DISCOVERED AT LAST.

Cherokee Remedy,

AND CHEROKEE INJECTION! COMPOUNDED FROM ROOTS, BARKS AND LEAVES. CHEROKEEE REMEDY, the great Indian Divretic. cures all diseases of the urinary organs, such as Inconti nence of the Urine, Inflammation of the Bladder, Inflam mation of the Kidneys, Stone in the Bladder, Stricture Oravel, Gled, Connorhed, and is especially recommende in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.

It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times

It is diuretic and alterative in its action; purifying and cleansing the blood, causing it to flow in all of its original purity and vigor; thus removing from the system all perpicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assist ant to the CHEROKEE REMEDY and should be used to conjunction with that medicine in all cases of Gonorrheo Gleet, Fulor Albus or Whites. Its effects are healing pothing and demulcent; removing all scalding, heat chordee and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the cheap quack Injections.

By the use of the CHEROKEE REMEDY and CHEROKEE INJECTION—the two medicines at the same time—all improper discharges are removed, and the weak ened organs are speedily restored to full vigor and strongth.

cyclopedia of Relificius Knowledge and Christian Chronicle, Phitishelphia.

Although not disposed to favor or recommend Patent Mehicines in general, through distrust of their riggredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hooffand's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic

man Bitters, prepared by Br. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I Am Indebted to my friend, Robert: Shoemaker, Esq.; for the removal of this prejudice by proper tests, and for encouragement to try thems when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philada.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Church, Germantown, Penn.
Dr. C. M. Jütkson.—Dear Sir.—Personal experience enables me to say that I regard the German Bitters, prepared by you, as a most excellent medicine. In cases o severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will recover the product of the second severe cold.

Dr. C. M. Jackson: —Dear Sir: —Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully J. H. TURNER,

From the Rev. J. M. Lyons, formerly Pastor of the Columbus (N. J.) and Milestown (Pa.) Baptist Churches.

New Rochelle, N. Y.

Dr. C. M. Jackson:—Dear Sir:—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years, since being much, af flicted with Dyspepsis, I used them with very beneficial results. I have often recommended them to persons enfeelbed by that formenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.

J. M. LYONS.

From the Rev Thomas Winter, Paster of Rexborough Baptist Church.

Dr. Jackson:—Dear Sir:—I felt. it. due to your excellent preparation. Hoodand German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of . your German Bitters; did.so, and have experienced great and unexpocted relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours.

Dr. C. M. Jackson:—Respected, Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did mie as much good as Hoofand's Bitters. I am very much improved in health, after having taken five bottles.

WASHINGTON, May 18 -8 P. M. It is believed that some reinforcements are reaching Lee, but not in any degree commensurate with his needs, and there is no doubt, from the weakness shown by the confederates at other points in the confederacy, when they are being pressed, that pretty nearly the extent of its resources in the way of fighting men had been hurried up to Lee's support previous to Grant's advance—leaving very little reserve

Advices received from the Army of the Potomac to yesterday morning, speak of the extreme difficulty of discovering the exact position of the enemy, who are very cautious, and have availed themselves of the cover of dense woods to conceal their operations, their pickets only being seen. We further learn that none of the prisoner

Remember the place: Scheffer's old book stand, opposite Gross & Co.'s drug'store:
