillow, arrived at Fort Pickering below this city. Colonel Jackson, of the 6th United States heavy artillery, had his regiment formed into line for her reception. In front of its centre stood fourteen men, as fine, brave fellows as tread the earth. They were the remnant of the 1st battalion of the regiment now drawn up—all who had escaped the fiendish scenes of Fort Pillow, scenes that have stamped yet deeper blackness on the infamous brow of treason.

Mrs. BOOTH came forward. In her hand she bore a flag, red and clotted with human blood. She took a position in front of the fourteen heroes, so lately under her deceased husband's command.

The ranks before her observed a silence that was full of solemnity. Many a hardy face showed by twitching lips and humid eyes how the sight of the bereaved lady touched bosoms that could meet steel, and drew on the fountain of tears that had remained dry even after the piteous sights witnested on the battlefield after a fierce action.

Turning to the men before her she said:

Boys, I have just come from a visit to the hospital at Mound City. There I saw your comrades, wounded at the bloody struggle in Fort Pillow. There I found this flag *you* recognize it! One of your comrades saved it from the insulting touch of traitors at Fort Pillow!

I have given to my country all I had to give—my husband—*such a gift!* Yet I have freely given him for freedom and my country.

Next my husband's cold remains, the next dearest object left me in the world, is this flag—the flag that waved in proud defiance over the works of Fort Pillow!

Soldiers! this flag I give to you, knowing that you will ever remember the last words of my noble husband—"*Never Surrender the Flag to Traitors!*"

Col. Jackson then received from her hand—on behalf of his command—the blood stained flag. He called upon the regiment to receive it as such a gift ought to be received. At that call he and every man of the regiment fell upon their knees, and solemnly appealing to the God of battles, each one swore to avenge their brave and fallen comrades, and never—*never surrender the flag to traitors!*

The scene was one never surpassed in emotional incident. Beside the swift rolling waters of the Mississippi—within the enclosure that bristled with the death dealing cannon, knelt these rough soldiers, whose bosoms were heaving with emotion, and on many of whose cheeks quivered a tear they tried to hide, though it did honor to their manly natures.

Beside them stood in her grief, the widow of the loved officer they had lost—and above them was held the bloody flag. That eloquent record of crime, which has capped the climax of rebellion, and which will bring a reckoning so fearful.

In few but pointed and incisive words, Col. JACKSON pledged himself and his command, to discharge to the uttermost the solemn obligation of justice they had that day taken.

Col. KAPPAN followed him, expressing himself in favor of such retaliatory acts as justice and the laws of warfare require in a case of such fiendish and wicked cruelty.

Woe to the unlucky *reb* who falls into the hands of any of the commands represented at this solemn declaration. The determination of the officers of the 6th U. S. Heavy Artillery is incontestible, their bravery has been tried, and they have never been found wanting.

THE IMPENDING BATTLE IN VIRGINIA.

GENERAL MEADE BEYOND CHANCELLORSVILLE

WASHINGTON, May 6.

The Army of the Potomac has pased the Wilderness, which includes the old Chancellorsville battle-ground, east of Lee's army until it reached an open plain east south-east of the Wilderness. He further states that Gen. Grant took that route in order to flank Gen. Lee.

Our informant states that the theory entertained by officers there, was that Gen. Lee was still in his works about Orange Court House. Many here believe that it will be found that Gen. Grant has flanked Gen. Lee, and is between his army and the works of Richmond.

FROM THE SEAT OF WAR.

OUR ARMY MARCHING ON!

NO FIGHT UP TO WEDNESDAY EVENING.

AFFAIRS THIS SIDE OF THE RAPIDAN.

Burnside at Warrenton Junction on Wednesday

WASHINGTON, May 6.

Information has been received here that our army has passed safely through the Wilderness, but nothing further is known to-day of the onward movement.

Rumors prevail of fighting, but they are founded on mere conjecture, as it is known that up to 7 o'clock on Wednesday no fight had occurred.

There are troops remaining on this side of the Rapidan, but it would be improper to state their exact location. Nearly all the colored soldiers are on this side of the river.—Much of the rolling stock of the railroad has been sent back to Washington, as there is no further use for it below.

NEW YORK, May 6.—A special dispatch reports that our army has passed through the Wilderness of Virginia, emerging into the open country.

A letter received from Gen. Burnside's headquarters at Warrenton Junction, on the 4th, locates the corps there, but it was expected to move on that day.

Burnside Attacks a Rebel Force at Thoroughfare Gap.

A Rebel Officer Killed.

Capture of Important Orders from Gen. Lee.

RUMOR OF BURNSIDE'S DEFEAT A CANARD.

WASHINGTON, May 6.—Yesterday afternoon at 2 o'clock information was received by Gen. Burnside that a large force of rebels was moving southward by way of Thoroughfare Gap. This was communicated by signals, and Gen. Burnside at once started a large force of cavalry, who came up with the enemy as they were passing through the Gap.

A volley from our men brought to the ground a Lieutenant, supposed from the mark on his shirt to be named Marchand.

He is believed to have been an aid to either Lee or Stuart, as orders were found upon his person signed by order of Gen. Lee, directing Imboden and his Cavalry and all of the Cavalry force in northern Virginia, to move at once and join Gen. Lee.

These orders were dated on the 4th instant, and it is supposed that the cavalry retreating South was not only that of Imboden, but all the rebel cavalry in Northern Virginia, except probably a few guerrilla bands and marauders who could not in time receive the notice.

This information shows that the statement telegraphed from New York of the defeat of Burnside at Thoroughfare Gap was without foundation.

REPORTED ATTACK ON GENERAL BANKS.

Destruction of Vessels.

NEW YORK, May 6.

The *Commercial* has a report from New Orleans that General Banks, in his retreat to Alexandria, was assailed by the Confederates in force at Cane river, and suffered severely. Thirteen transports and gunboats are said to have been blown up by his orders to prevent them from falling into the hands of the enemy. *This report is doubtful.*

XXXVIIIth Congress---First Session.

SENATE.

WASHINGTON, May 6th.

Mr. Foote, (Vt.,) from the Committee on Pensions, reported back the bill in relation to the compensation of pension agents, with an amendment, on the adoption of which the bill was recommended,

Mr. Cowan (Pa.) reported back the bill to amend an act, entitled an act to promote the progress of the useful arts. This bill grants six months extension to patentees in which to pay their fees. It was passed.

HOUSE OF REPRESENTATIVES.

Mr. Davis, (Massachusetts,) from the Committee on Elections, reported two resolutions which lie over for the present—one declaring that F. P. Blair is not, and the other that Mr. Knox, the contestant, is entitled to a seat as representative for the First Congressional district of Missouri.

On motion of Mr. Farnsworth, (Illinois) it was resolved that when the House adjourn to-day, it be till Monday.

Mr. Ganson (New York) called up the resolution of the Committee on Elections, declaring that neither Mr. Loan, the sitting member, or Mr. Bruce, the contestant, is entitled to a seat as representative of the 7th Congressional district of Missouri.

Mr. Ganson, in supporting the resolution, said that a majority of the committee had, after a review of all the testimony, come to the conclusion that the interference of a portion of the armed militia of Missouri was to such an extent directed against the contestant as to render the election a nullity, and therefore they had concluded to refer both gentlemen back to the people in order that there may be a full and fair expression of their preferences.
